

Engagement Opportunities

Archives Strategy

The stories of Winnipeg and its citizens are told in the records and artifacts managed by the City of Winnipeg's Archives, and we want all residents to be inspired to explore our history. The City's archival collection is unique and irreplaceable and includes minutes, by-laws, maps, photographs, drawings, and artifacts.

To ensure long-term preservation and access to these irreplaceable items, the City is exploring facility options to address the storage and preservation needs for its growing archival collection, to allow enough space for its programming, and to create an accessible space that allows Winnipeggers to continue to have access to records and conduct research.

Stakeholder input, facility and programming needs, and costs are being considered in the development of a long-term, sustainable solution in the Archives Strategy.

How to get involved:

- [Complete a survey until July 5](#)
- [Attend a virtual event](#) on June 16 or 17
- [Ask a question](#)
- Send a written submission to archives@winnipeg.ca

Learn more about the work that has been done so far and how to get involved at winnipeg.ca/archivesstrategy.

Parking Guide Pilot

Regulatory parking signs facing the street | Parking guide facing the sidewalk

The City installed new parking guides in part of the Exchange District in Spring 2021 as part of a pilot project to help improve the readability of parking signage. A parking guide is a sign with a timetable that shows the different parking rules and the times they apply. The City installed parking guides on:

1. Bannatyne Avenue between Main Street and Waterfront Drive
2. King Street between Notre Dame Avenue and William Avenue
3. Arthur Street Between Bannatyne Avenue and Notre Dame Avenue

If you visit the Exchange District and use one of the new guides, scan the QR code under the new guides to let us know your thoughts.

We strive to promote public events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.
