Re: Your request for access to information under Part 2 of The Freedom of Information and Protection of Privacy Act: Request Number 18 01 86

On January 18, 2018, the City of Winnipeg City Clerk’s Department received your request for access to the following information:

I request copy of all correspondence including email and documents related to pedestrian count-down timers, or lack of, at Bishop Grandin and River Rd. intersection.

The City of Winnipeg’s Public Works Department, Traffic Management Branch and Traffic Signals Branch conducted a search of their records and concluded they do not have any related information/correspondence regarding pedestrian countdown clocks at the intersection of River Road and Bishop Grandin Boulevard.

Your request for access is therefore refused under paragraph 12(1)(c)(i) of The Freedom of Information and Protection of Privacy Act, as records do not exist.

12(1) - In a response under section 11, the head of the public body shall inform the applicant
   (c) if access to the record or part of the record is refused,
      (i) in the case of a record that does not exist or cannot be located, that
          the record does not exist or cannot be located

Subsection 59(1) of The Freedom of Information and Protection of Privacy Act provides that you may make a complaint to the Manitoba Ombudsman about this decision.
You have 60 days from the receipt of this letter to make a complaint on the prescribed form to:
