Your Request for Access to Information under Part 2 of
The Freedom of Information and Protection of Privacy Act
Our File No.: 18 08 733

On August 17, 2018, the City Clerk’s Department received your request for access to the following records:

Any and all expense reports or cost analysis reports for pest control related to but not limited to pigeons in the Health Sciences Centre ambulance Bay for 2015, 2016, 2017 and 2018.

Your request for access to these records is refused pursuant to subsection 12(1)(c)(i) of The Freedom of Information and Protection of Privacy Act which states:

Contents of response
12(1) In a response under section 11, the head of the public body shall inform the applicant
(c) if access to the record or part of the record is refused,
(i) in the case of a record that does not exist or cannot be located, that the record does not exist or cannot be located.

As the City of Winnipeg does not own or operate the facility we would not be responsible for pest control. A search of finance records was conducted and no responsive records were located.
