but shall include all other employees of the City of Winnipeg.

- 2-2**
- a) It is mutually agreed that should either party herein seek any alterations to the scope of the Application of this Agreement during the life of this Agreement said alterations shall be made only with the mutual consent of both parties to this Agreement.
 - b) It is also understood and agreed that for any employee other than those currently excluded to be considered to fall under the exclusions set out in Sub-Paragraphs (b), (c), (f), (g), (h) and (i) of Article 2-1, that employee must perform functions of the kind performed by employees covered by those exclusions as of the date of the signing of this Agreement; and further that any transfer of any Branch, Division or Department to any of the excluded areas set out in said Sub-

Paragraphs shall be made only with the mutual consent of both parties to this Agreement.

ARTICLE 3 - BARGAINING AGENT

3-1 The City hereby recognizes the Association as the sole bargaining agent for the employees covered by this Agreement, as stated in Article 2 herein.

3-2 The City agrees that the members of the Executive of the Association (fifteen [15] in number) will be allowed time off with pay for Association business.

Notwithstanding the foregoing, leave for education related Association business will only be granted with:

- a) the approval of the Department Head which shall not be unreasonably withheld; and
- b) the condition that the Association undertakes to reimburse the City for wages where it is necessary to replace the employee.

ARTICLE 4 - SALARIES

The City of Winnipeg shall increase all biweekly rates in effect on **Pay Period #22, 2010** as follows:

Effective Pay Period #21, 2012 – 1.00%

Effective Pay Period #22, 2013 – 2.50%

Effective Pay Period #22, 2014 – 2.50%

Market Adjustments

Apply an additional market adjustment for incumbents in positions that require a Professional Engineer and where the professional is registered as a Professional Engineer with the APEGM.

- Effective Pay Period #22, 2008 – two and one-half percent (2.5%) adjustment above the employee's regular rate as determined by their grade and step on Schedule A1/A2.

The market adjustment shall be applied to the base pay only and shall not be applied to any other premiums, sick leave cash out or severance payments. The market adjustment shall be applied biweekly and remain in effect until **Pay Period #26, 2013** unless otherwise extended by agreement or as provided for by the Letter of Understanding Re: Recruitment and Retention.

For clarity the two and one-half percent (2.5%) market adjustment will be applied to any step increase or general wage increase received by the employee during the two (2) year period.

A1/A2 Salary Schedule

Whereas the City asserted, on the basis of a Hay Group Salary Survey Report, that certain WAPSO top salaries were greater than what the Report called "market", and whereas WAPSO does not agree with the Report's methodology, assumptions, overall validity, and findings, or the City's interpretation of same, and whereas WAPSO has agreed for its own purposes to the

creation of a new Salary Schedule for employees hired on or after Pay Period #22, 2001 (October 21, 2001), the parties agree as follows:

As of Pay Period #22, 2001 the rates of pay for the various Administrative Salary Levels (Grades) for the duration of this Agreement shall be as set out in Schedules A1 and A2. Schedule A1 shall apply to all employees who are on payroll as of Pay Period #22, 2001 ("Schedule A1 employees"). Schedule A2 shall apply to employees hired on or after Pay Period #22, 2001 (October 21, 2001) or to Schedule A1 employees who move to Schedule A2 as provided in this Article ("Schedule A2 employees").

Schedule A1 employees will continue to be paid in accordance with Schedule A1 unless and until they are the successful applicant to a position at a higher Administrative Salary Level (Grade) or they (or the Association on their behalf) initiate a successful reclassification to a higher Administrative Salary Level (Grade), in which case they will become Schedule A2 employees.

Given that an employee-initiated or Association-initiated reclassification results in a Schedule A1 employee becoming a Schedule A2 employee, whereas a City-initiated reclassification will keep the Schedule A1 employee on Schedule A1, the City agrees that it will reclassify Schedule A1 employees when they reasonably ought to be reclassified and, in accordance with Section 80(2) of The Labour Relations Act, will, in administering this Clause, act fairly, reasonably and in good faith, and in a manner consistent with the Collective Agreement as a whole.

A Schedule A1 employee who is at Administrative Salary Level 1 at Step 17 or higher and who becomes a Schedule A2 employee at Administrative Salary Level 2 will be placed at a salary level equal to what the employee would have received under Schedule A1, and then will be treated as an incumbent only with respect to economic wage increases.

(Schedule A2)

Effective November 19, 2008 implement the following additional steps in accordance with Schedule A1:

WAPSO Grade X1 – Steps 10, 11 and 12
 WAPSO Grade X2 – Steps 12, 13 and 14
 WAPSO Grade X3 – Steps 17, 18 and 19
 WAPSO Grade X4 – Steps 19, 20 and 21.

ARTICLE 5 - VACATIONS

With the intent of establishing April 30th as the date to which entitlement to annual vacation leaves of all employees shall be computed, then all employees shall accumulate vacation entitlement with pay, in accordance with his or her years of employment as hereinafter provided:

- a) The number of working days of paid annual vacation entitlement for employees, who at the last preceding first day of May, had less than one (1) year of service shall be equal to fifteen-twelfths (15/12ths) of the number of months worked in the twelve (12) month period immediately prior to the said first day of May, calculated to the nearest half (½) day.
- b) All employees who have completed one (1) year of service as of April 30th shall be entitled to three (3) calendar weeks of annual vacation.

- c) All employees shall be granted four (4) calendar weeks of annual vacation in the calendar year of their fourth (4th) anniversary of service and in each year thereafter.
- d) All employees shall be granted five (5) calendar weeks of vacation in the calendar year of their eleventh (11th) anniversary of service and in each year thereafter.
- e) All employees shall be granted six (6) calendar weeks of vacation in the calendar year of their twenty-first (21st) anniversary of service and in each year thereafter.
- f) If the number of months worked by an employee in the year prior to a vacation period is less than twelve (12) months, the vacation to which he or she is entitled in that vacation period shall be reduced proportionately to the number of months worked, calculated to the nearest half ($\frac{1}{2}$) day.

The Department Head shall be responsible for arranging the holiday schedule prior to May 1st of any year, taking into consideration the requests received from employees when submitted to him or her prior to April 15th.

ARTICLE 6 - PUBLIC HOLIDAYS

6-1 The following days shall be observed and compensated in time off as public holidays:

- a) New Year's Day
- b) Louis Riel Day
- c) Good Friday
- d) Easter Monday
- e) Day fixed for celebration of Queen's Birthday
- f) Dominion Day
- g) The Annual Civic Holiday
- h) Labour Day
- i) Thanksgiving

and any day proclaimed as a public holiday by the Federal Government, Government of Manitoba, or the City of Winnipeg.

If any of the above holidays should fall on a Saturday or Sunday, it shall be observed on the first following working day or as mutually agreed between the City and the Association.

Any employee covered by this Agreement who works on a Public Holiday shall be granted, in addition to his or her regular rate of pay, compensation at the rate of double time (2x) either in time off, or in pay, the method of compensation to be at the discretion of the Department Head.

6-2 Christmas Eve

One-half ($\frac{1}{2}$) day shall be granted on the employee's last normal working day immediately preceding Christmas Day. This holiday shall be granted as provided to those employees who can be permitted time off. For those employees required to work,

payment shall be made at the regular rate of pay, and another one-half (½) day of compensating time off shall be granted at a time mutually convenient to the employee and Management.

ARTICLE 7 - SICK PAY REGULATIONS

7-1 Sick Leave Defined:

Sick leave means the period of time an employee is absent from work with full pay by virtue of being sick or disabled or under examination or treatment of a physician, chiropractor, dentist, or because of an accident for which compensation is not payable under the Workers' Compensation Act.

7-2 Annual Paid Sick Leave:

Every employee will be granted one and one-quarter (1-1/4) days of sick leave for each month of service. Employees will be credited in advance with a maximum of fifteen (15) days of sick leave on January 1 of each year. Sick leave credits will not accumulate during the period an employee is absent on non-paid leave or disability benefits.

7-3 Accumulation of Sick Leave:

The unused portion of an employee's annual paid sick leave shall accrue to his or her future benefit.

7-4 Deductions from Sick Leave:

A deduction shall be made from accumulated sick leave of all normal working days absent due to sickness. No deductions for absences on account of sickness will be made for a period of two (2) hours or less, to a maximum of six (6) such absences per calendar year.

An employee who has had accumulated sick credits and subsequently used all his or her credits will be entitled to the benefit of this Article regarding absences of two (2) hours or less.

7-5 Use of Overtime or Compensation Time:

After he or she has exhausted all sick leave credits, any employee, upon submitting a written request to his or her Department Head, may use, for bona fide sick leave purposes, any overtime or compensating credits or vacation credits available to him or her.

7-6 Leave Without Pay:

Leave without pay shall be granted to an employee who does not qualify for sick leave with pay, or who has exhausted his or her accumulated sick leave credits.

7-7 Notification of Employer:

Every employee shall immediately notify or cause someone on his or her behalf to notify his or her Department if he or she is unable to report to work through sickness.

7-8 Proof of Illness:

The City may require an employee, on returning to work, to produce a certificate from a medical practitioner, chiropractor or dentist certifying that he or she was unable to carry out his or her duties due to sickness. Such certification may be subject to review by the City's medical practitioner(s), chiropractor(s) or dentist(s).

In addition, employees absent due to extended sickness may be required to produce a medical certificate including, where possible, the estimated date of return of the employee. Employees shall not ordinarily be required to provide any additional medical certificate prior to return except in the following circumstances:

- a) once every twenty (20) working days where no estimated date of return can be provided;
- b) where the absence exceeds the estimated date of return.

7-9 Sickness While on Vacation:

Where an employee on vacation becomes sick to the extent that he or she requires the services of a medical practitioner or licensed chiropractor, provided such sickness is shown to be in excess of three (3) days, such employee shall be allowed to use his or her sick leave credits for the period the medical practitioner or licensed chiropractor states he or she would have been unable to carry out his or her duties at work.

7-10 Abuses of Sick Leave:

The City and the Association agree that suspected abuses of sick leave will be investigated and proven instances of abuse will result in disciplinary action being taken against the employee.

7-11 Right to See Sick Leave Record:

Upon request to his or her immediate supervisor, the employee's sick leave record will be made available for him or her.

7-12 Sick Pay Supplement for Rehabilitative Employment:

Rehabilitation is the mutual responsibility of both the employer and employee. If, as a result of sickness or accident, an employee is unable to perform the normal functions of his or her position, but is, however, capable of performing in an alternate position which the City is prepared to make available to the employee, the employee must cooperate and participate in the return to work process. The following shall apply in the return to work process:

- a) Upon medical certification satisfactory to a medical practitioner designated by the City, the employee will be assigned to the alternate position at the appropriate rate of pay for that position.
- b) The employee shall be entitled on a biweekly basis to utilize his or her accrued sick credits in units of one-half ($\frac{1}{2}$) days in order to supplement his or her rate of pay in the alternate position; but the combination of sick pay supplement and rate of pay in the alternate position shall not exceed the regular rate of pay in his or her former position.
- c) These sick leave supplements shall cease as soon as the employee qualifies for disability benefits.

7-13 Sick Pay Supplement While on Disability Benefits:

Where employees are utilizing sick credits to supplement disability pensions, sick leave credits will be granted on a pro rata basis. For example, an employee making up one-quarter ($\frac{1}{4}$) of his or her salary with sick leave credits would be eligible for one-quarter ($\frac{1}{4}$) of the sick leave accumulation normally granted to an employee working full-time. Employees absent on Workers' Compensation will be eligible for full sick leave credits.

7-14 Care for Family Members

An employee shall be allowed to utilize a maximum of three (3) days per year of accumulated sick leave credits for the purpose of providing care for his or her spouse, dependent child, parents, parents-in-law, or grandchild who is ill. In cases of suspected abuse, Management may require proof of illness of the family member as in Article 7-10 above.

7-15 Unused Sick Leave Credits for Employees Hired Before February 8, 1995

The City agrees that in the case of an employee, hired before February 8, 1995, who has unused sick leave credits, that upon retirement, death or termination of service caused by the transfer of a departmental function, either in total or in part, from the City to another administration said employee shall be entitled, or his or her estate shall be entitled, as the case may be, to receive payment for said unused sick leave credits by monetary payment or retirement leave (the choice of receiving the said monetary payment or taking retirement leave to be at the sole discretion of the employee) an amount equivalent to the total of:

- a) the number of unused sick leave days standing to his or her credit which were accumulated during the last five (5) years of service multiplied by the daily rate of his or her permanent or regular position effect on his or her last day of service; and in addition
- b) twenty-five percent (25%) of the number of unused sick leave days standing to his or her credit which were accumulated during the period immediately preceding the last five (5) years of service, multiplied by the daily rate for his or her permanent or regular position, in effect on his or her last day of service up to a maximum of one hundred and thirty-two (132) days (for Part [b]).

- c) For greater clarification, an employee who has acted in a higher classification(s) for more than one hundred and twenty-six (126) days in his or her last two hundred and fifty-two (252) days of service will have the rate of pay calculated on the basis of an average based on time spent in permanent or acting classifications over the last five (5) years (sixty [60] months) of service.
- d) **It is agreed that if an employee elects to take pre-retirement leave instead of a lump sum payment for sick leave cashout, no additional benefits accumulate during that period of pre-retirement leave.**

The value of pre-retirement leave is calculated, and then divided by the employee's daily rate of pay to determine the length of the period of pre-retirement leave. During this period, the employee does not accumulate additional sick leave, vacation or statutory holiday credits, nor do they receive any increments nor economic adjustments/negotiated increases.

7-16 Severance Payments for Employees Hired After February 8, 1995

Employees who are hired by the City after February 8, 1995 shall be entitled to receive a severance payment upon retirement, death or termination of service caused by the transfer of a departmental function, either in total or in part, from the City to another administration calculated as follows:

- a) One (1) day's pay per year of service for the first fifteen (15) years of service; plus
- b) Two (2) day's pay per year of service from Year Sixteen (16) and beyond.

7-17 Integration of Manitoba Public Insurance Corporation P.I.P.P. Benefits with Sick Leave Benefits

The City and WAPSO agree that, as a result of the introduction of the Personal Injury Protection Plan (P.I.P.P.) by the Manitoba Public Insurance Corporation, any employee covered by this Agreement, who is in receipt of benefits under the provisions of this Article, must integrate and coordinate those benefits to ensure that the total benefits provided under both programs do not exceed one hundred percent (100%) of net take home pay. This integration and coordination of benefits shall occur in the following manner:

- a) The total value of income top up provided under Article 7 shall be charged against the employee's accumulated sick leave. Should the employee not have sick credits to his or her standing at the time of application for the integration and coordination of benefits, he or she shall be entitled to utilize other available credits to provide top up in accordance with Article 7-5. An employee who has exhausted all compensating or vacation credits, shall be entitled to only those benefits provided under P.I.P.P.
- b) For the integration and coordination of benefits to occur, an employee must be injured in an automobile accident and, as a result of his or her injury, be unable to perform the duties of his or her normal classification and are therefore eligible to receive sick pay benefits.

- c) Employees who choose to integrate P.I.P.P. benefits with paid sick leave shall be entitled to receive all other benefits set out under this Agreement, during the period that one hundred percent (100%) of net take home pay is provided under this Agreement, for a maximum period of six (6) months or until approved for disability benefits through the Employee Benefits Board.
- d) Employees receiving such benefits shall be advised by the City, within thirty (30) days of having their P.I.P.P. and sick pay benefits integrated and coordinated, that they may apply for disability benefits through the Employee Benefits Board.

ARTICLE 8 - WORKERS' COMPENSATION

Rehabilitation is the mutual responsibility of both the employer and employee. If, as a result of a compensable sickness or accident, an employee is unable to perform the normal functions of his or her position, but is, however, capable of performing in an alternate position which the City is prepared to make available to the employee, the employee must cooperate and participate in the return to work process.

8-1 In all cases where compensation for loss of wages is paid by the Workers' Compensation Board on account of injury to the employee, the employee shall be allowed compensation as follows:

- a) During the time he or she is totally incapacitated to the extent of his or her net pay as of the date of his or her injury and as such net pay for the classification changes from time to time thereafter.
- b) Where such an employee is not totally incapacitated and therefore employable, and is offered suitable employment, within the City, procured for him or her by the City, in an amount sufficient to bring the salary of the position offered up to that in (a) above, should the employment offered be found to be suitable and the employee still does not accept the position, all supplementary payments from the City shall cease.

This payment shall reflect the non-taxable status of payment attributable to Workers' Compensation benefits. In the event that legislation is passed which makes Workers' Compensation benefits taxable, payments provided for in (a) above will be revised so as to ensure the employee will continue to receive the net pay set out in that Paragraph.

For purposes of this Article, net pay is defined as the employee's regular pay, less regular deductions for Employee Benefits Board contributions, Canada Pension Plan contributions, Employment Insurance contributions, dues allotments, income taxes and other proper deductions that were regularly deducted at the time the employee commenced receiving Workers' Compensation benefits.

- c) The employee shall continue to receive all benefits during the time he or she is in receipt of Workers' Compensation payments for a maximum of one (1) year from the date of original injury. After one (1) year, only the following benefits will apply:
 - pension

- group insurance
- dental and vision
- accumulation of service for purposes of calculated credits but not the accumulation of credits.

- 8-2** a) Where an employee has submitted a claim for Workers' Compensation benefits which will clearly result in the payment of such benefits, Section 1 of this Article will apply immediately, such that the employee will receive the appropriate pay on his or her regular pay days, notwithstanding that the Workers' Compensation Board has not yet made a determination.
- b) Where an employee submits a claim for Workers' Compensation benefits, the validity of which is not readily apparent upon objective evidence, salary continuance will not be provided. In this case however, the City agrees, without prejudice to its rights and legal liabilities, that an employee may apply for utilization of his or her sick leave credits while waiting for adjudication by the Workers' Compensation Board. In that case the employee must immediately notify his or her Department he or she is unable to return to work. In addition, the employee must, if requested, provide medical certification stating he or she is unable to carry out his or her duties. Such certification must be acceptable to the City's Medical Practitioner. In that case the City would monitor the absence in accordance with the Sick Leave Article, pending the Workers' Compensation Board determination. In the event the employee has exhausted his or her sick leave credits, then he or she may similarly use accumulated vacation credits. If the Worker's Compensation Board accepts the claim, the employee's sick leave records and/or accumulated vacation credits shall be credited with the number of days for which payment was authorized by the Board.

ARTICLE 9 - CHANGES IN WORKING CONDITIONS OR POSITIONS

- 9-1** The City agrees to notify the Association of any change being made concerning the duties, responsibilities and qualifications for any positions covered under this Agreement, or of any proposed additions and deletions of positions covered by this Agreement, and to hold discussion with the Association on such matters prior to implementation.
- 9-2** The City agrees to hold prior discussion with the Association concerning any studies and/or task forces which might be instituted pertaining to any terms and conditions of employment for positions covered by this Agreement.

ARTICLE 10 - PROMOTIONS

10-1 Job Posting

- a) The City agrees, prior to filling a vacant position covered by this Agreement and newly created positions which fall within the scope of this Agreement, the position shall be bulletined, except as outlined below.
- i) Positions may be filled on an "acting" basis without a bulletin for a period not normally to exceed six (6) months. Where such an "acting" appointment does exceed six (6) months and where the City has good reason to believe that the situation will continue beyond a further six (6)

months, the vacancy shall be bulletined. The City will do all that it is reasonably able to do to keep any extensions of the first six (6) months to a minimum.

- ii) It will not be necessary to bulletin a vacancy that is to be filled through return of an employee from authorized leave of absence, through redeployment of a supernumerary employee, or through redeployment of an employee for rehabilitative purposes, subject to the agreement of the Association, which shall not be unreasonably withheld.
 - iii) It will not be necessary to bulletin a position where it is mutually agreed between the City and the Association that, because of extenuating circumstances, a bulletin is not appropriate.
 - iv) It shall not be necessary to bulletin a position which has been assigned a higher salary level as a result of reclassification to the benefit of the incumbent.
 - v) It will not be necessary to bulletin a new temporary position for a period that will not normally exceed six (6) months, where the City has a specific need for a particular skill set that an existing WAPSO employee possesses. In such a case, the City may "second" that employee to fill that position provided that the provisions of Article 10-2(a) apply as if the filling of that position were the filling of a vacancy or newly created position. The City may extend the period for a further six (6) months only with the Association's consent, which will not be unreasonably denied. If the position continues beyond twelve (12) months, then the position shall be bulletined.
- b) For positions covered by this Agreement, the City agrees to post job bulletins throughout all Departments of the City, and not make an appointment to the position until seven (7) days from the date of posting.
 - c) The City agrees to notify the Association, in writing, of all vacancies and newly created positions within the scope of this Agreement at the same time said vacancies and newly created positions are bulletined as per Article 10-1(a) above. Further, the City agrees to notify the Association, in writing, of the name of the person who obtained the position within seven (7) days of the filling of said vacancy or newly created position.

10-2 Appointments and Promotion

- a) It is mutually agreed between the parties herein that in filling vacancies and newly created positions, emphasis shall be placed upon individual ability, achievement and performance rather than length of service with the City, but length of service shall nevertheless be considered by the City in filling vacancies and newly created positions.
- b) The date on which the successful applicant is appointed to his or her new position will be determined by the City, normally within sixty (60) calendar days following selection. If the City subsequently requires the appointment to be

delayed beyond the determined date, the successful applicant's salary will be adjusted from the determined date.

- c) An employee promoted to a position with a higher salary grade shall be assigned to the next higher step in the new grade which provides at least a five percent (5%) salary increase, or to the maximum step, whichever is less. Where the employee is scheduled for an increment within the next six (6) months, an additional step shall be granted.

10-3 Annual Increments

- a) Continuing with the current practice, an employee who is eligible to receive an annual increment will receive that increment unless he or she performs unsatisfactorily.
- b) An employee who, after June 9, 1992, remains in the position he or she held (whether permanent or acting) on or before June 9, 1992 will continue to be eligible to receive an annual increment at the beginning of each year (the "anniversary date").
- c) An employee who has changed position, or who is hired after June 9, 1992 will be eligible to receive an annual increment on the anniversary of the date he or she was appointed to that position (the "anniversary date").
- d) An employee who is placed in a higher rated position in an acting capacity after June 9, 1992, who receives the rate of pay of that higher rated position, and who continues in an unbroken period of temporary appointment to that position, will be eligible for the annual increment of the higher rated position effective on the anniversary of the date he or she took on the duties of the higher rated position (the "anniversary date").
- e) An employee who is appointed to a permanent position directly following a period of acting in that position will be eligible for the annual increment of the higher rated position effective on the anniversary of the date he or she took on the duties of the higher rated position (the "anniversary date"), if the date he or she took on the duties is after June 9, 1992.
- f) The anniversary date of an employee who has taken a general unpaid leave of absence greater than one (1) month in duration will be moved to a date later in time in an amount equal to the total period of that leave. For greater clarification and as an example, an employee who would normally have received an increment on March 1, 1992, and who took a two (2) month general unpaid leave of absence in July and August, 1991, would have his or her anniversary date moved forward to May 1, 1992.

10-4 Temporary Changes in Position

- a) Notwithstanding anything hereinbefore contained, a permanent employee who accepts a temporary or term position shall, upon termination of that position, be placed in a permanent position comparable to , and at an administrative salary level and step not less than that held prior to the employee's appointment to the temporary or term position.

- b) If there is not a comparable position available, the employee shall be allowed to revert to his or her original position. Should the employee revert to his or her original position, every effort will then be made to place the person occupying the original position into a comparable position at the same administrative salary level and step.

ARTICLE 15 - EMPLOYEE GRIEVANCES

15-1 Definition:

Subject to Article 25-1(m)– Position Evaluation, the word “grievance” used throughout this Article shall mean a complaint involving any matter relating to wages, hours of work, other terms or conditions of employment, or any other working condition of any employee covered by this Agreement and shall include, without restricting the generality of the foregoing, any difference between the parties relating to the meaning, interpretation, application or alleged violation of this Agreement, or any part thereof.

- 15-2** It is always preferable that employee-employer differences be resolved directly between the employee and his or her supervisor. Where that is not possible, the grievance procedure is intended to provide a process of resolution that is positive and constructive. The grievance procedure outlined hereafter is an extension of the problem solving process, and is intended to resolve differences in an expeditious manner so far as possible. In keeping with that intent, the parties agree to disclose and exchange all particulars and information, excluding internal privileged documents, respecting the matters of the grievance, throughout the grievance process and at all times as early as reasonably possible to promote settlement at the earliest possible stage.

15-3 Preamble:

- a) Steps 1 to 3 of the following procedure shall apply to all matters of grievance with the exception of disciplinary matters. In the case of matters of a disciplinary nature, an employee who feels he or she has been unjustly dealt with may proceed directly to Step 2 of the following procedure.
- b) Notwithstanding the time limits specified in the following grievance procedure, longer time periods may be substituted by mutual agreement. Such agreement shall not be unreasonably withheld.

15-4 Grievance Procedure:

Should any employee subject to this Agreement believe he or she has been unjustly dealt with, or that any of the provisions of this Agreement have been violated, he or she shall attempt to resolve the grievance in the following manner:

Step 1

Within thirty (30) working days of the event, or final event in a series of events which have occurred over a period not to exceed twenty-four (24) months, or of the alleged violation of the Collective Agreement, the employee shall discuss the matter with his or her immediate supervisor.

Step 2

If the employee does not obtain satisfaction from the immediate superior and wishes to pursue the grievance further, then the employee shall, within sixty (60) working days of the event outlined in Step 1; or, if the event in question is a disciplinary matter, within fifteen (15) working days of disciplinary action:

- a) proceed with a written grievance directly to the Department Head, or designate, concerned; or
- b) refer the grievance to the Association who shall, within the above referenced time frame, make initial notification, in writing, to the Department Head, or designate, concerned.

Following receipt of the written grievance from either the employee or the Association, a hearing will be arranged before the Department Head, or designate, concerned within fifteen (15) working days. The Department Head or designate will render his or her decision, in writing, within ten (10) working days of the hearing.

Step 3

If the decision of the Department Head, or designate, fails to resolve the grievance to the satisfaction of the aggrieved employee, the Association and/or the aggrieved employee may appeal the decision, in writing, to the Chief Administrative Officer, or designate, and request a hearing before the Chief Administrative Officer, or designate. Such appeal shall be submitted within thirty (30) working days of the written decision of the Department Head, or designate. The Chief Administrative Officer, or designate, shall

render his or her decision within twenty (20) working days after the hearing has been held.

Step 4

If the decision of the Chief Administrative Officer fails to resolve the grievance to the satisfaction of the Association, the Association may decide to go to arbitration and, having made that decision, they shall, within twenty (20) working days of receiving the written decision of the Chief Administrative Officer, refer the grievance to arbitration, in accordance with the provisions of Article 15 (Sub-Articles 8-14) of this Agreement.

- 15-5** The City agrees to recognize the Association as the sole agency through which grievances covered under this Article will be processed; provided that this will not prevent an employee from processing a grievance on his or her own behalf in accordance with the provisions of Steps 1 to 3 of this Article.
- 15-6** The Association may process a grievance of a general nature (called a "policy grievance") with respect to matters of dispute which affect the general membership of the Association. Such a policy grievance would be processed in accordance with the provisions of this Article.
- 15-7** In the event of any controversy concerning the meaning, interpretation or alleged violation of this Agreement or any portion thereof, and in the event that a satisfactory adjustment cannot be reached between the parties by following the procedures outlined in Steps 1 to 3 above, either party may submit such dispute to arbitration. It is agreed between the parties that in those cases it is desirable to use a single arbitrator.

Referral to Arbitration

- 15-8** Pursuant to Article 15-7 a single arbitrator will be used unless the parties agree to invoke a three (3) person board.
- 15-9** Where the parties agree to a single arbitrator, he or she shall be selected by mutual consent. In the event the parties cannot agree on a single arbitrator within twenty (20) working days, the arbitration will revert to a three (3) person board.
- 15-10** Pursuant to Article 15-8 or 15-9, where the arbitration uses a three (3) person board, the party originating the arbitration request shall notify the other party by registered mail, the name of its nominee to an arbitration board. Within fifteen (15) days thereafter, the other party shall answer by registered mail indicating the name and address of its appointee to the Arbitration Board. The two (2) Arbitrators shall meet to select an impartial chairperson.
- 15-11** If the recipient of the notice fails to appoint an arbitrator, or if the two (2) appointees fail to agree upon a chairperson within seven (7) days of appointment, the other party may request a judge of the Court of Queen's Bench to select such arbitrator.
- 15-12** An arbitrator or board of arbitration appointed pursuant to this Article, shall meet and hear the evidence from the Association and from the City, and shall issue an award within ninety (90) calendar days after completion of hearing the evidence, unless the parties hereto agree to extend or abridge the time for issuance of the award. An award

issued by an arbitrator, or by a majority in the case of a board of arbitration, shall be deemed to be final and binding on all parties to the arbitration.

- 15-13** An arbitrator or board of arbitration shall have the authority to determine whether any matter referred to it is arbitrable.
- 15-14** The City and the Association agree that each will bear an equal share of the fees and expenses incurred as a result of the appointment of a single arbitrator, and in the case of a board of arbitration, the City and the Association agree that each will be responsible for the fees and expenses of their respective appointees and that each will bear an equal share of the fees and expenses of the Chairperson of the Board of Arbitration.

- 16-4** The City further agrees with the Association that the said deductions shall continue during the life of this Agreement and after the expiry date thereof, during the entire period that any negotiations, including arbitration, are proceeding with a view to concluding a new Collective Agreement.
- 16-5** In consideration of the premises and of the City making the compulsory deduction of Association dues as herein provided, the Association agrees to and does hereby indemnify and save the City harmless from all claims, demands, actions and proceedings of any kind and from all costs which may arise or be taken against the City by reason of the City making the compulsory deduction of Association dues provided for in Article 16-1 hereof.

18-12 A board of arbitration or a single arbitrator shall have the authority to determine whether any matter referred to it is arbitrable.

18-13 The City and the Association agree that, in the case of a board of arbitration, each will be responsible for the fees and expenses of their respective appointees and that each will bear an equal share of the fees and expenses of the Chairperson of the Board of Arbitration. In the case of an appointment of a single arbitrator, each will bear an equal share of the fees and expenses incurred.

- a) the employee, upon being charged with a criminal offense, or upon receipt of notification of the commencement of any criminal action being commenced against him or her upon the Highway Traffic Act offense being commenced against him or her, shall advise the City through the head of his or her department of such criminal proceedings and may request that the City appoint counsel to represent the employee in such criminal action;

ARTICLE 25 - POSITION EVALUATION

25-1 Grading of Positions

- a) The City will notify the Association, in writing, of all new positions and revisions to the job descriptions and revisions to the job descriptions of existing positions falling within the jurisdiction of the Association.
- b) The Association or the City may request that the City determine the proper salary level (the "rating") for any new and/or revised position. The incumbent of any new and/or revised position may apply for such a determination through the Association or the City. The Department concerned will prepare a current job description for rating within ninety (90) days of the date of request and the rating shall be completed by the Employee Compensation Branch within ninety (90) days of the date on which a current job description is provided.
- c) The City reserves the exclusive right to determine the specific duties and responsibilities of jobs in the organization and the minimum qualifications deemed necessary to perform those duties and responsibilities.

- d) In order to determine the proper salary level for a new and/or revised position, the City, in consultation with the Department and the incumbent (if any), shall consider the conditions under which the work is performed as well as the skill, efforts, duties and responsibilities normally required of the work. The City will utilize the Position Evaluation Manual in force from time to time, and will rate the position in accordance with the Position Evaluation Manual.
- e) The City will provide WAPSO and the incumbent (if any) with all information used by the City to determine the rating, including comparison positions where relevant.
- f) In the event that WAPSO and/or the incumbent disagree with the rating assigned by the City, an appeal may be filed. Only one (1) appeal per individual rating notification will be considered.
- g) The appeal must be filed with the City no later than six (6) weeks from the date the rating and/or the information referred to in Article 25-1(e) was received by WAPSO and the incumbent, whichever last occurs. The appeal should be filed on a form supplied by the City, but no omissions on the form, or non-use of the form, will vitiate the appeal itself.
- h) The Appeal Committee will be convened quarterly or when the number of appeals filed reaches five (5), whichever comes first.
- i) The Appeal Committee will be comprised of two (2) City appointees and one (1) WAPSO appointee.
 - (i) At least one (1) of the City appointees shall neither have been involved in the initial rating for the position under appeal, nor be Human Resources Staff.
 - (ii) Committee members will be allowed reasonable time off with pay to prepare for and to attend meetings of the committees on which they are serving.
 - (iii) No Appeal Committee member shall directly or indirectly supervise the position under review.
- j) The Appeal Committee will give notice of the appeal hearing date to incumbents and Association Representatives, who may appear before the Appeal Committee to present their position or respond to questions of Committee members.
- k) The Appeal Committee will make its decision on the appeal in accordance with the Position Evaluation Manual in force at the time.
- l) All relevant information regarding the Position Evaluation System shall be made available to the Association. This shall include, but not be restricted to the following:
 - 1. factor data sheets;

2. job descriptions and class specifications;
 3. the Position Evaluation Manual in use from time to time pursuant to this Agreement and any procedure documents;
 4. benchmark positions – all relevant information;
 5. all point ratings and any rating documents for all positions rated;
 6. procedures, guidelines or policies followed by the City; and
 7. all relevant information from the appeal process.
- m) An employee who disputes the results of the position evaluation process with respect to the assigned factor ratings may, within fifteen (15) working days of the receipt by the employee of the decision of the Appeal Committee, request the Association to refer the dispute to arbitration. If the Association refers the dispute to arbitration the following will apply:

Nothing in this Article restricts the right of the Association to grieve any issues relating to position evaluation, including the process, any particular position evaluation, and any assigned factor ratings provided that if the Association grieves a specific position evaluation process with respect to the assigned factor ratings, it must use the process described herein.

- (i) The parties to this Agreement shall name at least three (3) arbitrators who shall be appointed in rotation to hear arbitrations respecting the results of the position evaluation process.
- (ii) The Association must notify the applicable arbitrator with a copy to the City of the dispute within twenty (20) working days of the receipt of the employee's request or, if the Association grieves, within thirty-five (35) working days of the receipt of the decision of the Appeal Committee.
- (iii) The arbitrator will schedule a hearing into the dispute and shall require the parties to provide him or her with a written statement of their respective positions and of any facts they can agree upon at least five (5) working days prior to the hearing. All documentary evidence shall be submitted to the arbitrator and the other party, if possible, at least five (5) working days prior to the hearing. Unless the arbitrator determines otherwise, the City and the Association shall each be limited to presenting evidence from two (2) witnesses. The arbitrator shall not admit or consider evidence relating to the ratings or salaries for positions in other City bargaining units or with respect to other employers.
- (iv) The arbitrator shall render his or her decision concerning the disputed factor ratings in accordance with the Position Evaluation Manual in force from time to time. The arbitrator may only render a decision with respect to each factor rating in dispute.
- (v) The arbitrator shall provide a written decision as soon as possible following the hearing. The arbitrator's decision with respect to the dispute

in question shall be final and binding on the City, the Association, and the employee.

- n) The Association shall be invited to participate in any review of the existing Position Evaluation System that the City may conduct. Changes to the existing Position Evaluation Manual can only be made by mutual written agreement between WAPSO and the City.
- o) For all new, revised, and/or bulletined positions, information contained in the Job Description, Class Specification, Factor Data Sheet and Job Bulletin (Posting) for any positions shall be made consistent.

25-2 Treatment of Incumbents

- a) An incumbent whose position is upgraded as a result of the position evaluation process in this Article shall receive:

 - ii) the same salary if his or her current salary is a step in the new range; or
 - iii) the next highest dollar amount in the new range if his or her current salary falls between steps in the new range, effective the beginning of the first full pay period in the month following the receipt by the City of the request for rating.
- b) An incumbent whose position is downgraded, not as a result of his or her request, and whose current salary is above the maximum of the new range for his or her position, as a result of the position evaluation process in this Article shall be classified as "incumbent only" for three (3) years, and red circled thereafter.
- c) An incumbent whose position is downgraded and whose current salary falls within the new range for his or her position as a result of the position evaluation process in this Article shall immediately receive the same, or next highest dollar amount increment in the new range (if his or her current salary falls between increments), effective the beginning of the first full pay period in the month following the receipt by the City of the request for rating.

ARTICLE 26 - SAFETY FOOTWEAR

Where employees covered by the Collective Agreement are required to wear safety footwear, the City agrees to provide an annual payment of one hundred and ten dollars (\$110.00) effective December 17, 2008 to eligible employees. This provision shall apply to incumbents of permanent positions upon date of appointment. All other employees shall become eligible upon completion of nine (9) months of service with the City in a position requiring safety footwear.

This benefit shall be adjusted from time to time during the length of this Collective Agreement so that the benefit received by employees in the WAPSO bargaining unit in a calendar year will be not less favourable than that received by a majority of other civic employees who receive this benefit.

ARTICLE 27 - PENSIONS

27-1 The parties agree to participate in the Winnipeg Civic Employee Benefits Program (the "Program") and to be bound by its terms and conditions, including any applicable trust agreements, plan texts or other governance documents, written policies and guidelines. The Program shall consist of the Winnipeg Civic Employees Pension Plan, the Winnipeg Civic Disability Plan and the Winnipeg Civic Employees Early Retirement Arrangement;

27-2 Any disputes with respect to member benefits under the Program shall not be subject to the grievance and arbitration procedure under this Agreement, but shall be subject to adjudication under the terms of the Program documents and such procedures that the Program Trustees may adopt from time to time, or such procedures as may otherwise be available at law.

ARTICLE 28 - NOTICE OF RESIGNATION OR RETIREMENT

A permanent employee desiring to leave the service of the City shall, unless excused therefrom by the Department Head, give notice thereof in writing **to the Department Head** as follows.

- a) Sixty (60) working days notice, exclusive of vacation time and pre-retirement leave, in the case of a retiring employee. The employee shall have the right to rescind such notice up to the last twenty (20) working days of the notice.
- b) Twenty (20) working days notice, exclusive of vacation time, in the case of a resigning employee.

ARTICLE 29 - LICENCE FEES

The City will compensate any employee in a permanent position who is required to drive a City owned vehicle on City business or any employee who is required to drive his or her own car for City business by paying for the necessary licence fee, excluding any insurance or other charges. Temporary employees with twelve (12) months of service will also be eligible for this benefit.

ARTICLE 30 - RESPECTFUL WORKPLACE

The City of Winnipeg and the Winnipeg Association of Public Service Officers jointly affirm that every employee in the civic service shall be entitled to a respectful and safe workplace. The work environment must be free of behaviours such as discrimination, harassment, disruptive workplace conflict and disrespectful behaviour, and violence in the workplace. The principle of fair treatment is a fundamental one and both the City and the Association will support employees who find themselves in a position that could jeopardize their well-being or undermine work relationships and productivity. In addition, the parties agree that a respectful workplace includes a safe and healthy workplace as defined by the Manitoba Workplace Safety and Health Act.

30-1 Definitions

Although disrespectful behaviour, disruptive workplace conflict and harassment can be defined, in practice they overlap. The following definitions, although not all-inclusive, have been designed to accommodate the different types of concerns that may arise.

- a) Disrespectful behaviour is improper behaviour that would be unwelcome to a reasonable person and inappropriate in the workplace. It may occur once or continue over time. It can include: rude comments and swearing as well as spreading unfounded or misinformed rumours that damage people's reputations, actions that invade privacy or personal property and, display or distribution of printed or electronic material that would offend a reasonable person.
- b) A disrespectful workplace conflict is defined as an ongoing dispute or communication breakdown between two or more individuals that impacts their ability to work productively and cooperatively in the workplace.

Harassment includes: verbal abuse, actions such as touching or pushing, comments such as jokes and name calling, displays such as posters and cartoons or, abuses of power such as threats or coercion.
- d) Among other areas The Manitoba Human Rights Code prohibits harassment and discrimination related to the following characteristics: ancestry, race, ethnic or national origin, nationality, political belief, family status, sex, including pregnancy, age, marital status, sexual orientation, source of income, and physical or mental disability.
- e) The parties agree that there shall be no discrimination or harassment as defined by the Manitoba Human Rights Code. The parties further agree that there shall be no discrimination or harassment on the basis of place of residence and membership or activity in the Association.
- f) Workplace violence is a threat that may include but is not limited to any act, gesture or statement that may reasonably be interpreted as threatening or potentially violent. A violent act is an intentional act that could reasonably be expected to cause physical harm to a person or to damage property.

The rate for annual kilometres in excess of five thousand (5,000) will be set five cents (5¢) below the rate for the first five thousand (5,000) kilometres unless the resulting rate exceeds the maximum allowed by CRA in which case the CRA maximum shall be payable. Automobile allowance rates will be updated in accordance with CRA rates and applied January 1 of every year.

ARTICLE 32 – STANDBY PAY – Effective September 8, 2013

- a) **Standby time is defined as a time expressly authorized in writing by the Department Head and outside an employee's regularly scheduled shift(s) during which an employee is required to be available to respond to an operational matter in an appropriate manner. It is understood and agreed that employees may from time to time receive phone calls outside of normal working hours. This does not trigger the standby provisions.**
- b) **The requirement for standby is determined by the Department Head at his/her discretion.**
- c) **When an employee has been directed to be on standby, the following shall apply:**
 - i) **An employee designated for standby duty shall be available to respond as soon as possible to an operational matter at all times during the standby period assigned, in a condition appropriate for work;**

SCHEDULE B of the Collective Agreement between the City of Winnipeg and the Winnipeg Association of Public Service Officers.

LETTER OF UNDERSTANDING: RECRUITMENT AND RETENTION

The City of Winnipeg and the Winnipeg Association of Public Service Officers (WAPSO) agree that the provision of effective public services is dependent on the City's ability to recruit and retain critical skills in an employee driven market.

The parties further agree that maintaining critical organizational skills will require effective recruitment and retention strategies. Such strategies may include efforts to recruit or retain specific individual skill sets or broader efforts to address professional classifications where there is significant risk and impact of loss.

The parties agree the City may rely on one or more of the initiatives included herein as part of its recruitment and retention strategy.

1. Placement on Salary Scale

The parties acknowledge that in accordance with its Policy, the City retains the right to place a newly hired or promoted employee on any step of the applicable scale for the Grade. Any increase given upon promotion shall result in but not be limited to a minimum increase of five percent (5%).

Further, in the case of employees hired from outside the civic service, the City may grant vacation and sick leave credits as may be necessary to attract and recruit new employees to the civic service. Additionally, the City may waive waiting periods for commencement of benefits for employees hired from outside the civic workforce.

2. Accelerated Progression

The City may accelerate the progression of an employee on the salary scale for his or her grade beyond the step progression contemplated by the Collective Agreement. Where such accelerated progression is implemented, WAPSO shall be notified.

3. Special Market Adjustments

Where the City has experienced difficulties in retaining and recruiting employees within a category of employees with particular skill or qualification, it shall provide WAPSO with notice to discuss the implementation of a special adjustment. The notice shall include available recruitment data and market information. Any available market information shall be compared to Step 21 of the Grade(s) under consideration.

The City may implement an adjustment for a category of employees (technical or professional group) subject to the following conditions:

- The City shall discuss the rationale for the adjustment with WAPSO and shall provide available recruitment, retention and market comparison information.

- The City shall consult WAPSO on the appropriate adjustment under the circumstances and shall give due consideration to any information or feedback from WAPSO.
- Any adjustment, if applied, shall remain in effect for a period of up to two (2) years.
- Prior to the expiry of the adjustment period, the parties shall review the continuance of the market adjustment subject to the same considerations based on available recruitment and market data.
- The City shall act fairly and reasonably and shall not be arbitrary in considering and applying market adjustments and shall only do so following discussion and consultation with WAPSO.

4. Individual Adjustments

The City may apply an adjustment in individual cases where the specific skills and experience of an employee are deemed critical. Such adjustments would most often be considered for employees who are not subject to accelerated advancement in accordance with Part 2 herein. Prior to extending a special adjustment to any individual employee, the City shall provide its rationale to WAPSO. Individual adjustments shall be subject to consent of WAPSO which shall not be unreasonably delayed or withheld.

It is understood and agreed that the City may undertake a review of all conditions of employment relating to licenses and accreditations and, at its sole discretion, may delete such requirements from job specifications and job descriptions. Deletion of such requirements shall be deemed to be effective when the City provides the Association written notice specifying the job classification affected and the license or other accreditation that is no longer considered a condition of employment. It is understood that the City shall not exercise its discretion in an arbitrary, discriminatory or unfair manner.

These days are to be taken in the calendar year in which they are granted and cannot be accumulated. The time at which these days are to be taken will be at the discretion of the Department Head. If the number of months worked by an employee during the calendar year is less than twelve (12) months, then the five (5) days shall be reduced proportionately to the number of months worked, calculated to the nearest half (½) day.

SCHEDULE E of the Collective Agreement between the City of Winnipeg and the Winnipeg Association of Public Service Officers

LETTER OF UNDERSTANDING: NOTICE OF CHANGE TO POSITION QUALIFICATIONS

Inasmuch as the pre-planning of changes to position qualifications would provide an opportunity for employees to upgrade their qualifications prior to the posting of a bulletin, where the required qualifications for existing positions covered by this Agreement are to be changed, the City agrees to give to the Association, so far in advance as is practicable, notice, in writing, of the proposed changes. Notwithstanding the foregoing, this shall not preclude the City from making changes upon short notice where circumstances require it.

A Joint Committee comprised of an equal number of representatives of the City and Association shall meet during the term of this Agreement to review the status of persons employed as Interns, their positions and the nature of work to be performed under the Program. The Joint Committee shall review the Program and make recommendations to the City prior to renewal of the Program thereafter.

The purpose of the Program is to provide meaningful training and development opportunities for various groups including recent graduates of recognized post secondary programs. It is hereby agreed that:

- The work to be performed by interns is additional to the work regularly performed by members of the Association.
- It will not result in any reduction in the number of WAPSO rated positions.
- Such work necessarily involves a significantly lower level of responsibility than that required in the performance of current WAPSO rated work.
- The intern rate of pay shall be sixty-five percent (65%) of the lowest rate provided in the WAPSO Collective Agreement in the first year of employment and seventy percent (70%) in the second year.

- Notwithstanding the preceding, any member of the Association may grieve according to Article 15 of the Collective Agreement, any matter relating to this Program.

DATED THIS 9^h DAY OF JANUARY, 2004

SCHEDULE H of the Collective Agreement between the City of Winnipeg and the Winnipeg Association of Public Service Officers

LETTER OF UNDERSTANDING: REDUCTION IN STAFFING LEVELS

When a position within the WAPSO bargaining unit is eliminated, is planned to be eliminated, or is or will not be funded by the City, such as that a reduction in staffing levels in the WAPSO bargaining unit may occur, the City agrees to do all that it is reasonably able to do to avoid a declaration of redundancy of employees in the Association's bargaining unit, including wherever reasonably possible, accommodating it through attrition, and including the steps outlined below.

1. Notice of Proposed Elimination or Non-Funding of Position(s) to Be Provided to WAPSO

The City shall notify WAPSO of any proposal to eliminate or not to fund a position that might result in a reduction in staffing levels, specifying job title, number of employees, and the reasons for which the positions are being eliminated. Such notice shall be given at least forty-five (45) working days prior to the proposed implementation, and no elimination of any position or reduction in staffing levels, and/or notice under Section 4, can take place until this notice provision has been complied with. The Joint Alternative Employment Committee created in Section 2 of this Letter of Agreement may, by majority decision, extend the notice period by a maximum of fifteen (15) further working days.

2. Joint Alternative Employment Process

The City and WAPSO have established a Joint Alternative Employment Committee, comprised of three (3) representatives from WAPSO (which may include WAPSO staff) and three (3) representatives from the City. The Committee may examine all reasonable alternatives to reductions in staffing levels and may recommend to the City within the notice period actions such as:

- Voluntary early retirement or voluntary termination of the affected employee with or without incentives.
- Reassignment of an affected employee to a vacant position for which the employee is reasonably suited, or can reasonably be trained within a short period of time, and provision of appropriate training.
- Creation of a vacancy to which an affected employee may be reassigned as above, through such methods as:
 - voluntary redeployment without loss of pay or benefits;
 - voluntary early retirement with or without incentives;
 - voluntary termination with or without incentives.
- Provision of career counselling and alternative career planning services for an affected employee.
- Retraining of an affected employee to facilitate reassignment to a vacant position, or an anticipated vacancy, where the training can be accomplished

within one (1) year, and where the employee undertakes to remain in the employ of the City for a minimum of two (2) years upon completion of the training.

The City agrees to provide to the Committee the information the Committee requires to perform its function, including a list of any employees engaged by the City into a WAPSO position who have come from outside the Civic Service within the previous twelve (12) months.

The City agrees that WAPSO will be given reasonable notice of, and may be present at, any and all meetings with any individual employee where any of the above matters are discussed. Notwithstanding the above, the City need not give notice to WAPSO of any meeting held with an employee or employees to inquire on a strictly preliminary basis as to initial interest in pursuing any one (1) of the above options.

Any incentives offered to an employee over and above that provided by this Agreement require the consent of WAPSO, which will not be unreasonably withheld.

3. Conditions of Reassignment or Appointment

a) When an employee whose position is being eliminated is offered and accepts reassignment to a position with a lower salary grade, and WAPSO waives the posting of that position, the employee shall be reassigned on an "incumbent only" basis for three (3) years, and red circled thereafter. The effective date of the "incumbent only" status shall be the date upon which the incumbent is assigned the duties and responsibilities of the new position. An employee accepting reassignment to a position with the same salary grade shall be placed at the same step within that grade, and with the same annual increment date.

b) Notwithstanding any other provision of this Collective Agreement, the City has the right to reassign a WAPSO rated employee, whose position has been eliminated, to a vacant WAPSO position that has been rated and is in the same salary grade, and for which the employee is reasonably suited or can reasonably be trained within a short period of time, at no less than the same step within that grade, and with the same annual increment date. In such circumstances, the employee has no right to refuse that reassignment and WAPSO shall waive the posting of that position.

If, within six (6) months of appointment or reassignment, the employee is subsequently found to be unsuitable for that position, then the employee's position will be deemed "about to be eliminated" such that the normal processes, rights and obligations set out in this Letter of Agreement apply.

c) Article 11-2(a) applies to an employee whose position is being eliminated and who either is offered and accepts reassignment or who applies for and obtains a posted position. In such case, since the original position was eliminated, this right means that the employee can access the normal processes, rights and obligations set out in this Letter of Agreement.

4. Severance Package for Redundant Employees

If the City, after having considered the recommendations (if any) of the Committee, decides that it is necessary to reduce staffing levels in the WAPSO bargaining unit, an employee may be declared redundant subject to the following.

- Forty-five (45) working days notice of termination, or payment in lieu thereof, shall be provided to the employee, in writing, a copy to be provided to the Association. The said notice must run consecutively following the expiry of the notice period required in Section 1, notwithstanding the date on which the City decides to declare the employee redundant. The notice period, but not the payment in lieu thereof, may be extended by mutual agreement.
- Where an employee expresses an interest in pursuing other employment, the employee shall be provided at his or her option with reasonable relocation consulting services.
- Severance pay in addition to the forty-five (45) working days notice (and in addition to any other payable benefits under this Collective Agreement) shall be provided to the employee based on the rate applicable on the date the employee ceases to be employed by the City in the following amount.
 - An employee will receive three (3) weeks pay for each year of employment to a maximum of fifty-four (54) weeks.
 - In addition to the above, an employee within ten (10) years of eligibility for pension (either by virtue of age or years of service, whichever is closest), will receive a prorated sick pay cash out payment based on the formula of $\{[11 - (\text{years from eligibility})] \text{ divided by } 10\}$ multiplied by sick pay cash out (computed according to the formula in existence at the time of the declaration of redundancy) provided they are eligible for payment of unused sick leave credits pursuant to Article 7-15, otherwise they are eligible for payment of severance payments pursuant to Article 7-16 of this Agreement.
 - At the employee's option, severance pay may be broken into two (2) payments paid so as to maximize, within the law, the employee's tax treatment, provided the payment period does not exceed thirteen (13) months.
 - The employee will receive Dental and Vision Care coverage from the City for a period of three (3) years from the actual date of termination.

5. Rights Relating to Vacancies After Declaration of Redundancy

Employees declared redundant as a result of elimination of their position shall be eligible to apply and be considered for vacancies within the WAPSO bargaining unit for a period of twelve (12) months beyond the date the employee ceased to be employed by the City. Such applicants will be considered in advance of other external candidates.

In the event such an applicant is re-employed in a vacancy posted within that twelve (12) month period, he or she will be considered as a new employee for all purposes except for those listed below:

- **Probation:**
A returning employee will be required to serve the normal probation period unless he or she returns to a similar position in the department where he or she was previously employed.
- **Rate of Pay:**
Will be assigned as to any new employee, unless the employee is hired into the same or similar position in the department where he or she was previously employed.
- **Rate of Vacation Accumulation:**
For purposes of vacation accumulation, the employee's severance shall be treated as an unpaid leave of absence.
- **Eligibility for Dental and Vision Care:**
For purposes of eligibility for Dental and Vision Care, the employee's severance shall be treated as an unpaid leave of absence.
- **Sick Leave:**
Sick leave accumulation will continue as if the employee had been on an unpaid leave of absence. The amount of sick leave credit will be adjusted to reflect any cash out received by the employee under Section 4 of this Letter such that credits used to produce said cash out will be no longer available.
- **Various Leaves:**
For entitlement to bereavement, funeral, maternity and parental leaves, the employee's severance shall be treated as an unpaid leave of absence.
- **Long Service Recognition Bonus:**
For entitlement to the long service recognition bonus, the employee's severance shall be treated as an unpaid leave of absence.

6. City Retains Right to Determine Size of Workforce

Nothing in this Letter of Agreement is intended to limit the City's right to determine the size of the workforce, nor shall any terms of this Letter have any bearing on the termination of an employee for cause.

7. Letter of Agreement Forms Part of Collective Agreement

This Letter of Agreement forms part and parcel of the Collective Agreement between the parties in force from time to time.

AND WHEREAS this Letter of Understanding shall be amended as required to reflect any changes to the Labour Relations Act or any other legislation that affects the rights of the employees and/or the rights of the employer in the event of a strike by another civic union;

AND WHEREAS the parties agree that this preamble will be part of and incorporated into the Letter of Understanding.

The parties hereto agree to the following:

1. Definitions

For the purposes of this document, the word strike shall mean a work stoppage, threat of a work stoppage, lockout or threat of a lockout, involving employees represented by another civic union. Further "reassignment" shall mean job assignment to striking bargaining unit work (in whole or in part) while "redeployment" shall mean job assignment to work other than striking bargaining unit work.

2. Return to Work After a Strike

All WAPSO members shall return to their regular jobs once normal operations have resumed after a strike.

3. No Lay Off for Positions Continuing During a Strike

In the event of a strike by another civic union, no WAPSO employee will be laid off in the City's determination the duties and responsibilities of his or her position continues during a strike.

4. Canvass for Volunteers for Reassignment

Where, in the City's determination, the employee's duties and responsibilities do not continue, WAPSO agrees that the City shall ask these employees if they object or not to performing the work of striking employees. Where any employee is prepared to accept suitable alternate duties performing essential services as determined and assigned by the City which may involve the work of striking employees, such employee shall be so reassigned. For planning purposes in this regard, the City, in consultation/discussion with WAPSO, will develop a "Volunteer Reassignment Form" which will request information relative to skills and experience.

In addition, where health/medical information is required to ensure that reassignments/redeployments are appropriate and do not endanger individual health and safety, the City, in consultation/discussion with WAPSO will develop a separate form for this purpose. This form will be kept separate from the "Volunteer Reassignment Form" and will be sent directly by the employee to Occupational Safety and Health (OSH) where the information contained thereon will be kept confidential.

When OSH advises a Department that an employee is restricted from specific jobs because of a medical condition, the Department will only be notified of the restriction(s) – not the medical condition which justifies the restriction(s).

The City will use information from the health/medical information for the purposes of the strike only and when the strike is over all such information and forms will be destroyed.

5. Essential Services

An illustrative, but not necessarily all inclusive, list of essential services appears at the end of this Schedule.

6. Reassignment/Redeployment

The City will endeavour to redeploy and/or reassign employees to areas of work which do not exceed their expertise or capabilities. Such redeployment/reassignment will be communicated to individual employees with as much advance notice as possible.

The City agrees to consult with employees so far as possible and practical regarding the position to which they will be redeployed and/or reassigned.

In the event an employee believes that the reassigned work places him or her "at risk" with respect to health and safety, he or she may pursue the matter to the Occupational Safety and Health Division for review and determination.

Any concerns related to this Item #6 may be referred to the Management Relations Committee.

7. Advance Training

Insofar as practical, the City agrees to provide advance training to employees regarding the duties, responsibilities and safety in alternate positions.

8. Benefits During Lay Off

Employees on lay off will have the following benefits continue provided the employee(s), or WAPSO on their behalf pays all costs/premiums with respect to those benefits:

In addition any benefits accumulated up to the date of lay off (e.g. pension, vacations, service credits) will be maintained at the level attained at the date of lay off but will not accumulate during the lay off.

9. Working Conditions During a Strike

For employees who continue to work and whose working conditions are adversely affected, all the terms and conditions of the City/WAPSO Collective Agreement apply except where modified herein. The modifications contained in this Letter of Understanding are provided in recognition of the stressful working conditions which normally arise during a strike.

10. Reporting Relationship

During a strike, an employee who is reassigned or redeployed shall be under the direction and control of the Department Head (or designate) of the area to which he or she has been reassigned or redeployed.

SCHEDULE K of the Collective Agreement between the City of Winnipeg and the Winnipeg Association of Public Service Officers

LETTER OF UNDERSTANDING: DEFINITION OF SERVICE

Certain changes have been made to the wording of the new Collective Agreement with respect to the definition of “service” and the usage of that term to measure entitlement to certain benefits.

This will confirm that these changes were made solely and specifically as a consequence of the need to put into contract language certain parts of the Memorandum of Agreement dated May 5, 1992 between the City and WAPSO, namely, Appointments and Promotions, and the footnote thereto, on Page 3, and Article 14-4, and the footnote thereto, on Page 4.

The parties recognize and acknowledge that if there is any incidental or as yet unknown effect of the working changes referred to above, such effect is not intended and should be of no force and effect. In particular, without limiting the generality of the foregoing, the parties agree that where by virtue of the City’s practice, absence from work on Workers’ Compensation affected a particular entitlement by virtue of affecting a period of “service” or a period “served”, such practice will continue.

AGREED THIS DATE: JUNE 9, 1992

SCHEDULE L of the Collective Agreement between the City of Winnipeg and the Winnipeg Association of Public Service Officers

Individual members may make application to the Department for consideration of funding. It is understood that the Department shall not unreasonably withhold such agreement.

In cases where employees work less than the equivalent of full time annual hours as defined by the Agreement, the maximum overtime limit shall be prorated to the nearest number of full time months of service.

Pursuant to this Letter of Understanding, no additional compensation, monetary or otherwise, shall be required for the first one hundred (100) hours of overtime worked in any calendar year by any employee covered by this Agreement.

This Letter of Understanding shall not be construed to mean that employees covered by this Agreement have an absolute requirement to work any predetermined number of overtime hours on a calendar year basis but as an extension of the Letter of Understanding: Managerial Recognition whereby it is understood that the nature of and the responsibilities of the positions within the scope of this Agreement may involve variable work schedules and additional work hours.
