On September 6, 2018, the City Clerk’s Department received your request for access to the following records:

Please provide me with the # of "MISLEADING JUSTICE" charges POLICE filed against the original COMPLAINANTS of a crime (yearly data of previous 5 years from 2013-2017).

Please Note that I am not asking for just any "Misleading Justice" cases but for those cases only where police found that the "COMPLAINANTS" of the crimes were in fact lying to the police and police then filed charges against the COMPLAINANTS.

Please provide a short description of those cases. If there is limited # of such cases, so that I can assess the relevance of the data.

Please also provide the status / outcome of any such charges.

We consulted with the Winnipeg Police Service's Research and Development Unit and the requested data is not tracked. No records exist containing the information you are requesting.
