Application Requirements

A Heritage Permit is required to alter a Listed Historical Resource (the Resource) pursuant to the provisions of the Historical Resources By-law 55/2014.

Mandatory Requirements – Please if submitted.

- Plans of the Existing Resource:** including site plan, plans, elevations, sections, details.
- Plans of Development:** including site plan, plans, elevations, sections, details & specifications (mortar mix, paint coating, roofing, etc.). Plans shall be drawn to scale and be fully dimensioned to accurately convey the nature of the proposed design and how it relates to the Historical Resource and its character-defining elements.
- Colour Images** that illustrate the existing condition(s) of the Resource with respect to the proposed application.
- Owner authorization letter** if the applicant is applying on behalf of the owner.
- Copy of current Land Title**

Other Requirements - Please if submitted.

- Colour renderings:** that illustrate the project
- For window projects:** completed Window Condition Assessment form, images that illustrate the condition of each window, annotated elevations, dimensions of existing windows, shop drawings of new and/or replacement windows
- Other condition reports**
- On-site test patches**
- Material or product samples**
