BETWEEN

**THE CITY OF WINNIPEG**

(hereinafter referred to as the "City")

OF THE FIRST PART

- and -

**THE WINNIPEG FIRE PARAMEDIC  
SENIOR OFFICERS' ASSOCIATION**

(hereinafter referred to as the "Association")

OF THE SECOND PART

**PREAMBLE:**

WHEREAS it is the desire of both parties to this Agreement to recognize their mutual obligation to provide the best possible quality of ambulance service in the City of Winnipeg and to maintain harmonious relationships between the City and its employees; and to recognize the value of joint discussion and negotiation in matters relating to working conditions and to provide an amicable method of settling any differences or grievances which may possibly arise between the parties hereto without stoppage of work or interruption of service to the public;

AND WHEREAS the City and the Association have agreed to enter into a collective agreement containing the following terms and conditions of employment;

NOW THEREFORE the City and the Association agree as follows:

**ARTICLE 1 – RECOGNITION**

- 1.01** This Agreement is entered into between the City of Winnipeg (hereinafter referred to as "the City") and the Winnipeg Fire Paramedic Senior Officers' Association (hereinafter referred to as "the Association"). The Association shall be the exclusive and full bargaining agent for all employees of the EMS Division of the Winnipeg Fire Paramedic Services Department (hereinafter referred to as "the Department") who are Supervisors, Assistant Supervisors, and Training Officers.
- 1.02** In this Agreement, the words "the Department" and "the Service" may be used interchangeably to refer to the Winnipeg Fire Paramedic Service.
- 1.03** Plural or Feminine Terms – whenever the singular or masculine is used in this Agreement, it shall be considered as if plural or feminine has been used where the context of the party or parties hereto so require.

## **ARTICLE 2 – MANAGEMENT RIGHTS**

- 2.01** The Association and employees within the Association recognize and acknowledge that it is the exclusive function of the Department to:
- a) maintain order, discipline and efficiency;
  - b) hire, discharge, direct, classify, transfer, promote, demote and suspend or otherwise discipline any employee within the Association provided that a claim for discriminatory promotion, demotion or transfer or a claim that an employee has been discharged or disciplined, without just cause, may be the subject of a grievance and dealt with as hereinafter provided; and
  - c) generally to manage the operation and undertakings of the Department and, without restricting the generality of the foregoing, to select, install and require the operation of any equipment and clothing and machinery which the Department deems necessary for the efficient and economical carrying out of the operations and undertakings of the Department.
- 2.02** The City agrees that it will not exercise any of the functions set out in Clause 2.01 in a manner inconsistent with the provisions of this Agreement.

## **ARTICLE 3- ASSOCIATION SECURITY**

- 3.01** Except as otherwise hereinafter provided, all employees covered by this Collective Agreement, as defined in Article 1 – Recognition, shall, as a condition of employment, become and remain members in good standing of the Association. In the case of present employees covered by this Agreement who are not members of the Association, such employees shall have thirty (30) days following the signing of this Agreement to become members. In the case of new employees hired after the effective date of this Agreement, such employees shall have thirty (30) days following the date of hiring to become a member of the Association. The Association agrees that it will not unreasonably deny membership in the Association to any employee who makes application therefore.
- 3.02** The City agrees to deduct regular Association dues, or the equivalent, from all permanent and temporary bargaining unit employees from the first pay period of each month.
- 3.03** The amount of dues deducted, accompanied by a statement of deductions from individuals, shall be remitted to the Secretary of the Association within fifteen (15) days after the aforementioned deductions are made.
- 3.04** The Association shall notify the City, in writing, of any changes in the amount of membership dues at least one (1) month in advance of the end of the pay period in which the deductions are to be made.
- 3.05** In consideration of the premises, and of the employer making the compulsory check off of Association dues as herein provided, the Association agrees to and does hereby indemnify and save the City harmless from all claims, demands, actions and proceedings of any kind and from all costs which may arise or be taken against the

Employer by reason of the Employer making the compulsory check off of Association dues provided for in this Article.

#### **ARTICLE 4 – JOB SECURITY**

**4.01** No other employees of the Department shall perform any regularly scheduled work that is normally performed by those persons in the bargaining unit, except in any of the following circumstances:

- a) Positions may be filled on an “acting” basis without a bulletin for a period not normally to exceed six (6) months. Where such an acting appointment does exceed six (6) months and where the City has good reason to believe that the situation will continue beyond a further **three (3)** months, the vacancy shall be bulletined. The City will do all that it is reasonably able to do to keep any extensions of the first six (6) months to a minimum.
- b) Where a casual and unpredicted vacancy occurs as a result of a WFPSOA member booking off due to illness or other leave. In such instances, the following general rules shall apply:
  - i) If the total number of available WFPSOA members and members from MGEU and CUPE exceeds the number necessary to fill required positions, a qualified member from MGEU or CUPE, if available, will be moved up to fill the vacancy on an acting basis.
  - ii) If there are no qualified MGEU or CUPE members available, then a WFPSOA member shall be called in on overtime to fill the vacancy.
  - iii) If the total number of available WFPSOA members and members from MGEU and CUPE does not exceed the number necessary to fill required positions, then a WFPSOA member shall be called in on overtime to fill the vacancy.
  - iv) When a casual vacancy occurs in a position in the MGEU or CUPE bargaining unit and the total number of available WFPSOA members and members from MGEU and CUPE does not exceed the number necessary to fill required positions, a member from MGEU or CUPE shall be called in to fill the vacancy, and any member from MGEU or CUPE scheduled to act in a WFPSOA position shall remain in that position.
  - v) When a casual vacancy occurs in a position in the MGEU or CUPE bargaining unit and the total number of available WFPSOA members and members from MGEU and CUPE does not exceed the number necessary to fill required positions, but no member from MGEU or CUPE is available for overtime, any member from MGEU or CUPE acting in a WFPSOA position will be returned to their position and a WFPSOA member shall be called in on overtime.
- c) Non-bargaining unit employees may be placed in bargaining unit positions or otherwise assigned to perform bargaining unit work in order to address specific training requirements for the Department or where such experience may be

necessary for current or future licensure or accreditation requirements provided the working hours of the Bargaining Unit members are not affected.

#### **ARTICLE 5 – ASSOCIATION REPRESENTATION**

- 5.01** The Association shall name a Grievance Committee of not more than two (2) members who shall be employees of the City covered by this Agreement. The Association agrees to advise the City, in writing, of the names of the Committee members and the City shall be obliged to recognize only those persons of whom it has been so notified.
- 5.02** The Association shall designate, and the City shall recognize, two (2) members who are employees of the City covered by this Agreement and they shall constitute a Negotiation Committee. The function of such a Committee shall be to meet with the City Representatives for the purpose of negotiating amendments or a renewal of this Collective Agreement.
- 5.03** The parties agree to establish a committee consisting of three (3) representatives of the Association and the Senior Management of the Department to meet on an as required basis to discuss operational matters of mutual interest.
- 5.04** It is agreed that the Association Committee members have regular duties to perform in connection with their Association function; for the purposes of negotiations, attending to and processing grievances. Reasonable time off from regular duty shall be provided for such functions without loss of pay.

#### **ARTICLE 6 – GRIEVANCE PROCEDURE**

- 6.01** An employee covered by this Agreement who considers that he has been unjustly dealt with shall have the right to use the following grievance procedure. In so doing, the parties agree, and it is understood, that it is always preferable that employer-employee differences be resolved directly between the employee and his supervisor. Where that is not possible, the problem solving and grievance procedure is intended to provide a process of resolution that is positive and constructive. The problem solving and grievance process outlined hereafter is an extension of that process and is intended to resolve differences in an expeditious manner so far as possible. In keeping with that intent, the parties agree to disclose and exchange all particulars and information, excluding internal privileged documents, respecting the matters of the issue, throughout the process and at all times as early as possible to promote settlement at the earliest possible stage.

##### **STEP 1: Informal Resolution**

An employee who believes that he/she has a grievance shall take the matter up with the Association, which may discuss the matter with the said employee's immediate Supervisor within fifteen (15) calendar days of the occurrence giving rise to the said grievance. The Grievor shall be entitled to be present at such discussion if he/she so desires.

The parties will approach the resolution of grievances in a problem solving manner. For that purpose, any discussions and/or resolution of the grievance at this stage will be "without prejudice" to either party and will not be used and/or relied on by the parties at

subsequent steps of the grievance process and/or at other grievance proceedings between the Association and the City. To that end, the Supervisor shall consult as he or she deems necessary and shall render his or her decision within seven (7) calendar days of such consultation.

It is understood that if the Supervisor is another member of the Association, then the matter shall be raised with the next higher officer who is not a member of the bargaining unit. The Chief shall not designate a member of the bargaining unit to hear grievances or disciplinary proceedings involving other members of the Association.

**STEP 2: Referral to the Chief of Winnipeg Fire Paramedic Service**

In the event that the Supervisor's decision is not satisfactory to the Association, the Association may refer the grievance, in writing, to the Chief within seven (7) calendar days of receiving the decision pursuant to the Step 1 Meeting.

The Chief or his designate, upon receiving the grievance from the Association, shall hear and consider representations of the Association within fifteen (15) calendar days or at the next scheduled Labour Management Committee Meeting if agreed to by the parties (the "Step 2 Meeting"), and shall render a decision on the matter in writing to the Association within seven (7) calendar days of the Step 2 Meeting.

The decision of any person designated to hear a Step 2 grievance shall be deemed to be the decision of the Chief.

**STEP 3: Referral to Arbitration**

The parties agree that where satisfactory settlement is not reached in Step 2, the grievance may be processed further either under Step 3-A or under Step 3-B.

**Step 3-A**

The parties agree, that for the purposes of expediting the final resolution of grievances, they may rely on the following procedures, or on the expedited arbitration procedures of the Labour Relations Act.

- a) Failing satisfactory settlement of the grievance, either party may, within forty (40) days from the date the decision pursuant to the hearing at Step 2 of Article 6, refer the grievance to arbitration. The party making such referral shall notify the other party by registered mail or by any other agreeable method.
- b) Where arbitration is proceeded with on an expedited basis in accordance with this Article, the parties agree to the use of a single arbitrator who shall be selected by mutual consent. In the event the parties cannot agree on a single arbitrator within twenty (20) working days, the arbitration will revert to a three (3) person board in accordance with Article 8.

**Step 3-B**

Failing satisfactory settlement being reached in Step 2, the Association shall, within forty (40) calendar days from the date the decision pursuant to the hearing at Step 2 of Article 6, refer the grievance to arbitration in accordance with Article 8.

- 6.02** The time limits specified within this Article may be varied by the mutual consent of the parties

**ARTICLE 7 – DISMISSAL AND SUSPENSION**

- 7.01** The City may discharge or discipline any employee provided there is sufficient and just cause. A claim by an employee that he has been discharged or suspended without sufficient and just cause shall be treated as a grievance and filed in accordance with Article 7.04. In all cases of discipline or discharge the Service shall provide reasons, in writing, for such discharge or suspension to the employee and the Association prior to the commencement of the suspension or discharge.

- 7.02** An employee, who has been suspended or dismissed while on duty, shall have the right to meet with an Association representative prior to leaving the Department's premises.

- 7.03** An employee may be held out of service with pay pending an investigation. If disciplinary action is contemplated, he will be so informed and he can meet with the Fire and Paramedic Chief or designate in the presence of an Association representative.

The Service shall take all reasonable steps to conduct the investigation expeditiously and to avoid any undue delays in completing such investigations.

- 7.04** A claim by an employee that he has been discharged or suspended without sufficient and just cause shall be treated as a grievance and a written statement of such grievance signed by the employee shall be filed as follows:

- a) If a hearing was conducted prior to the employee being discharged or suspended, the matter will be referred to arbitration and the parties shall follow the process set out in Step 3 of Article 6.01. Such a hearing need not take any particular form so long as the employee is provided with an opportunity to respond to any allegations which lead to the discipline. Any such grievance must be filed within forty (40) calendar days of the effective date of suspension or discharge.
- b) if a hearing was not conducted prior to the employee being discharged or suspended, the matter will be referred to the Fire and Paramedic Chief as in Step 2 of Article 6.01.

Such grievances may be settled:

- a) by confirming management's actions; or
- b) by reinstating the employee with full compensation for lost earnings and benefits; or

- c) by any other arrangement which is just and equitable in the opinion of the parties, or single arbitrator, or board of arbitration.

**7.05** If a period of thirty (30) months has passed since disciplinary action has been taken against an employee (i.e. contact report, suspension, etc.) and no further occurrence of this nature has been recorded, the employee will be allowed to present his reasons wishing removal of same, in writing, to the Chief or his designate. The Chief or his designate will provide a decision, in writing, within forty (40) calendar days.

## **ARTICLE 8 – ARBITRATION**

**8.01** The party who wishes to submit a matter to arbitration shall notify the other party of intentions to do so within the time limits so specified in Article 6.01

The parties at this stage may agree upon a single arbitrator where mutually acceptable, otherwise the party initiating the arbitration shall notify the other party of the name of its Nominee to a Board of Arbitration.

**8.02** The party, when receiving a notice, shall, within five (5) working days thereafter, notify the other party of its Nominee to a Board of Arbitration.

**8.03** The City and the Association Nominees shall, within five (5) working days of the last appointment, meet in an attempt to select a neutral Chairperson.

**8.04** If the Association and the City Nominees are unable to reach an agreement on the selection of a Chairperson, within a further five (5) day work period, they will submit a request to the Minister of Labour for the Province of Manitoba to appoint a Chairperson.

**8.05** The parties hereto shall each bear the costs of their own Nominee and fifty percent (50%) of the costs of the Chairperson.

**8.06** The Arbitration Board or Single Arbitrator shall not be empowered to change, by its decision, any provisions of this Agreement or to set provisions of a new agreement.

**8.07** After the Single Arbitrator has been agreed upon or an Arbitration Board has been formed, by the foregoing procedure, it shall meet and hear evidence of both sides and render its decision as soon as possible after completion of and taking of evidence, and its decision or the decision of the majority of the Board shall be final and binding upon the employee, the Association and the City.

## **ARTICLE 9 – STRIKES AND LOCK OUTS**

**9.01** In view of the orderly procedure established herein for the disposition of employee's complaints and grievances, the City agrees that there shall be no lock out and the Association agrees that there shall be no strike, slow down or other stoppage of work during the term of this Agreement.

## **ARTICLE 10 – SPECIFIC PERFORMANCE AND PRESENT WORKING CONDITIONS**

**10.01** The waiver of any of the provisions of this Agreement or the breach of any of its provisions by either party shall not constitute a precedent for any further waiver or for the enforcement of any breach.

## **ARTICLE 11 – PROBATION**

**11.01** Any employee engaged by the Winnipeg Fire Paramedic Service into a WFPSOA position, who comes from outside the Civic Service shall serve a probationary period of twelve (12) months. A Probationary Employee may be terminated at the discretion of the Chief provided such termination is not done in an arbitrary or discriminatory manner and only the question of whether it was done in an arbitrary or discriminatory manner may be grieved or arbitrated under this Collective Agreement.

An employee promoted within the Department or hired from within the Civic workforce shall serve a six (6) month probationary period, and if permitted by the applicable Collective Agreement, shall retain seniority rights in the position he held immediately prior to such promotion for a period of six (6) months. Such employees may be returned to their former position at the discretion of the Service, or at the request of the employee without loss of seniority provided the Collective Agreement governing the previous position permits such return.

**11.02** No employee covered by this Agreement shall be required to serve more than one (1) probationary period.

**11.03** All employees shall be designated as probationary employees during the first six (6) months of their employment and, notwithstanding any other provisions of this Agreement, the City shall have the exclusive right to discharge probationary employees within the first six (6) months of their employment.

Such positions shall include temporary assignments during periods of transition and change where upon completion of the assignment, the employee shall retain a right to return to his former or equivalent position.

Where the Service engages temporary employees, it may consider recommendations from the Labour Management Committee in determining whether a temporary position is to be continued, deleted or made permanent.

**g) Part-time Employee**

Means a Temporary employee who is required to work on a regularly scheduled basis but as a rule less than forty (40) hours per week and who has completed a twelve (12) month probationary period if hired from outside the Civic workforce and six (6) months if hired from within the Civic workforce.

**12.02** A new employee shall acquire seniority status after he has completed the probationary period as may be applicable in his case. After completing the probationary period such an employee shall be regarded as a permanent employee and the Winnipeg Fire Paramedic Service shall calculate his seniority from the date of hire with the Service or its predecessors.

Predecessors shall be any ambulance service operating within the City limits of Winnipeg who was prevented from continuing business as a result of By-Law No. 995-75, passed by City of Winnipeg Council.

**12.03** When two (2) or more employees are hired on the same day their position on the Seniority List shall be determined by the alphabetical sequence of the employee's surname at the time of entry into the bargaining unit.

**12.04** A Seniority List, prepared by the Department, shall be given to the Association Committee Chairperson showing for each employee listed thereon, his name, classification and seniority dates.

- 12.05** Such Seniority List will be brought up to date on August 1<sup>st</sup> of each year. Each employee will be permitted a period of thirty (30) days after posting of the lists in which to protest in writing to the Fire and Paramedic Chief or designate any omission or incorrect posting affecting his seniority.
- 12.06** An employee on vacation, leave of absence or sick leave at the time of the posting of the seniority lists may protest within fifteen (15) days after his return to work or thirty (30) days from date of posting, whichever is greater.
- 12.07** Employees who have resigned or who are discharged for cause shall forfeit all seniority rights.
- 12.08** A proper notation will be made on seniority lists showing employees on leave of absence, laid off or other positions where they retain their seniority rights under the provision of this Agreement.
- 12.09** Employees transferred to positions outside the bargaining unit within the Department shall retain their seniority status, but shall not accrue additional seniority in their former classification while employed outside the bargaining unit for a period not to exceed one (1) year. Such employee shall only be allowed to exercise his seniority provided his return to his former occupation does not create a layoff of the existing bargaining unit employees. An employee transferred out of the bargaining unit in excess of one (1) year shall lose all seniority.
- 12.10** In the event of a lay off the employees that are declared redundant and the Association Committee shall be given thirty (30) working days advance notice in writing.
- 12.11** For the purpose of lay off (meaning herein and elsewhere in this Article lay off from employment or transfer due to lack of work) an employee shall exercise his seniority as follows:
- a) The least senior employee in the classification shall be the first laid off or transferred.
  - b) An employee declared surplus in his classification may displace a less senior employee in another classification provided he is qualified to perform the work.
  - c) An employee given notice of lay off may elect not to exercise his rights defined in Paragraph (b) above but to accept lay off and retain seniority only in his lay off classification.
- 12.12** If the Service increases the number of staff in positions covered by this Agreement while employees are on lay off, it shall recall the laid off employee with the greatest amount of seniority to fill the vacancy within the classification from which he was laid off or to a classification in which he is qualified.
- An employee retaining seniority rights only in his classification as defined in Article 12.13(c) above shall only be recalled to that classification.
- 12.13** An employee who has exercised his seniority in the manner defined by Article 12.12 shall have the right to return to his former classification before a new employee is hired

into it or any other employee is transferred into it. An employee who fails to exercise the aforementioned right shall lose all recall to his former classification in which he refused recall.

- 12.15** An employee laid off due to staff reductions shall, when laid off, file his address with the Department and thereafter keep the Department and the Association informed of any change of address. An employee must give notice within five (5) days that he will return to the Department after notice to return to an assignment has been received. An employee shall forfeit all seniority if he does not return to the Department within fourteen (14) days after notice unless a leave of absence is obtained. Notice shall be sent by registered mail to the last address filed with the Department with a copy to the Association.

### **ARTICLE 13 – JOB POSTING**

- 13.01** When filling vacancies or new positions within the bargaining unit, emphasis will be placed on skills, merit and ability as they relate to the position being filled. Where two (2) or more applicants are equal in skills, merit and ability then the most senior qualified applicant will be appointed.
- 13.02** Except during a time when qualified employees are on lay off, or except as specified in Article 12-13, all vacancies within the bargaining unit shall be posted for ten (10) working days to allow employees to make application for such jobs.
- 13.03** Employees from other bargaining units or outside the civic service awarded bulletined positions shall be assigned to the job classification and minimum salary rate effective the date they assume responsibility and duties of the position. The Chief or designate may decide that a salary rate in excess of the minimum is warranted, provided the decision is not arbitrary or unreasonable.

Members who are awarded a position within the bargaining unit that does not constitute a promotion, shall be placed on the salary scale of that position at the step in the range, closest to his or her current hourly rate that does not represent a decrease in hourly rate, or to the maximum hourly rate, whichever is less. See Appendix 1.

In the case of a member promoted to another position within the bargaining unit, the member shall be placed on the salary scale of the higher position such that it represents an increase of at least five percent (5%) of his or her current hourly rate, or to the maximum step, whichever is less. See Appendix 1.

**When a permanent appointment to a position is continuous with a period of temporary assignment to that position, that being that there is no interruption from the time of the temporary assignment to the time of the permanent appointment, the time accumulated during the temporary assignment will be taken into account for the purposes of determining annual increments.**

- 13.04** Copies of bulletins will be furnished to the duly accredited Association Representatives.
- 13.05** When more than one (1) vacancy or new position exists at the same time, employees shall have the right to bid on any or all stating preference.

- 13.06** An employee bidding on more than one (1) vacancy shall indicate the order of his preference.
- 13.07** If, within a period of sixty (60) days from the date of award, the employee who was awarded the vacancy withdraws for personal reasons, or is awarded another vacancy bulletin, a qualified applicant to the original bulletin may be selected without a further bulletin being issued.
- 13.08** An employee absent with permission from his assigned base shall have his name automatically entered as a bid for any vacancy that arises during his absence. To be verified within forty-eight (48) hours of his return to work.
- 13.09** It will not be necessary to bulletin a position where it is mutually agreed between the City and the Association that, because of extenuating circumstances, a bulletin is not appropriate.
- 13.10** It shall not be necessary to bulletin a position which has been assigned a higher salary level as a result of reclassification to the benefit of the incumbent.
- 13.11** It will not be necessary to bulletin a new temporary position for a period that will not normally exceed six (6) months, where the City has a specific need for a particular skill set that an existing employee possesses. In such a case, the City may "second" that employee to fill that position. The City may extend the period for a further **three (3)** months only with the Association's consent, which will not be unreasonably denied. If the position continues beyond **nine (9)** months, then the position shall be bulletined. **The City will do all that it is reasonably able to do to keep any extensions of the first six (6) months to a minimum.**

#### **ARTICLE 14 – LEAVE OF ABSENCE**

- 14.01** When the requirements of the Department will permit, employees will be allowed leave of absence without pay not exceeding ninety (90) days in any calendar year. Any request for leave of absence shall be submitted in writing with a copy sent to the duly accredited Association Representative who will be advised of the names of any employees on authorized leave. Employees shall give the Department as much notice as possible on any request for leave of absence. The Department shall notify the employee in writing with a copy to the Association within five (5) days of the employee's request whether or not his leave of absence will be granted.
- 14.02** Employees on leave of absence who engage in other employment will be considered terminated unless otherwise mutually arranged between the Department and the duly accredited Association Representative.
- 14.03** Any leave of absence in excess of ninety (90) days shall be subject to mutual agreement of the parties.
- 14.04** An employee returning after leave of absence will return to his former position provided it has not been abolished or a senior employee has not exercised his displacement rights hereon.

#### **14.05 Maternity Leave**

A pregnant employee may elect Maternity Leave under either Plan A or Plan B, subject to the express provisions relating to the job classification occupied by the pregnant employee.

“Maternity Leave” is defined for the purposes of this Section as being a leave of absence, granted in accordance with the provisions as hereinafter set out, for an employee to recover from the effects of pregnancy and delivery and to care for her newborn child.
