Transportation Master Plan: 2050

Phase 2 public engagement for the Transportation Master Plan: 2050 (TMP2050) has begun!

We are excited to share the [key directions and strategies](#) TMP2050 is proposing, and the options and opportunities they create for achieving the City's transportation vision. Your feedback and input will help us ensure the draft TMP2050 document reflects your values and priorities, and address key concerns that Winnipeggers have with the current transportation network.

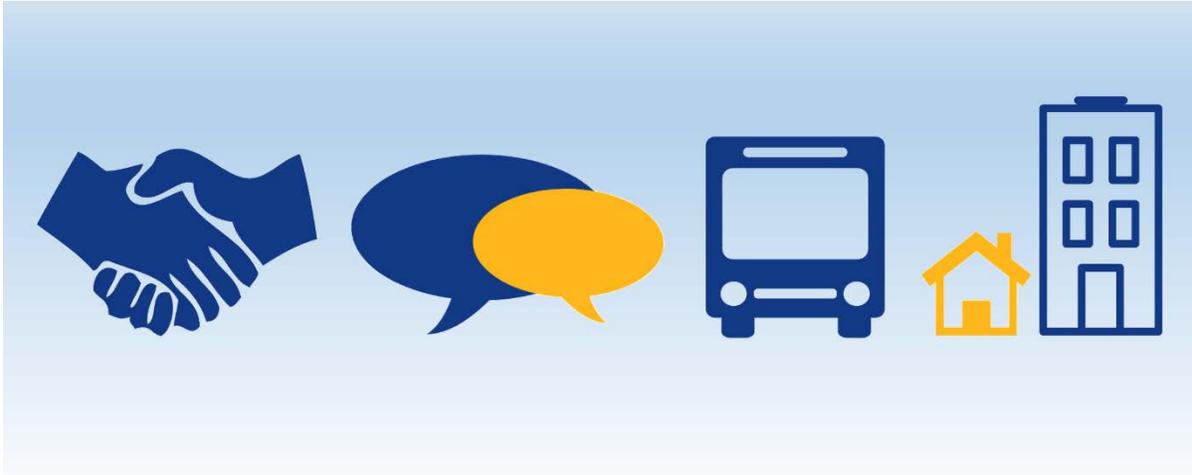

Get involved by:

- [Taking an online survey](#) (open now through December 17)
- [Participating in a telephone town hall](#) on Thursday, November 25 at 7 p.m.
- [Registering for one of four topic-specific online public workshops](#):
 - The Connected City: *Building a transportation network that supports people, communities and growth* (Monday, November 29 at 6:30 p.m.)
 - The Safe & Sustainable City: *Supporting transportation equity* (Tuesday, November 30 at 6:30 p.m.)
 - The Reliable City: *Revitalizing the road and bridge network* (Wednesday, December 1 at 6:30 p.m.)

- The Active City: *Updating the Pedestrian & Cycling Strategies* (Thursday, December 2 at 6:30 p.m.)

Poverty Reduction Strategy

The City meet with poverty reduction stakeholders throughout spring and summer 2021. Thank you to all who participated. The [Phase 3 Stakeholder Engagement Summary](#) and [appendices](#) are now available and provides an overview of the feedback collected for the project. Please visit the [project webpage](#) to view the [stakeholder engagement summary](#).

Implementation of the Poverty Reduction Strategy will occur subject to Council approval and is divided into four time frames that align with the City's multi-year budget.

For more information, visit winnipeg.ca/povertystrategy.

We strive to promote public events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.
