The records you requested do not exist. Accordingly, your request for access is refused under section 12(1)(c)(i) of the Act.

12(1) In a response under section 11, the head of the public body shall inform the applicant
(c) if access to the record or part of the record is refused,
   (i) in the case of a record that does not exist or cannot be located, that the
   record does not exist or cannot be located

Our search of the Transit Control Centre database did not return information related specifically to sexual assaults and harassment on Transit, Transit’s property and stops, because this is not a category tracked in the database. Categories tracked where this information may be found are Assault Emergency not classified), Citizen Incidents or Emergency (not classified). Once reported to Winnipeg Police Service, Transit does not track or otherwise record resulting charges, prosecutions, or convictions.
