Re: Your request for access to information under Part 2 of The Freedom of Information and Protection of Privacy Act: Application Number 18 04 417

On April 26th, 2018, the City of Winnipeg received your request for access to the following records:

In the Tuxedo area of Winnipeg; boundaries Edgeland, Corydon, Grant Ave. & Shatstsbury;
1. Street name, block number and postal code of all cat trap renters between April 8 – 12, 2018
2. # of animals trapped during those dates by those renters;
3. # of animals taken to the Winnipeg Humane Society during that time by those renters
4. # of traps available city-wide for rent during that time period
5. # of traps rented city-wide during that time period.

The City’s Animal Services Agency’s annual cat trap rental season is weather-dependent, typically beginning in early May if temperatures are conducive to the program. This year, traps were available for rent beginning May 8th, 2018. Cat trap rental statistics from April 8 – 12, 2018, therefore, are not available as the program had not begun for the year.

Accordingly, your request for access is refused under paragraph 12(1)(c)(i) of The Freedom of Information and Protection of Privacy Act, as the records do not exist:

12(1) In a response under section 11, the head of the public body shall inform the applicant
(c) if access to the record or part of the record is refused,
(i) in the case of a record that does not exist or cannot be located, that the record does not exist or cannot be located...
Subsection 59(1) of The Freedom of Information and Protection of Privacy Act provides that you may make a complaint about our decision respecting your request for access to the Manitoba Ombudsman. You have 60 days from the receipt of this letter to make a complaint on the prescribed form to:
