Re: Request for access to information under Part 2 of The Freedom of Information and Protection of Privacy Act: Application Number 18 09 778

On September 4, 2018, the City of Winnipeg received your request, as follows:

On March 6, 2018, I received a response to my application for access number 18 02 156. The covering letter attached the City of Winnipeg employment position bulletin with posting number 106708 ("the Bulletin"). In this new application for access, I seek any and all records evidencing that the Bulletin was, in fact, publicly advertised and evidencing where it was publicly advertised.

Your request for access is granted in part. In particular, access is granted to the enclosed external posting (no. 106709) for said positon and to the advertisement (it was one of 3 positions advertised).

Our search in resulted in no further records of the position’s advertisements being located. It was determined that such records would have been included in the hard copy of the file for that competition. Those files are retained for two years past the closure of the competition. Corporate Services confirmed that the file was destroyed as per routine file management in accordance with section 3.08 Job Competition Files of the Retention and Disposition Schedule within the Records Management By-law 86/2010. Accordingly, access to those records must be refused under section 12(1)(c)(i) of the Act:

12(1) In a response under section 11, the head of the public body shall inform the applicant (c) if access to the record or part of the record is refused,
   (i) in the case of a record that does not exist or cannot be located, that the record does not exist or cannot be located

Section 59(1) of the Act provides that you may make a complaint about this decision to the Manitoba Ombudsman. You have 60 days from the receipt of this letter to make a complaint on the prescribed form to the Manitoba Ombudsman (Mail: 750-500 Portage Avenue, Winnipeg MB R3C 3X1; Telephone 204-982-9130 or 1-800-665-0531).

If you have any questions, please call me at (204) 986-3141.

Sincerely,

Denise Jones
Access and Privacy Coordinator
