FORM N: DETAILED SPECIFICATIONS 11108

ELECTRIC ICE EDGER

(Planning, Property and Development)

1.0 <u>SCOPE</u>

- 1.1 These specifications describe an electric, battery powered ice edger to be used to clean ice and snow along the boards of indoor hockey arenas. The unit shall be of current model year as may be modified by these specifications. The edger shall be furnished complete and ready for use from the Contractor. All parts not specifically mentioned but which are required to complete and place the equipment into successful operation shall be furnished as though specifically mentioned in these specifications.
- 1.2 It will be the responsibility of the Bidder to inform the City of any errors or omissions in these specifications, for under this Contract the Contractor shall be held responsible for the satisfactory operational function of the vehicle.
- 1.3 The responsibility for the design of the complete equipment, its performance and reliability shall rest upon the Contractor.

2.0 INSTRUCTIONS FOR COMPLETION OF SPECIFICATIONS

- 2.1 All items in these specifications must be answered indicating compliance or non-compliance. **Bidders shall state "yes" for compliance or state deviation**, or give a reply where requested to do so. Deviations shall be clearly stated and fully detailed. Alternatives will be considered subject to evaluation.
- 2.2 Each bidder is required to fill in every blank. Failure to do so may be used as a basis for rejection of bid.

3.0 ELIGIBLE MODELS

- Olympia Battery Edger
- Zamboni Electric Edger F7 III

	- Zamboni Liedine Luger LZ III	
3.1	State make and model being bid:	
4.0	SPECIFICATIONS	
4.1	Weight – 250 lbs. approx., state .	
4.2	Electrical system – 36-Volts, 100 amp continuous including three (3) 12-Volt batteries.	
4.3	Electric motor – 6.5 hp @ 36-Volts.	
4.4	Re-charging system – state details of re-charging system, i.e., 110 or 220 Volt, duration, etc.	
4.5	The unit shall be capable of approximately 40-minutes of continuous operation before re-charging batteries.	
4.6	Cutting width – 14 in. approx., state .	

4.7	Wheels – two (2) or four (4) wheels, capable of raising the machine for transport.	
4.8	Controls – motor and depth controls ergonomically located for operator.	
5.0	MANUALS	
5.1	The Contractor shall supply the following manuals (in English) upon delivery of the vehicles:	
5.1.1	Operator's manual – one (1) per machine.	
5.1.2	Complete parts, repair and service manual – CD preferred, quantity as per Form B: Prices.	
6.0	MANUALS	
6.1	The following manuals shall be supplied with the unit when delivered. Manuals shall be in English and shall cover the complete equipment.	
6.2	Operator's manual – one (1) per machine.	
6.3	Parts, repair and technical service manuals including preventative maintenance schedules for life of the unit – CDs preferred, quantity as per Form B: Prices.	
7.0	DELIVERY	
7.1	The unit shall be serviced, ready for operation and delivery F.O.B. with the freight prepaid to the City of Winnipeg, Winnipeg Fleet Management Agency, 185 Tecumseh Street, Winnipeg, Manitoba within ten (10) calendar weeks from the date of official notification of award of Contract. The Contractor shall contact the Contract Administrator prior to delivery of the equipment. Equipment shall be delivered within 8:00am and 3:00pm on Business Days.	
7.2	A pre-delivery inspection shall be performed by the Contractor on all equipment.	
8.0	TRAINING	
8.1	Operator training – the Contractor shall be required to provide one-half (1/2) Business Day of training, in Winnipeg by qualified staff, for City of Winnipeg operating personnel. All costs associated with the training, shall be at the Contractor's expense. The training session shall be sufficient in duration and shall provide adequate familiarization and orientation of the equipment, to the satisfaction of the Contract Administrator.	
8.2	Training materials and applicable manuals or on-line training information shall be provided by the Contractor to the Operator Training Branch of Public Works at the earliest possible opportunity, no later than 4-weeks prior to delivery of the equipment and related attachments. The training materials shall be sent preferably in electronic format and hard copy. Training videos shall be supplied on either CD or DVD format.	
8.2.1	Training materials shall be sent to:	

Public Works Department, Human Resources Division Equipment Operator Training Branch

102-1155 Pacific Ave. Wpg. MB R3E 3P1

Attn: Leanne Chetyrbok

Equipment Operator Training Consultant

Cel: (204) 451-3793

E-mail: lchetyrbok@winnipeg.ca

9.0 PERFORMANCE RELIABILITY

- 9.1 The responsibility for the design of the complete unit, its performance and reliability shall rest upon the Contractor.
- 9.2 The term "repeat failures" as used herein is defined to mean that the same component, assembly, or sub-assembly develops repeated defects, breakdowns and/or malfunctions rendering the unit inoperative, or requiring repeated shop correction, service and/or replacement during the warranty period applicable for said component, assembly, or sub-assembly. Minor items or ordinary service adjustments are not included, or considered under the scope of "repeated failures", as well as other factors, such as operational damage due to accidents, misuse or lack of proper maintenance, service and lubrication attention by not following the manufacturer's preventative maintenance schedules.
- 9.3 Where the unit develops "repeated failures" in service, the Contractor shall make any necessary engineering changes, repairs, alterations or modifications in order to guarantee reliability of performance.

10.0 WARRANTY

- 10.1 For the purpose of warranty repairs, the Contractor shall have an authorized service facility located within 10 km of the boundaries of the City of Winnipeg. The facility, or a portion thereof, shall be dedicated to the service and maintenance of the equipment being offered. Further to B9.1, Bidders shall provide a description of the service facility including, but not limited to, number of qualified service staff, years of service experience on electric ice edgers, and general service capabilities. A description of the service facility shall be provided within 3-Calendar Days upon request of the Contract Administrator.
- 10.2 The Contractor shall warrant **all equipment** (excluding consumables) and all parts thereof, against any defects of workmanship, construction and materials, and agrees to repair or replace without cost to the City any article that has become defective and not proven to have been caused by negligence on the part of the user within **two (2) years** from the date the equipment is put into service by the City of Winnipeg.
- 10.3 Upon delivery of the equipment, the Contractor shall provide a written warranty claim procedure with all applicable forms and contact personnel.

FORM Q-SUSTAINABILITY QUESTIONNAIRE

Product I	<u>nformation</u>	(Yes/No)
Product S	Sustainability: High Quality, Small Ecological Footprint	
1.	Have you employed environmentally innovative best practices and/or technologies in the goods you are supplying in this Bid Opportunity as compared to similar goods? If yes, please describe them below.	
Describe:		
2.	Have you obtained 3rd party environmental certifications for any of the products that you are supplying in this Bid Opportunity?	_
Describe:		
3.	Have you performed a life cycle assessment of the goods you are supplying in this Bid Opportunity? If yes, please describe below.	
Describe:	yes, please describe below.	
Describe.		
4.	Are there any other environmentally innovative best practices and/or technologies in the goods you are supplying in this Bid Opportunity that we could have specified in this tender, but have not? If yes, please describe them below.	
Describe:		
-		
<u>Company</u>	<u>Information</u>	
Energy a	nd Climate: Reducing Energy Costs and Greenhouse Gas Emissions	
1.	Have you measured your corporate greenhouse gas emissions? If yes, please report your total annual greenhouse gas emissions reported in the most recent year measured?	
Describe:		
2.	Have you set publicly available greenhouse gas reduction targets? If yes, what are those targets?	
Describe:		

Material Efficiency: Reducing Waste and Enhancing Quality

1.	Do you measure the total amount of solid waste generated from the facilities that produce your product(s) for this Bid Opportunity? If yes, please report for the most recent year measured.	
Describe:		
2.	Have you set publicly available solid waste reduction targets? If yes, what are those targets?	
Describe:		
3.	Do you measure the total water use from facilities that produce your product(s) for this Bid Opportunity?	
	If yes, please report for the most recent year measured.	-
