## Policy Highlights

- Strengthen civic systems that support community resilience;
- Account for the social, environmental, and economic impacts of municipal investments for broader community return;
- Work in partnership for community benefit;
- Remove barriers for systemically disadvantaged groups through a commitment to human rights and equity;
- Integrate Indigenous perspectives and reconciliation throughout the plan;
- Embed targets for greenhouse gas emissions reduction to guide climate action;
- Reinforce the social determinants of health, health equity, and healthy built environments as a basis for proactive service delivery;
- Address poverty and climate change solutions as innovative economic drivers;
- Shift transportation to more sustainable modes and less reliance on personal vehicles; and,
- Prioritize infill development and phasing new community development to accommodate growth and growth-supportive infrastructure in a more financially-sustainable way through an intensification target.

## Strategic Priorities Action Plan

The development and endorsement of an OurWinnipeg Strategic Priorities Action Plan is a critical and necessary step towards achieving the goals and objectives of this Plan. More specifically, the OurWinnipeg Strategic Priorities Action Plan will seek to:

- Align City services and budget to policy
- Confirm local evidence and indicators
- Develop decision-making criteria based on community needs for resource distribution
- Require interdepartmental collaboration to determine the best solutions to achieve the outcomes
- Identify priority actions
- Identify what specific value these actions have towards implementing OurWinnipeg policies and goal outcomes
- Identify interjurisdictional, interdepartmental and agency roles related to each action
- Contain a schedule, and measurements of success

## Next Steps Phase 3 Public Engagement

- **Purpose:** inform, assess if we got the policy right, if there are any gaps and what strategic actions would support achievement of the goals.
- **Winnipeg.ca/OurWinnipeg2045** includes draft policy documents, key Information, discussion forum, questions and answers, and survey
- **Online Webinar:** Complete Communities: Growing Sustainably  
Wednesday, July 29, 7 p.m. – 8:30 p.m.
- **Ongoing Stakeholder Engagement**
- **Please share with your networks and share you feedback with the City!**
