Voter Eligibility

A person who is a resident of the school division is eligible to vote if they meet all of the following criteria:

- a Canadian Citizen;
- 18 years old or older on By-election Day, June 6, 2024;
- an actual resident of the school division ward on By-Election Day, June 6, 2024;
- an actual resident of the school division since December 6, 2023.

An eligible elector must vote in the ward in which they reside on By-Election Day.

The following determines the residency of a person:

- resides in a place they plan to return to if they go away;
- resides in only one place at a time;
- does not change residence until they have a new residence.

A person who leaves a municipality for temporary reasons is still considered a resident voter. For example, a student attending university or college outside the municipality who intends to return home after the term ends, is considered a resident voter.

Voters List

The City of Winnipeg uses the National Register of Electors, compiled by Elections Canada, as the basis for the voters list.

The voters list will be provided to each candidate when they file their nomination paper.

Adding Names to the Voters List

Persons whose names do not appear on the voters list may request to have their name added if they meet the voter eligibility criteria.

Requests can be submitted online at winnipeg.ca/voterslist or by calling 311.
Voters (continued):

The Election Office will accept requests for changes to the voters list until **4:30 p.m. on Thursday, April 18, 2024.**

Persons who meet the voter eligibility criteria but whose names do not appear on the voters list can still vote by showing a valid Driver’s License, or two other pieces of identification that verify name and residence, and by completing an affidavit at the voting place.

---

**Personal Security Protection – Names Obscured from Voters List**

Any person can request to have their name and address obscured from the voters list to protect their personal security, by submitting an application, in writing, to the Senior Election Official, City Clerk’s Department, Susan A. Thompson Building, 510 Main Street, Winnipeg, MB R3B 1B9; or faxed to 204-947-3452.

The Election Office will accept requests for changes to the voters list until **4:30 p.m., Thursday, April 18, 2024.**

A person whose name has been obscured will be given a Personal Security Certificate and identification number. The identification number will appear at the end of the voters list.

A person who is given a Personal Security Certificate may only vote by sealed envelope ballot (SEB) and must make application to do so by **4:30 p.m., Monday, June 3, 2024.**

---

**Voters Notices**

Each person whose name appears on the voters list will receive in the mail a voters notice identifying their voting location, voting station and hours of voting. The voters notice also provides the particulars of advance voting and voting by sealed envelope ballot. Voters notices will be mailed out beginning May 17, 2024.

If a person has moved and receives a voters notice with their former address, they will be directed to vote at the voting location and voting station for their current address.

Persons who have moved or who require further information on voting places, advance voting or voting by sealed envelope ballot can call 311 to reach the City of Winnipeg’s Contact Centre, send an e-mail to elections@winnipeg.ca, or view the election website www.winnipeg.ca/byelection2024.
Voting

The City of Winnipeg provides citizens several opportunities to vote in the 2024 School Trustee By-election. Eligible voters can vote:

- On By-Election Day, Thursday, June 6, 2024, from 8:00 a.m. - 8:00 p.m.
- At advance voting opportunities; or
- By mail (known as “voting by sealed envelope ballot”).

All persons on the voters list will receive a voters notice identifying their advance and By-Election Day voting opportunities. More information on dates, times and locations is available at www.winnipeg.ca/byelection2024 or by calling 311.

Proof of Name and Current Address Required

The City of Winnipeg will require all voters to provide proof of name and current address at voting locations by showing:

- an official document issued by a federal, provincial or municipal government that contains the person’s name, address and photograph (such as a Driver’s License); or
- at least two other documents that provide evidence of the person’s name and current address.

At the voting locations, voters will be asked to provide one piece of photo identification that contains their name and address, OR two other pieces of identification, one of which must contain their address.
Automated Voting

The City of Winnipeg will again be utilizing automated voting for this by-election.

This is a paper-based ballot system which utilizes optical scanning technology to determine voter intention. A paper-based ballot system is user-friendly and provides for appropriate audit control.

The voting machine is made up of an optical scanner mounted on a large ballot box. One voting machine is present in each voting location. Each optical scanner contains a memory pack which records the details of all ballots inserted into the optical scanner.

After the close of voting, the memory card prints out a tabulation of the votes cast. The memory card is removed from the voting machine and transported to Election Headquarters where the contents are electronically read into the Central Tabulation Unit, which compiles the results.

It is expected that unofficial by-election results will be reported by the Senior Election Official within approximately 120 minutes of the close of voting.

Marking the Ballot

Each voter will receive one paper ballot containing the candidates’ names. The voter marks their vote on the paper ballot by filling in the oval next to the candidate of choice. Voters will use special pens, provided in the voting compartment, to mark their ballot.

Voting

Once the voter has made their choice, they take the ballot (in the secrecy sleeve provided) to the voting machine where it will be inserted.

Before counting the ballot, the voting machine will determine if the ballot is valid. A ballot can be invalid if too many candidates are chosen or if the ballot is left blank. This process takes place in less than one second after the ballot is inserted. If the voting machine determines the ballot is invalid, the voter is informed and given the opportunity to vote again.
Voting (continued):

**Advance Voting**

Community Advance Voting opportunities will take place on:

Wednesday, May 29, 2024 - 4:00 p.m. to 8:00 p.m.

Thursday, May 30, 2024 – 4:00 p.m. to 8:00 p.m.

Saturday, June 1, 2024 – 8:00 a.m. to 8:00 p.m.

Advance voting will utilize automated voting technology. All votes cast during advance voting will be tabulated immediately after the close of voting on Thursday, June 6, 2024.

All voting places are accessible to persons with disabilities.

More information on dates, times and all locations will be available at [www.winnipeg.ca/byelection2024](http://www.winnipeg.ca/byelection2024) or by calling 311.

**Voting by Sealed Envelope Ballot**

Voting by sealed envelope ballot is a provision by which a voter can make application to receive a by-election ballot package delivered. The voter then marks the ballot and returns it in a sealed envelope to the City Clerk’s Department, Susan A. Thompson Building, 510 Main Street, prior to the close of voting on Thursday, June 6, 2024.

A voter is permitted to vote by sealed envelope ballot if they:

- are unable to go in person to a voting station due to a disability; or
- are providing care to a person who is unable to leave their home; or
- expect that on By-Election Day and the day or days of advance voting, they will be:
  - absent from the local authority, or
  - at a location so significantly distant from the voting location that it is not reasonably possible to vote at that location.
- Have not otherwise already voted in this by-election.
Voting (continued)

An application to vote by sealed envelope ballot may be made by mail or fax beginning Monday, April 22, 2024 and ending Monday, June 3, 2024, at 4:30 p.m. by:

- online at winnipeg.ca/votebymail
- mail forwarded to the Senior Election Official, City Clerk’s Department, Susan A. Thompson Building, 510 Main Street, Winnipeg, MB R3B 1B9
- e-mail to seb@winnipeg.ca

Alternatively, an application to vote by sealed envelope ballot can be made in person beginning Thursday, May 9, 2024 and ending Monday, June 3, 2024, at 4:30 p.m. p.m. by attending the City Clerk’s Department, Main Floor, Susan A. Thompson Building, 510 Main Street

The voter must return the ballot to the Senior Election Official, City Clerk’s Department, Susan A. Thompson Building, 510 Main Street, prior to the close of voting on Thursday, June 6, 2024.

By-election Workers

The City of Winnipeg may recruit temporary by-election workers, if required, to assist at the voting locations on By-election Day and to facilitate additional advance voting opportunities. The majority of these workers will have experience with election processes, whether Civic, Provincial or Federal.

A Senior Voting Officer will be present at each voting location to monitor and coordinate all voting activities, and to ensure that all election laws are complied with.

Scrutineers

A scrutineer is a representative of the candidate appointed to observe by-election proceedings.

In order to act as a scrutineer, the person must meet all of the following criteria:

- be at least 18 years old;
- provide a scrutineer appointment form signed by the candidate; and
- take an oath that they will uphold the rights of voters and preserve the secrecy of the vote.
Each candidate can have up to two scrutineers at each voting station. Each voting location typically has more than one voting station.

If a candidate has only one scrutineer at a voting location where there is more than one voting station, the candidate does not have to provide the scrutineer with a scrutineer appointment form for each voting station. The scrutineer will, however, be required to sign the record of scrutineers in the voting record for each voting station they attend at the voting location.

Candidates can appoint scrutineers on a shift basis, but each scrutineer must present a scrutineer appointment form signed by the candidate.

At the voting location, scrutineers are not allowed to wear or display anything that identifies them as a supporter of one particular candidate.

A candidate is permitted to act as a scrutineer but cannot greet voters at the door, socialize in the voting location or pass out campaign material.

Scrutineers cannot utilize electronic equipment at the voting location that is disruptive, such as cell phones.

Scrutineer appointment forms will be provided to candidates when they file their nomination paper.

Scrutineers must follow the voting regulations and cannot disrupt voting in any way, shape or manner. Failure to comply will result in the removal of the scrutineer.

**Results Reporting**

At the close of voting on Thursday, June 6, 2024, an election officer at every voting location will cause the voting machine to tabulate the votes cast, providing a print-out on site. The memory card from each voting machine will then be transported to Election Headquarters.

The contents of these memory cards will be electronically read into the central tabulation unit which will compile the results. It is expected that unofficial by-election results will be reported by the Senior Election Official within 120 minutes of the close of voting.

The results will be posted online at [www.winnipeg.ca/byelection2024](http://www.winnipeg.ca/byelection2024).

The Role of School Boards

As there is no “typical” school board in Manitoba, so too there is no typical school trustee. Board members represent all age groups, all levels of educational attainment, and all occupations. Effective board members do, however, share some very important characteristics.

- Effective board members are characterized by the ability to work as members of a team.
- They maintain open minds, and have the ability to engage in give-and-take and to arrive at a decision.
- They know that authority rests with the board as a corporate body, not with individual trustees, and that they must work with their colleagues in order to achieve their goals.
- They are willing to spend the time required to become informed and to do the homework needed to take part in effective school board meetings.
- They share a strong desire to serve children and their community, as well as a strong belief in the value of public schools.
- Effective board members respect the needs and feelings of other people, and have a well-developed sense of fair play.
- They recognize that the school division or district they serve may be one of the largest businesses in town, and that the board is responsible for seeing that the business is well-managed.

The Public Schools Act defines both the “duties” (those things “every school board shall” do) and the “powers” (those things “a school board may” do) of school boards in Manitoba. School board duties are standard throughout the province; combined, they ensure a basic level of public school education to which all Manitobans are entitled. At the same time, school boards may differ on which “powers” they chose to exercise. In this way, they develop schools that reflect the values and concerns of the communities they serve. School boards are responsible for providing adequate school accommodation for students between the ages of 6 and 21, and for employing the necessary teachers and other staff. The school board must authorize the spending of divisional or district funds, and ensure that the proper financial reports are maintained and published or distributed as required. If a program of study is not offered in a division or district, a school board may be responsible for paying certain costs associated with students attending a school that does offer that program. As well, the school board may be required to provide transportation for students to and from school, if those students reside a minimum distance from their school, or if students have physical or other limitations that render them unable to walk to school.
The list of what a school board *may* do is varied. It includes the provision of nursery schools or kindergarten for children between the ages of 3 and 6, as well as evening and summer school. A school board may choose to provide lunch for its pupils, either with or without charge. A board, with the consent of the Minister of Education, may establish and administer a system of dental and medical inspection of pupils and employees. A school board also has the authority to enter into agreements with other school boards, government agencies or departments, or municipalities, to provide certain facilities or services to its pupils.

The primary function of a school board is to set policy. These policies are, in effect, the laws under which a division or district operates. Implementation of that policy—that is, the day-to-day management of school business—is the role of the administrative staff hired by a school board. A school board sets policy through the decisions it makes at public meetings. The Public Schools Act provides that “An act or proceeding of a school board that is not done or taken at a regular or special meeting of the school board, is not valid or binding on any person affected thereby” (Section 35). Combined with the requirement that “Every school board shall hold its meetings openly, and no person shall be excluded or removed from any meeting except for improper conduct” [Section 30(3)], legislation assures that school board business is conducted in an open manner. In addition to full school board meetings, trustees also attend the meetings of any committees on which they serve. Committees may deal with matters such as finance, personnel, or policy. Special or ad-hoc committees may also be appointed from time to time to deal with special projects or emerging issues. Unlike regular or special school board meetings, committee meetings do not have to be held in public, but may be held in-camera. These committees don’t make final decisions themselves. Their role is to investigate, deliberate, and report back to the full board. The board then has the option of adopting the recommendations of the committee at its public meeting, modifying any proposed course of action, or rejecting a committee report outright.

One special committee is the Committee of the Whole. Membership on the Committee of the Whole is the same as membership on the board—that is, all of a division’s or district’s trustees. The difference between a Committee of the Whole meeting and a board meeting is twofold: first, a meeting of the Committee of the Whole may be held in-camera, and second, the board, when sitting as the Committee of the Whole, cannot make any decision that is legally binding. The Committee of the Whole functions in much the same manner as any other committee; it submits its report to the board in public session, and the board then acts upon the report. The Committee of the Whole is an important instrument in that it allows the board to discuss thoroughly issues which it believes should not be debated in public, while still making the final decision in a public meeting. Two examples of issues which are often discussed in Committee of the Whole are staff or student discipline as it relates to individuals, and land acquisitions. The decisions made by a school board at its meetings set the direction for the school

division or district. The school board employs administrators to see that this direction is implemented in an effective and efficient manner. The two most senior administrators of a school division or district are the superintendent and the secretary-treasurer. By law, all school boards must employ a secretary-treasurer, who is the chief financial officer of the division or district. In addition, all Manitoba school boards employ a superintendent, who is the division or district’s chief educational officer. In some instances, both positions are held by the same individual. The Public Schools Act lists those responsibilities which a school board may delegate to its secretary-treasurer or superintendent. An effectively managed school division or district is one in which the senior administrators and school board work closely together, each respecting and drawing upon the other’s areas of expertise.

Preparing for and participating in school board and committee meetings are the main functions of a school trustee. Although school trustees do not receive a salary for time spent on school board business, they do receive a payment called an indemnity. This indemnity varies in amount from division to division, and is generally higher in larger jurisdictions. Along with reimbursement for out of pocket expenses incurred by trustees in the course of school board business, this indemnity ensures that trustees are able to serve without experiencing undue financial hardship.
