

North Winnipeg Antenna System Project Information Session

The City of Winnipeg must relocate an existing antenna system from its current location at the North End Water Pollution Control Centre (2230 Main St.). Construction of the proposed new antenna system is anticipated to begin in spring/summer 2018, subject to Winnipeg Antenna Systems Policy approval. You are invited to an information session to learn about the project.

Date:

February 15, 2018

Time:

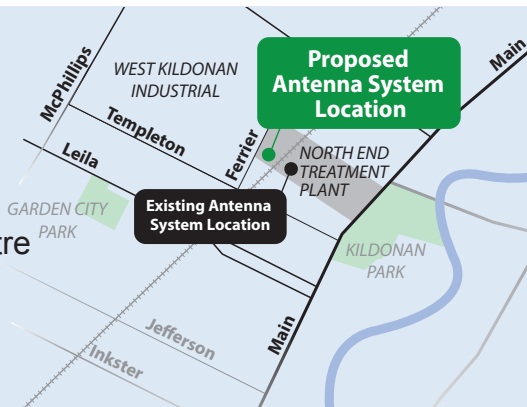

6 p.m. – 8 p.m.

Location:

Red River Community Centre
293 Murray Avenue
