

Do you and your family live or play in the Fort Rouge neighbourhood? We want to hear from you!

The City of Winnipeg is asking residents who live and play in the Fort Rouge area for feedback on concept plans for McKittrick Park and green space located at the Fort Rouge Leisure Centre site's northeast corner (where the lawn bowling is currently located).

Approximately \$200,000 is available through the City's Parks and Recreation Enhancement Fund for the upgrades. Construction is expected to begin in late summer / fall of 2017 and will take about one month to complete.

Work proposed for McKittrick Park includes:

- New swing sets and engineered wood fiber safety surfacing, along with an accessible swing seat.
- Renewal of a section of asphalt path and creating a small tricycle/bike loop with some small amenities such as a fueling station or electric car plug-in station signs.
- Removal of the old climbers located south of the wading pool and the installation of a new barbeque pit at that location.
- New park benches.

Work proposed for the green space located at Fort Rouge Leisure Centre site's northeast corner includes:

- Removal of the lawn bowling green and fencing, and replacement with regular park turf.
- Creating an opportunity to have a pleasure rink in the winter and summer turf games such as bocce ball.
- Developing a small reading garden with new benches and trees.

McKittrick Park

Fort Rouge Leisure Centre Site

Join us at an open house where City representatives and the area Councillor will be available to answer questions.

Date: Tuesday, April 25, 2017

Time: 6:30 p.m. – 8 p.m.

Location: Fort Rouge Leisure Center,
(Main Floor, Multi-Purpose Room),
625 Osborne Street.

Format: Drop-in (come and go)

Provide input through an online survey at winnipeg.ca/mckittrickfortrouge. The survey will remain open until May 2, 2017.
