B13.1 Award of the Contract shall be based on the following bid evaluation criteria:

- (c) Total Bid Price;

B13.2 Further to B13.1(a), the Award Authority may reject a Bid as being non-responsive if the Bid Submission is incomplete, obscure or conditional, or contains additions, deletions, alterations or other irregularities. The Award Authority may reject all or any part of any Bid, or waive technical requirements if the interests of the City so require.

B13.3 Further to B13.1(b), the Award Authority shall reject any Bid submitted by a Bidder who does not demonstrate, in his Bid Submission or in other information required to be submitted, that he is responsible and qualified.

B13.4 Further to B13.1(c), the Total Bid Price shall be the sum of the quantities multiplied by the unit prices for each item shown on Form B: Prices.

B14. AWARD OF CONTRACT

B14.1 The City will give notice of the award of the Contract or will give notice that no award will be made.

B14.2 The City will have no obligation to award a Contract to a Bidder, even though one or all of the Bidders are determined to be responsible and qualified, and the Bids are determined to be responsive.

B14.2.1 Without limiting the generality of B14.2, the City will have no obligation to award a Contract where:

- (a) the prices exceed the available City funds for the Work;
- (b) the prices are materially in excess of the prices received for similar work in the past;

- (c) the prices are materially in excess of the City's cost to perform the Work, or a significant portion thereof, with its own forces;
- (d) only one Bid is received; or
- (e) in the judgment of the Award Authority, the interests of the City would best be served by not awarding a Contract.

B14.3 Where an award of Contract is made by the City, the award shall be made to the responsible and qualified Bidder submitting the lowest evaluated responsive Bid.

B14.4 Notwithstanding GC.3.01 and GC.3.02, the City will issue a purchase order to the successful Bidder in lieu of the execution of a Contract.

B14.5 The Contract Documents, as defined in GC.1.01(7), in their entirety shall be deemed to be incorporated in and to form a part of the purchase order notwithstanding that they are not necessarily attached to or accompany said purchase order.

E2.6 Additional labour – this would be additional labour above and beyond the equipment costs shown in E2.5. For example, if it's determined by the Contract Administrator that a half ton truck, it's driver and an additional labourer is required for a clean up, then the additional labor cost would be for one person.

E2.7 Labour costs would be at a straight rate with no overtime costs.

E2.8 There will be no allowances for tipping, cartage or waste bin removal fees.

E2.9 Where salvage occurs primarily due to large amounts of metals. The material shall be delivered to Western Scrap at 18 Sutherland Avenue, Winnipeg MB Ph: 947-0251. The value for the scrap will be applied against the overall clean up bill as a credit.

E2.10 Currently the City anticipates approximately 20 to 30 properties per year that will require clean up. The clean up will typically occur from May to the end of October.
