**B15. EVALUATION OF BIDS**

- B15.1 Award of the Contract shall be based on the following evaluation criteria:
- |   |       |           |
|---|-------|-----------|
| (a) Compliance of the Bidder with the requirement of the Bid Opportunity.   |       | Pass/Fail |
|   |       | Weight    |
| (b) Design Build Team<br>Qualifications and experience<br>Project Manager, roles and experience, past relevant experience<br>in construction of facilities similar in nature and size |       | 30        |
| (c) Quality of Materials and Building Systems   |       | 30        |
| (d) Total Bid Price   |       | <u>40</u> |
|   | TOTAL | 100       |
- B15.2 The evaluation of the bids will be conducted in the following manner:
- B15.2.1 Those Bidders not meeting all "shall" and "must" requirements of the Bid will be eliminated. The remaining Offers will be scored according to the criteria listed.
- B15.2.2 Each Bidder will receive a score of between one (1) and ten (10) for each weighted evaluation category. The Bidder that best satisfies, in the opinion of the City, a particular weighted evaluation category will receive a score of ten (10) for that particular category, and all other Bidders will be scored, in that particular category, in relation to the Bidders that received the ten. The scores in each category will be multiplied by the specified weight factors, and the sum of an Offerer's scores for all categories will constitute its aggregate score.

- B15.2.3 No information on the product or services will be assumed on behalf of the Bidders by the City. Bidders who fail to submit information required to score the evaluation criteria shall receive a score of zero (0) for those items not responded to as requested in this Bid Opportunity.
- B15.3 Further to B15.1(a), the Award Authority may reject a Bid as being non-responsive if the Bid Submission is incomplete, obscure or conditional, or contains additions, deletions, alterations or other irregularities. The Award Authority may reject all or any part of any Bid, or waive technical requirements if the interests of the City so require.
- B15.4 Further to B15.1(b), the Award Authority shall reject any Bid submitted by a Bidder who does not demonstrate, in his Bid Submission or in other information required to be submitted, that he is responsible and qualified. The Design Build Team qualifications and experience shall be evaluated considering the information submitted.
- B15.5 Further to B15.1(c), Quality of Materials and Building Systems shall be evaluated considering such items as level of finishes on the interior and exterior, structural, mechanical and electrical building system proposed with respect to quality.
- B15.6 Further to B15.1(d), the Total Bid Price shall be the Lump Sum Price shown on Form B: Prices adjusted, if necessary, as follows:
- (a) If the lowest evaluated responsive Bid submitted by a responsible and qualified Bidder is within the budgetary provision for the Work, no adjustment will be made to the Total Bid Price; or
  - (b) If the lowest evaluated responsive Bid submitted by a responsible and qualified Bidder exceeds the budgetary provision for the Work, the lump sum prices of all responsive Bids submitted by responsible and qualified Bidders will be adjusted by deducting the item listed in B9.2(a), i.e., Total Bid Price = Lump Sum Price – Separate Price No. 1.
- B15.6.1 If there is any discrepancy between the Lump Sum Price written in figures and the Lump Sum Price written in words, the price written in words shall take precedence.
- B15.6.2 Total Bid Price shall be evaluated using the Total Bid Price as entered on Form B: Prices. The lowest Bidder would receive a score of ten (10), which would then be multiplied by the weight factor. Each higher bid would receive a lower score based upon a ratio to the lowest bid.

## **B16. AWARD OF CONTRACT**

- B16.1 The Award Authority will give notice of the award of the Contract by way of a letter of intent, or will give notice that no award will be made.
- B16.2 The City will have no obligation to award a Contract to a Bidder, even though one or all of the Bidders are determined to be responsible and qualified, and the Bids are determined to be responsive.
- B16.2.1 Without limiting the generality of B16.2, the City will have no obligation to award a Contract where:
- (a) the prices exceed the available City funds for the Work;
  - (b) the prices are materially in excess of the prices received for similar work in the past;
  - (c) the prices are materially in excess of the City's cost to perform the Work, or a significant portion thereof, with its own forces;
  - (d) only one Bid is received; or

(e) in the judgment of the Award Authority, the interests of the City would best be served by not awarding a Contract.

**B16.3** Where an award of Contract is made by the City, the award shall be made to the responsible and qualified Bidder submitting the Bid determined to be the most advantageous to the City based upon the evaluation criteria specified in B15.
