STANDING COMMITTEE RECOMMENDATION:

The Standing Policy Committee on Property and Development concurred in the recommendation of the Winnipeg Public Service and recommends to Council:

1. That the Land Lease Agreement for the area shown as ‘Proposed Leased Lands Bordered Thus’ on Misc. Plan No. 13837 in favour of Auberge and Spa LeNordik Inc. (ASL) for the construction and operation of a health spa complex at Crescent Drive Golf Course, be approved in accordance with the terms and conditions outlined in Schedule A to the Winnipeg Public Service report dated September 8, 2010.
2. That the Chief Administrative Office be delegated the authority to enter into a leaseback arrangement with ASL for a newly constructed clubhouse, pro shop and maintenance facility for the golf course.
3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Pursuant to Section 205(2) of The City of Winnipeg Charter, disposal of land owned or acquired by the City for park or cemetery purposes requires approval by two-thirds of all Members of Council.

RECOMMENDATIONS

1. That the proposed Land Lease Agreement for the area shown as 'Proposed Leased Lands Bordered Thus' on Misc. Plan No. 13837 attached in favour of Auberge and Spa LeNordik Inc. (ASL) for the construction and operation of a health spa complex at Crescent Drive Golf Course be approved in accordance with the proposed terms and conditions outlined in Schedule A attached;
2. That subject to approval of Recommendation #1, the CAO be delegated the authority to enter into a leaseback arrangement with ASL for a newly constructed clubhouse, pro shop and maintenance facility for the golf course; and
3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The leasing of park land for a term greater than five years requires approval by at least a two-thirds majority of Council.

IMPLICATIONS OF THE RECOMMENDATIONS

- Planning, Property and Development has determined that there are no regulatory, environmental or human resource implications to the lease of these lands as set out in the attached Schedule.
- Acceptance of the proposal and subsequent signing of the lease agreement commits the City to a long-term contract (25 years).
- Incremental revenues over the term of the lease amount to \$625,000.

HISTORY

Winnipeg Golf Services (WGS) received an unsolicited proposal from Auberge and Spa Le Nordik Inc. for the development of a health spa complex at Crescent Drive Golf Course (as shown on Attachment 1: Miscellaneous Site Plan). Le Nordik is a for-profit organization, which has a similar health spa operation in Chelsea, Quebec, just north of Ottawa, Ontario. Several meetings between City officials and the Le Nordik team were held over the past year to better understand their proposal.

The scope and scale of the Auberge and Spa Le Nordik Inc. proposal is as follows:

- 4 to 5 buildings for the operation of the health spa complex including one main pavilion and three to four additional small outbuildings;
- a fully manicured landscape encompassing a variety of therapeutic heated outdoor pools;
- the construction and leaseback of a new club house, pro shop and maintenance facility;
- an estimated total investment of up to \$6,000,000; and
- an estimated annual amount of approximately \$80,000 in realty taxes (business, municipal) generated by the health spa complex.

The consultants for Auberge and Spa Le Nordik Inc. conducted two rounds of open houses at the Wildwood Community Centre (271 North Drive) – one on June 15th, 2010 for the immediate residents along Crescent Drive and South Drive and one for the wider community of Wildwood on June 28th, 2010. The feedback from the two presentations was positive. The majority of those in attendance was in support of the project or not opposed to it. The issues raised by those in attendance did not have to do with the project specifically but with other neighbourhood concerns (recent sewer construction, park patrols at night, etc.).

The Ward Councillor has been consulted and apprised of the results of the consultation process.

The proposed health spa complex is to be developed on the existing clubhouse and maintenance facility footprint as shown on Attachment 1: Miscellaneous Site Plan. It is to be fully contained within the golf course property and not encroach into Crescent Drive Park. The golf course will continue to be operated by Winnipeg Golf Services.

The benefits of entering into a long-term lease agreement with Auberge and Spa Le Nordik Inc. include:

- Providing an incremental revenue source of \$25,000 per year to WGS;
- Generating new tax revenues for the City of Winnipeg estimated at approximately \$80,000 per year;
- Providing new golf course amenities (club house, pro shop maintenance facility) for WGS's customers;
- Increasing rounds and revenues by attracting new customers to the new facility and through cross-promotion opportunities with the health spa complex;
- Increasing the overall value of the City's property; and
- Creating a destination for Winnipeggers.

Additional Comments: Incremental revenues consist of the \$25,000/annum in lease payments from ASL to WGS + approx. \$80,000 in municipal taxes payable to the City of Winnipeg (General Revenue). For the purposes of this analysis, incremental annual revenues to WGS from increased rounds played is assumed to equal the cost to lease back the new golf course amenities. Given that there is no "bottom line" impact associated with this assumption, no amount for incremental revenue/lease back cost has been included above.
