Re: Your request for access to information under Part 2 of *The Freedom of Information and Protection of Privacy Act*: Request Number 18 07 619

On July 11, 2018, the City of Winnipeg received your request for access to the following:

> All records relating to the Route 90 project and Canada Lands Company for the month of September 2017.

During your telephone conversation with the City of Winnipeg Corporate Privacy Office, you had agreed to narrow the focus of your request to:

> All Public Works Department records relating to the Route 90 project and Canada Lands Company for the month of September 2017.

The Public Works Department Engineering Division does not have any records relating to Route 90 project and Canada Lands Company for the time period requested.

Your request for access is therefore refused under paragraph 12(1)(c)(i) of *The Freedom of Information and Protection of Privacy Act*, as records do not exist.

12(1) - In a response under section 11, the head of the public body shall inform the applicant
   (c) if access to the record or part of the record is refused,
   (i) in the case of a record that does not exist or cannot be located, that the record does not exist or cannot be located

Subsection 59(1) of *The Freedom of Information and Protection of Privacy Act* provides that you may make a complaint to the Manitoba Ombudsman about this decision.
You have 60 days from the receipt of this letter to make a complaint on the prescribed form to:
