Our file number: 18 04 361

On April 13, 2018, the City Clerk’s Department received your request for access to the following records:

I am requesting access to the current number of sworn members working with a Formal Medical Accommodation (FMA)
-Please specify the number of the members who are on temporary accommodations vs the number who are on permanent accommodation.
-Please specify which category of work restrictions the FMAs fall into
-Specify which directorate the member works in (i.e frontline, criminal investigations, etc)

On July 4, the application was closed in error. Subsequent to our correspondence on July 11, the file was reopened and enquiries were made with the Winnipeg Police Service (WPS) Human Resources (HR) office. Access is granted and the requested numbers obtained from the WPS HR Supervisor are as follows:

Breakdown:
- 51 members are from Frontline Duties (i.e. originated from General Patrol)
