Governance Review

Governance is all about leadership and responsibility for the City to the citizens of Winnipeg. It includes understanding citizen needs and making decisions in the best interests of the City. The City of Winnipeg is undertaking a review of its governance structure and processes.

We are asking for your feedback on governance at the City of Winnipeg:

- Provide your individual feedback through a [survey](#)
- Provide feedback on behalf of an organization through a [written submission](#)
- Participate and learn from others through the [idea board](#) or [virtual event](#).

Road Safety Strategic Action Plan

In 2020, we asked residents to help shape the future of road safety for Winnipeg by getting involved in phase 1 of the Road Safety Strategic Action Plan. Your feedback helped us to better understand areas of concern and potential opportunities for road safety improvements.

The Phase 1 [public engagement summary](#) and [report](#) are now available and provide an overview of the feedback collected so far.
