

Moving on Marion

The Marion Street corridor is a major route, connecting neighbourhoods and transporting people, goods, and services. The City of Winnipeg is undertaking the functional design phase of the Moving on Marion, which aims to determine how to improve roadway, traffic flow, safety, and livability aspects of Marion Street from St. Mary's Road to Lagimodière Boulevard, and Lagimodière, from Marion to Dugald Road.

Phase 2 public engagement is now underway and we want to hear from you!

- Take the [survey](#) until April 28, 2022.
- Attend an [online event](#) about the **West Segment** on Tuesday, April 19, 2022 from 6:30 p.m. – 8:30 p.m.
- Attend an [online event](#) about the **East Segment** on Wednesday, April 20, 2022 from 6:30 p.m. – 8:30 p.m.

We want your input on features that could enhance neighbourhood vibrance and livability along the west section, new cycling infrastructure, and improvements to the Youville-Marion-Goulet intersection.

Responsible Pet Ownership By-law Review

The [public engagement summary](#) and [appendices](#) are now available and provide an overview of the feedback collected for Phase 2 of the project. Please visit the [Document Library](#) to view the [public engagement summary](#). Public feedback helped Animal Services develop recommendations to update the Responsible Pet Ownership by-law.

Animal Services will be presenting recommendations to the [Standing Policy Committee on Protection, Community Services, and Parks on April 11, 2022](#) regarding:

1. At-risk pets
2. Dangerous dogs

3. Breed neutrality
4. Urban chicken keeping

If you would like to [appear as a delegation](#) regarding the above topics, please [contact the City Clerk's Department](#) by noon on April 10, 2022.

Animal services will not be presenting recommendations regarding:

1. Exotic animals

Animal Services will be requesting an extension regarding the topic of exotic animals for more time to develop recommendations.
