On August 13, 2018, the City Clerk’s Department received your access request. On the same day, the request was revised to be for access to the following records:

- Statistics regarding criminal incidents with taxi drivers from the period of January 1, 2015 to February 28, 2018
- Criminal incidents with vehicle for hire drivers from the period of March 1, 2018 to July 31, 2018.

Members of our Organizational Development & Support Unit were consulted and have advised:

- The WPS cannot track incident occurring in taxis; there is no location code for “taxi”. Events that occur in taxis are categorized as occurring on street/roads/highways.
- There is no category to track "vehicles-for-hire".

Therefore, access to records is refused in accordance with s. 12(1)(c)(i) of The Freedom of Information and Protection of Privacy Act which states:

Contents of response

12(1) In a response under section 11, the head of the public body shall inform the applicant
(c) if access to the record or part of the record is refused,
(i) in the case of a record that does not exist or cannot be located, that the record does not exist or cannot be located.
