Re: Request for access to information under Part 2 of The Freedom of Information and Protection of Privacy Act: Application Number 18 04 402

On April 25, 2018, the City of Winnipeg received your request for access to the following:

Please provide documentation on any communications to or from Mayor Brian Bowman discussing Winnipeg Fire and Paramedic Service Chief John Lane since January 1st, 2018.

Your request for access has been granted in part, with severing, under the following exceptions to disclosure in the Act:

**Disclosure harmful to a third party's privacy**

17(1) The head of a public body shall refuse to disclose personal information to an applicant if the disclosure would be an unreasonable invasion of a third party's privacy.

**Disclosures deemed to be an unreasonable invasion of privacy**

17(2) A disclosure of personal information about a third party is deemed to be an unreasonable invasion of the third party's privacy if (e) the personal information relates to the third party's employment, occupational or educational history;

**Determining unreasonable invasion of privacy**

17(3) In determining under subsection (1) whether a disclosure of personal information not described in subsection (2) would unreasonably invade a third party's privacy, the head of a public body shall consider all the relevant circumstances including, but not limited to, whether (e) the personal information has been provided, explicitly or implicitly, in confidence;

**Advice to a public body**

23(1) The head of a public body may refuse to disclose information to an applicant if disclosure could reasonably be expected to reveal

(a) advice, opinions, proposals, recommendations, analyses or policy options developed by or for the public body or a minister;

(b) consultations or deliberations involving officers or employees of the public body or a minister;

**Disclosure harmful to security of property**

26 The head of a public body may refuse to disclose information to an applicant if disclosure could reasonably be expected to harm or threaten the security of any property or system, including a building, a vehicle, an electronic information system or a communications system.

Section 17 is a general, mandatory exception intended to protect the privacy of third parties. In this case, it has been combined with sections 17(2)(e) and 17(3)(e) which are more specific. As marked, the severed information is the contact information of an employee wishing to speak to the Mayor, and the contact information and opinions of citizens. In each case, the information was provided with the assumption of confidentiality. Section 23(1) is a discretionary exception intended to ensure the free flow
of full and frank deliberations and provision of proposals, opinions, and analysis. Section 26 is a discretionary exception intended to protect the security of property, including communication systems. In this case, it has been applied to sever a mobile telephone number. As required by section 7(2) of the Act, we have severed information that is excepted from disclosure and have provided you with as much information as possible and, in accordance with section 14(1)(a) of the Act, a copy is enclosed.

Section 59(1) of the Act provides that you may make a complaint about this decision to the Manitoba Ombudsman. You have 60 days from the receipt of this letter to make a complaint on the prescribed form to the Manitoba Ombudsman (Mail: 750-500 Portage Avenue, Winnipeg MB R3C 3X1; Telephone 204-982-9130 or 1-800-665-0531).

If you have any questions, please call me at (204) 986-3141.

Sincerely,

Denise Jones
Access and Privacy Coordinator
