

The ALFA MAXI 24

The maxi 24 is the newest addition to the alfa products In-ground waste line up. This model answers the need for a high capacity container, but at the same time is compact and esthetically pleasing. This Earth Works container will function great for both regular refuse and recyclables.

Equal to 14 park baskets

Ideal for: parks/beaches, universities/colleges/schools, playgrounds/recreational areas, trail heads/dog walk parks, golf courses, transit/urban centers, roadside rest areas, camp grounds and residential service to name a few.
