I, _____, hereby declare that I will assume full responsibility for every part of this video inspection, as the City of Winnipeg Housing Inspector can only inspect what is shown on video. Therefore, the City cannot be held liable for any missed components of the inspection. During the video inspection, the inspector may stop if they see something unsafe, the video quality is insufficient to complete an inspection or the submitted documentation is inadequate. If this happens, an on-site inspection will be needed. I represent that:

- In my opinion, the construction was carried out in substantial compliance with the applicable provisions of the Manitoba Building Code, the Manitoba Energy Code for Buildings, the Manitoba Plumbing Code, the Winnipeg Electrical By-Law, and the plans submitted in support of the application for these permits.
- I have informed the City in cases where I am aware that the construction has materially deviated from the submitted plans.
- I am not aware of any substandard workmanship, materials or assemblies that would compromise code compliance.
- I am aware that in addition to the video inspection, the City may request a mandatory on-site audit at a future date to confirm that compliance has been met for this scope of work.

I acknowledge that I have read the above and understand my responsibility for the work completed under permit and the terms of the video inspection, and that I have taken the necessary steps to correct any error or misinformation as stated above.
