Election Campaign

Date of Election

An election for School Trustees in Winnipeg School Divisions will be held on Wednesday, October 28, 2026.

Office of School Trustee

Each School Division is divided into a specific number of wards. In most wards, more than one candidate is elected as School Trustee.

Candidate Eligibility

A person is eligible to be a candidate if they meet all of the following criteria:

- a Canadian Citizen;
- 18 years old or older on Election Day, Wednesday, October 28, 2026;
- a resident in the School Division since Tuesday, April 28, 2026;
- not disqualified by law

NOTES:

1. Candidates for School Trustee do not have to reside in the ward of the school division in which they are seeking election, but must be a resident elector of the school division.
2. No pupil in regular attendance at school shall be a trustee of the school division.
3. An employee of the same school board, school division or district, must take a leave of absence to serve as a trustee.

Election Campaign (continued):

Persons not eligible to be a candidate

A person is not eligible to be a candidate if they are:

- a member of the Legislative Assembly or the Senate or House of Commons of Canada;
- a pupil in regular attendance at a school within the same school division or school district.

A person cannot be nominated for more than one office in an elected authority.

Campaign Period

The campaign period is the time during which a registered candidate, or any person acting on their behalf, can accept contributions or incur campaign expenses.

The campaign period for candidates for School Trustee begins Tuesday, June 30, 2026, and ends on Wednesday, March 31, 2027.

Candidate Registration

A person seeking election for School Trustee must file a registration form in person with the Senior Election Official.

The registration period for School Trustee candidates begins Tuesday, June 30, 2026, and ends on Tuesday, September 22, 2026, 4:30 p.m.

For your convenience, in person appointments are required. Please email elections@winnipeg.ca for an appointment.

After a candidate has filed their registration form, they, or any person acting on their behalf, can accept contributions or incur campaign expenses. A candidate cannot spend any money or accept any donations on the campaign before registering.

The registration process and the nomination process are separate.

Registration alone does not confirm status as a candidate in the election. A candidate must file a nomination paper before their name can appear on the ballot.

Candidates will receive their nomination paper when they register.

Campaign Financing for School Board Elections

The Province of Manitoba amended the Public Schools Act in 2025 to establish campaign finance and reporting requirements for School Trustee candidates including the following provisions:

Contributions and Expenses

Only registered candidates can receive contributions or incur expenses during the campaign period.

Only individual Manitoba residents and residents of the Flin Flon extension area can contribute to a campaign. An individual must not make contributions exceeding a total of \$1,500.00 to any one registered candidate in an election.

A registered candidate may make a monetary contribution to their own campaign, but the total amount must not exceed \$7,500.00.

Cash contributions are limited to \$25.00.

A contribution from a person not authorized to contribute or that exceeds contribution limits must be promptly returned.

Anonymous contributions must be turned over to the senior election official without delay and will become part of the general funds of the school division.

Campaign expenses cannot exceed the total monetary contributions received, including the contributions made by the candidate. This means that campaigns cannot run a deficit.

Contributions made to a candidate are not tax-deductible for the contributor.

Funds expended on the election of a candidate are not tax-deductible.

Duties of Candidates

A registered candidate must ensure that proper records are kept of contributions received and campaign expenses incurred by the candidate. All financial records relating to the election campaign must be retained for at least two years after the election and made available on request to the secretary-treasurer.

Election Campaign (continued):

Candidates must file an election finance statement with the secretary treasurer that contains:

- all contributions received by the candidate
- the name, address and the contribution of each contributor who has contributed more than \$250.00 to the candidate
- an itemized list of campaign expenses incurred by the candidate.

Candidates must file their finance statements within 30 days after the end of the campaign period. The statements must be accompanied by a statutory declaration confirming the accuracy of the information provided in the statement. It will be published on the school division website.

If an election finance statement shows a surplus, the candidate must pay the surplus to the school division. The school division will hold surplus contributions in trust for the candidate until the next election. If the candidate registers for the next general or by-election, the division will pay out the surplus to the candidate. If the candidate does not run in the next general election, the surplus will go into the general funds of the school board.

Further details will be available prior to commencement of the campaign period. Complete process information will be provided to candidates at time of registration.

Nomination Process

The nomination process is the second step in a two-step process for becoming a candidate. Individuals must complete step one, the registration process, before they can begin the nomination process.

The registration process and nomination process are separate.

Nomination Paper

A nomination paper contains the following:

- A statement by the candidate identifying their name, residential address, telephone number and the office for which they are seeking to be nominated;
- A statement under oath by the candidate that they are qualified to be nominated for the office, and that to the best of their knowledge, the information provided in their nomination paper is true;

Election Campaign (continued):

- As per section 42(1) of *The Municipal Councils and School Boards Elections Act*, a Statement of Disclosure form listing certain criminal offences must be submitted with the candidate nomination paper. In accordance, with section 44(2), of *The Municipal Councils and School Boards Elections Act*, the City of Winnipeg will publish this statement on the election website, winnipeg.ca/election2026.

Candidates seeking election for School Trustee must obtain on their nomination paper a minimum of **25 signatures** of voters whose names appear on the City of Winnipeg voters list for the school division **ward** in which they are seeking election.

Names will be subject to verification on the voters list and candidates should **obtain extra names** to ensure that the minimum number of voter signatures is met. The names of voters signing a candidate's nomination paper will be verified when the candidate files their nomination paper.

Candidates are encouraged to email nomination signature pages to the Election Office at elections@winnipeg.ca or fax them to 204-947-3452 for pre-checking of voter names. Please include your contact information so that our staff can contact you following verification of signatures.

A voter may sign the nomination paper of more than one candidate.

Filing Nomination Paper

Before a candidate is able to file a nomination paper, they must have already filed a registration form.

The Senior Election Official will accept nomination papers during the nomination period. The nomination period begins **Wednesday, September 16, 2026, and ends Tuesday, September 22, 2026, at 4:30 p.m.** Candidates must file a nomination paper in person with the Senior Election Official in the City Clerk's Department, Susan A. Election Campaign (continued):

All nomination papers will be available for public inspection. A list of nominated candidates will be available on the election website winnipeg.ca/election2026 and for viewing in the City Clerk's Department.

Candidate Material

When a candidate becomes registered, they will receive a package of supplies, including a preliminary voters list, and other information that will assist in the campaign process.

When a candidate files their nomination paper, they will receive additional supplies, including a final (updated) voters list, voting subdivision maps, and a list of voting locations. They will also be required to record their name to provide audio for visually impaired voting purposes.

The voters list will be provided in electronic form. Candidates are required to sign an acknowledgement that the information contained on the list must only be used for election purposes.

Any candidate may withdraw their nomination if a nominated candidate remains to fill the office to be elected. The withdrawal must be in writing and submitted in person to the Senior Election Official by **4:30 p.m., Wednesday, September 23, 2026**.

Acclamation

Where only the required number of candidate(s) is nominated, the Senior Election Official will declare the candidate(s) elected by acclamation at the end of the withdrawal deadline by **4:30 p.m., Wednesday, September 23, 2026**.

Candidates' Names on Ballots

Candidates' names on ballots appear in random order. The random order is determined by a draw which will take place on Wednesday, September 23, 2026, at 6:00 p.m.

Election Campaign (continued):

Please be advised that the candidate's name will appear on the ballot exactly as it is written on the nomination paper (in the acceptance by candidate section), and in accordance with the following format:

- Ballots are printed with candidates' First Name, followed by the SURNAME (in uppercase letters), listed in the order determined by a random draw.

A person who is a resident of the school division is eligible to vote if they meet all of the following criteria:

- a Canadian Citizen;
- 18 years old or older on Election day, October 28, 2026;
- an actual resident of the school division ward on Election day, October 28, 2026;

The following determines the residency of a person:

- resides in a place they plan to return to when away from it;
- resides in only one place at a time;
- does not change residence until they have a new residence.

A person who leaves a municipality for temporary reasons is still considered a resident voter. For example, a student attending university or college outside the municipality who intends to return home after the term ends, is considered a resident voter.

Voters List

The City of Winnipeg uses the National Register of Electors, compiled by Elections Canada, as the basis for the voters list.

A preliminary voters list will be provided to each candidate when they file their registration paper. A final (revised) voters list will be provided to each candidate when they file a nomination paper.

Voters (continued):

Adding Names to the Voters List

Persons whose names do not appear on the voters list may request to have their name added if they meet the voter eligibility criteria.

Requests can be submitted online at winnipeg.ca/voterslist or by calling 311.

Persons who meet the voter eligibility criteria, but whose names do not appear on the voters list can still vote by showing one government-issued piece of identification with their photo, name, and address, or two other pieces of identification that verify name and residence, and by completing an affidavit at the voting place.

Personal Security Protection – Names Obscured from Voters List

Any person can request to have their name and address obscured from the voters list to protect their personal security, by submitting an application, in writing, to the Senior Election Official, City Clerk's Department, Susan A. Thompson Building, 510 Main Street, Winnipeg, MB, R3B 1B9; or faxed to 204-947-3452.

If a person has moved and receives a voter's notice with their former address, they will be directed to vote at the voting location for their current address.

Persons who have moved or who require further information on voting places, advance voting or other opportunities may call 311 to reach the City of Winnipeg's Contact Centre, send an e-mail to elections@winnipeg.ca, or view the election website winnipeg.ca/election2026.

The City of Winnipeg provides citizens several opportunities to vote in the 2026 Municipal Council and School Boards Election. Eligible voters can vote:

- On Election Day, Wednesday, October 28, 2026, from 8:00 a.m. - 8:00 p.m.
- At advance voting opportunities; or
- By mail (known as “voting by sealed envelope ballot”).

All persons on the voters list will receive a voter’s notice identifying their advance and election day voting opportunities. More information on dates, times and locations is available at winnipeg.ca/election2026 or by calling 311.

Proof of Name and Current Address Required

The City of Winnipeg will require all voters to provide proof of name and current address at voting locations by showing:

- an official document issued by a federal, provincial or municipal government that contains the person’s name, address and photograph (such as a Driver’s License); or
- at least two other documents that provide evidence of the person’s name and current address.

At the voting locations, voters will be asked to provide one piece of photo identification that contains their name and address, OR two other pieces of identification, one of which must contain their address.

Automated Voting

The City of Winnipeg will again be utilizing automated voting for this election.

It is expected that unofficial election results will be reported by the Senior Election Official within approximately 120 minutes of the close of voting.

Voting (continued):

Advance Voting

Advance voting opportunities will take place during the month of October. Information on these opportunities will be provided to candidates when they file their nomination paper and will be available on the election website.

Advance voting will utilize automated voting technology. All voting places are accessible to persons with disabilities.

More information on dates, times and all locations will be available at winnipeg.ca/election2026 or by calling 311.

Voting by Sealed Envelope Ballot

Voting by sealed envelope ballot is a provision by which a voter can make application to receive an election ballot package delivered. The voter then marks the ballot and returns it in a sealed envelope to the City Clerk's Department, Susan A. Thompson Building, 510 Main Street, prior to the close of voting on Wednesday, October 28, 2026.

A voter is permitted to vote by sealed envelope ballot if they:

- are unable to go in person to a voting location due to a disability; **or**
- are providing care to a person who is unable to leave their home; **or**
- expect that on Election Day and the day or days of advance voting, they will be:
 - absent from the local authority, **or**
 - at a location so significantly distant from the voting location that it is not reasonably possible to vote at that location; **or**
- have not otherwise already voted in this election.

Alternatively, an application to vote by sealed envelope ballot can be made in person beginning Thursday, July 30, 2026, and ending Sunday, October 25, 2026, 4:30 p.m. by attending the City Clerk's Department, Main Floor, Susan A. Thompson Building, 510 Main Street.

The voter must return the ballot to the Senior Election Official, City Clerk's Department, Susan A. Thompson Building, 510 Main Street, **prior to the close of voting on Wednesday, October 28, 2026.**

Voting (continued):

Scrutineers

A scrutineer is a representative of the candidate appointed to observe election proceedings.

In order to act as a scrutineer, the person must meet all of the following criteria:

- be at least 18 years old;
- provide a scrutineer appointment form signed by the candidate; and
- take an oath that they will uphold the rights of voters and preserve the secrecy of the vote.

Each candidate may appoint up to two scrutineers for each voting station. Each voting location typically has more than one voting station. Scrutineers will be required to present their scrutineer appointment form to the Senior Voting Officer overseeing the voting location, and record their attendance in the record of scrutineers.

If a candidate has only one scrutineer at a voting location where there is more than one voting station, the candidate does not have to provide the scrutineer with a scrutineer appointment form for each voting station.

Candidates can appoint scrutineers on a shift basis, but each scrutineer must present a scrutineer appointment form signed by the candidate.

At the voting location, scrutineers are not allowed to wear or display anything that identifies them as a supporter of one particular candidate.

A candidate is permitted to act as a scrutineer but cannot greet voters at the door, socialize in the voting location or pass out campaign material.

Scrutineers cannot utilize electronic equipment at the voting location that is disruptive, such as cell phones.

Scrutineer appointment forms will be provided to candidates when they file their nomination paper.

Scrutineers must follow the voting regulations and cannot disrupt voting in any way, shape or manner. Failure to comply will result in the removal of the scrutineer.

Voting (continued):

Results Reporting
