

Winnipeg Urban Forest Strategy

The [draft Winnipeg Urban Forest Strategy](#) is now available on the project webpage. The Strategy will guide the protection, preservation, and management of the city's trees for the next 20 years.

We want to hear from you! Your feedback will help guide us in prioritizing actions, finalizing the plan, and ensuring the city's urban forest can grow into the future.

To provide feedback, you are invited to take the [online survey](#), leave a feedback in the [comments tool](#) until June 22, 2022, or attend an online open house:

- Open house #1: [Tuesday, June 14, 2022](#) at 6 p.m. – 7:30 p.m.
- Open house #2: [Wednesday, June 15, 2022](#) at 2 p.m. – 3:30 p.m.

For more information, visit winnipeg.ca/urbanforest.

Neighbourhood Greenway Reduced Speed Pilot

Neighbourhood greenways are on-street routes designated to comfortably and safely move both cyclists and pedestrians *and* motor vehicles. Greenways typically include a range of treatments from low-impact things like signage, bike signals, and pavement markings to varying degrees of traffic calming including a best-practice speed limit of 30 km/h.

The pilot has been in place since summer 2021 on four existing neighbourhood greenways:

- Eugenie Street from St. Mary's Road to Youville Street
- Warsaw Avenue from Thurso Street to Pembina Highway
- Machray Avenue from Fife Street to Main Street
- Powers Street from Dufferin Avenue to Partridge Avenue

We are now collecting feedback from area residents and greenway users to determine what effect – if any – the speed reduction and associated measures had on their experiences.

Share your feedback through an [online survey](#) until June 30, 2022 or attend one of three in-person pop-up events:

- Pop-up #1: Warsaw Avenue at Lilac Street on Monday, June 13, 2022 at 4 p.m. – 6 p.m.
- Pop-up #2: Machray Avenue at Powers Street on Monday, June 20, 2022 at 4 p.m. – 6 p.m.
- Pop-up #3: Eugenie Street at Kenny Street on Tuesday, June 21, 2022 at 4 p.m. – 6 p.m.

For more information, visit winnipeg.ca/greenwaypilot.

Henderson Highway North Improvements Study

Phase 2 of the Henderson Highway North Improvements Study is now underway, and we want to hear from you! The Henderson Highway North Improvements Study is looking to improve safety, traffic flow, and livability along Henderson Highway from Gilmore Avenue to the north city limit at Glenway Avenue.

We want your input on:

- New active transportation options ([option 1 - preferred](#) and [option 2 - alternate](#)) to increase safety and accessibility
- [Roadway improvements](#) including a median to manage access and improve safety
- Other adjustments with potential impacts to road safety

To provide feedback, take the [online survey](#) until June 24, 2022 or join us at in-person event:

- Pop-up: McIvor Mall, 1795 Henderson Hwy on Saturday, June 11, 2022 at 9 a.m. to 12 p.m.
- Open house: Bronx Park Community Centre, 720 Henderson Hwy on Thursday, June 16, 2022 at 6:30 – 8:30 p.m.

For more information, visit winnipeg.ca/henderson.

Regulating Short-Term Rentals

The City is exploring regulations to mitigate negative impacts and concerns caused by short-term rentals. Community concerns include impacts on housing market and rental housing, noise, and loss of sense of community. Short-term rentals are temporary accommodations (less than 30 consecutive days) in a dwelling such as an apartment, house, or condominium, provided by a property owner or principal tenant in exchange for payment. Common short-term rental platforms include Airbnb, VRBO, and HomeAway.

We are seeking input to understand the challenges and opportunities of short-term rentals in Winnipeg. If you are a host or property owner, or have short-term rentals in your neighbourhood, we want to hear from you. Complete the [online survey](#) until June 30, 2022.

For more information, visit winnipeg.ca/shorttermrentals.

We strive to promote public events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.
