Open Data

The City of Winnipeg wants to continue dialogue with the community beyond the annual Hackathon so we can keep improving the [open data portal](#).

Open data is data that can be freely used, shared and built-on by anyone, anywhere, for any purpose. The City of Winnipeg Open Data Portal is where the City's open data is stored and available for anyone who wants to use it. We are asking you to get involved in the future of our Open Data Program by [posting your ideas](#).
