Winnipeg Road Safety Strategic Action Plan

Road safety is a priority for the City of Winnipeg. The Road Safety Strategic Action Plan is driven by data and public feedback and will serve as a roadmap for implementing both short-term solutions and long-term investments over the next 3-5 years and beyond.

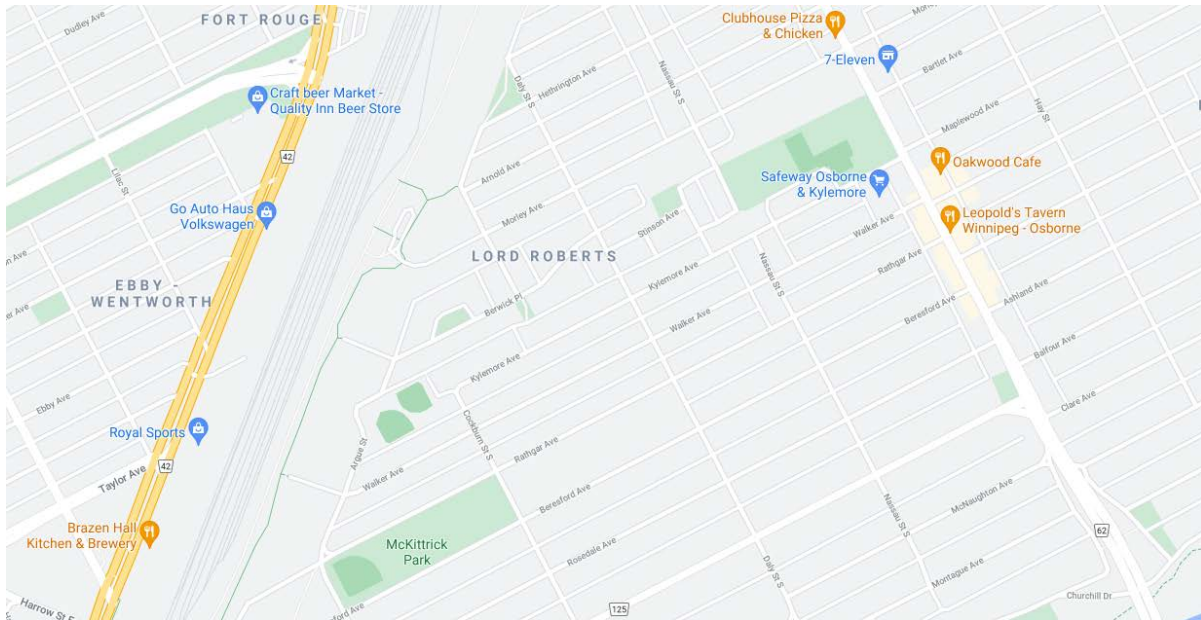

Your feedback during Phase 3 of public engagement will ensure the proposed actions and focus areas of the plan reflect the values and priorities of Winnipeggers.

Lord Roberts Community Traffic Study

Your feedback helped determine a plan for trialing and implementing traffic solutions. A [summary](#) of feedback from Phase 3 and the [appendices](#) are now available. An [administrative report](#) will be presented to the Standing Policy Committee on Infrastructure Renewal and Public Works for their consideration on September 15, 2021. The report provides a progress update on the Lord Roberts Community Traffic Study and outlines solutions being implemented in the next phase of the study.

If/once the proposed changes are approved, we will reach out directly to affected residents to advise of changes and plans for construction and installation.

If you would like to appear as a [delegation](#), please contact the [City Clerk's office](#) by 4:30 p.m. on September 14.
