

Optional Professional Certificate Program Certificate for Electrical Aspect Only

Address or Legal Description of Project: _____

Professional Certificate

In submitting sealed plans for demolition or construction associated with this project, I am making the following statements:

- I am an engineer entitled to practice as such in the Province of Manitoba and am competent to design and review the plans submitted under my seal.
- I hereby certify that this certificate is being issued in conjunction with the permit application for the above noted address/project under the **Optional Professional Certificate Program (OPCP)**.
- I am aware that, as part of the OPCP:
 - the City of Winnipeg will rely solely on the plans signed and sealed by me and upon this certificate and will not conduct any building, electrical, mechanical, plumbing or structural plan examination or plan inspection prior to permit issuance; and
 - plans submitted under this Program may be subject to an audit after permit issuance.
- If I become aware, by way of an audit or otherwise, that the application for a permit is not complete, or if the plans or the construction fails to comply with the Winnipeg Electrical By-law, or the Winnipeg Building By-law, which includes the applicable editions of the Manitoba Building Code, the Manitoba Energy Code for Buildings, the Manitoba Fire Code, the Manitoba Plumbing Code, and the Manitoba Electrical Code I agree to notify the owner of the property immediately of any remedial measures that must be taken to bring the plans or project into compliance.
- I recognize that the application is subject to an audit by the City of Winnipeg and any point of non-compliance with the Winnipeg Electrical By-law, or the Winnipeg Building By-law, which includes the applicable editions of the Manitoba Building Code, the Manitoba Energy Code for Buildings, the Manitoba Fire Code, the Manitoba Plumbing Code, and the Manitoba Electrical Code could result in my suspension or dismissal from the OPCP and could be the subject of a complaint by the City to Engineers Geoscientists Manitoba (EGM).

I hereby certify that I have complied with all applicable legislation and professional codes in affixing my seal to the plans, drawings and related documents which are being submitted as part of this application for a permit under the Winnipeg Building By-law or the Winnipeg Electrical By-law.

By affixing my seal, I am representing that:

- I am fully aware of the provisions of the Manitoba Building Code, the Manitoba Energy Code for Buildings and the Manitoba Electrical Code that are applicable to these plans and drawings;
- I have applied a professional standard of care to ensure compliance of these plans and drawings with the applicable provisions of the Manitoba Building Code, the Manitoba Energy Code for Buildings and the Manitoba Electrical Code.

- I understand that any negligence, misrepresentation or falsification of facts contained in this certificate or in the plans under my seal may result in a finding of legal liability against me. I understand that the City of Winnipeg does not accept responsibility for any errors and omissions in the sealed plans.
- I understand that Professionals in this program must carry a minimum of \$2M of Errors and Omissions insurance and commit to keep the insurance for at least two years beyond the date of the final occupancy permit.
- I understand that the City of Winnipeg recommends that I periodically review my professional liability exposures, including those posed by potential third party claims, and that I carry an appropriate level of insurance. I understand that this review should include this specific project, including the building's occupancy type and classification, value, size and complexity, the extent of my professional involvement with it, and the City of Winnipeg's reliance on my certificate.

Affix seal with signature and date
