REQUEST FOR PROPOSALS FOR THE PROVISION OF AUTOMATIC VEHICLE LOCATION SYSTEMS

URGENT

**PLEASE FORWARD THIS DOCUMENT TO
WHOEVER IS IN POSSESSION OF THE
REQUEST FOR PROPOSAL**

ISSUED: March 25, 2013
BY: Nasir Noor
TELEPHONE NO. 204-471-5905

**THIS ADDENDUM SHALL BE INCORPORATED
INTO THE REQUEST FOR PROPOSAL AND
SHALL FORM A PART OF THE CONTRACT
DOCUMENTS**

Template Version: Ar20120228

Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Request for Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Proposal may render your Proposal non-responsive.

PART E – SPECIFICATIONS

Part E Specifications has been provided in Word format for the convenience of Bidders.

Questions and Answers

- Q1 Can we get the model number of the Parker spreader units that the City has installed? For example does the city use: Parker Chelsea SEMST
- A1 Parker spreader units' model number is Parker IQAN. Communication with these controllers is via J1939 CAN BUS protocol.
- Q2 Can we get an example of the equipment in a vehicle that has an existing modem?
- A2 The intent of this requirement is to make it possible in the future. That was also the reason behind not providing any required specification, rather asking the Bidders to specify what interface their equipment would support if it would allow this flexibility of connection pooling.
- Here is a possible usage scenario: a router may be used to share the internet connection already in place in a vehicle (a cellular data connection). In this case, the AVL system should have the option of hooking up to the router using an Ethernet cable to route AVL data traffic through this router.
- Q3 Is it possible to get a list of vendors/suppliers that have requested the RFP?
- A3 The City has no way of determining who downloads the RFP document from the website; therefore, we do not have a list of Bidders.
- Q4 Is it possible to get the RFP document in Word format?
- A4 The City has provided Part E Specifications, in Word format, for the convenience of Bidders.
