BETWEEN

THE CITY OF WINNIPEG

(hereinafter referred to as the "City")

OF THE FIRST PART

- and -

THE WINNIPEG FIRE PARAMEDIC SENIOR OFFICERS' ASSOCIATION

(hereinafter referred to as the "Association")

OF THE SECOND PART

PREAMBLE:

WHEREAS it is the desire of both parties to this Agreement to recognize their mutual obligation to provide the best possible quality of ambulance service in the City of Winnipeg and to maintain harmonious relationships between the City and its employees; and to recognize the value of joint discussion and negotiation in matters relating to working conditions and to provide an amicable method of settling any differences or grievances which may possibly arise between the parties hereto without stoppage of work or interruption of service to the public;

AND WHEREAS the City and the Association have agreed to enter into a collective agreement containing the following terms and conditions of employment;

NOW THEREFORE the City and the Association agree as follows:

ARTICLE 1 – RECOGNITION

1.01 This Agreement is entered into between the City of Winnipeg (hereinafter referred to as "the City") and the Winnipeg Fire Paramedic Senior Officers' Association (hereinafter referred to as "the Association"). The Association shall be the exclusive and full bargaining agent for all employees of the EMS Division of the Winnipeg Fire Paramedic Service (hereinafter referred to as "the Service") who are Supervisors, Assistant Supervisors, and Training Officers.

1.02 In this Agreement, the words "the Department" and "the Service" may be used interchangeably to refer to the Winnipeg Fire Paramedic Service.

1.03 Plural Terms – whenever the singular is used in this Agreement, it shall be considered as if plural has been used where the context of the party or parties hereto so require.

1.04 Unless otherwise defined within a specific Article of this Collective Agreement, the Parties agree to the following definitions:

a) **Permanent Position**

A WFPSOA bargaining unit position within the permanent establishment of the Winnipeg Fire Paramedic Service as determined by City Council.

c) **Probationary Employee**

A new employee who holds a position but has not completed the twelve (12) month probationary period outlined in Article 11.01.

d) **Temporary Employee**

Any employee who does not hold a permanent position and who is hired for any assignment of duty or project subject to the terms and conditions of this Collective Agreement.

e) **Part-Time Employee**

An employee who holds a position and is required to work on a regularly scheduled basis but as a rule less than forty (40) hours per week.

f) **New Employee**

An employee hired from outside of the Civic Service into a permanent or temporary position.

g) **Calendar Year**

A year commencing on January 1st and ending on December 31st.

h) **Working Day**

ARTICLE 2 – MANAGEMENT RIGHTS

2.01 The Association and employees within the Association recognize and acknowledge that it is the exclusive function of the Department to:

a) maintain order, discipline and efficiency;

b) hire, discharge, direct, classify, transfer, promote, demote and suspend or otherwise discipline any employee within the Association provided that a claim for discriminatory promotion, demotion or transfer or a claim that an employee has been discharged or

disciplined, without just cause, may be the subject of a grievance and dealt with as hereinafter provided; and

c) generally to manage the operation and undertakings of the Department and, without restricting the generality of the foregoing, to select, install and require the operation of any equipment and clothing and machinery which the Department deems necessary for the efficient and economical carrying out of the operations and undertakings of the Department.

2.02 The City agrees that it will not exercise any of the functions set out in Clause 2.01 in a manner inconsistent with the provisions of this Agreement.

ARTICLE 3- ASSOCIATION SECURITY

3.01 Except as otherwise hereinafter provided, all employees covered by this Collective Agreement, as defined in Article 1 – Recognition, shall, as a condition of employment, become and remain members in good standing of the Association.

3.02 The City agrees to deduct regular Association dues, or the equivalent, from all permanent and temporary bargaining unit employees from the first pay period of each month.

3.03 The amount of dues deducted, accompanied by a statement of deductions from individuals, shall be remitted to the **Treasurer** of the Association within fifteen (15) days after the aforementioned deductions are made.

3.04 The Association shall notify the City, in writing, of any changes in the amount of membership dues at least one (1) month in advance of the end of the pay period in which the deductions are to be made.

3.05 In consideration of the premises, and of the Employer making the compulsory check off of Association dues as herein provided, the Association agrees to and does hereby indemnify and save the City harmless from all claims, demands, actions and proceedings of any kind and from all costs which may arise or be taken against the Employer by reason of the Employer making the compulsory check off of Association dues provided for in this Article.

ARTICLE 4 – JOB SECURITY

4.01 No other employees of the Service shall perform any regularly scheduled work that is normally performed by those persons in the bargaining unit. Non-bargaining unit employees may be placed in bargaining unit positions or perform bargaining unit work as outlined in Article 37.

Notwithstanding the above, if subject matter expertise does not exist within the bargaining unit, the Service may use a non-bargaining unit employee or a contractor to deliver specific training requirements. If the Service is developing subject matter expertise, the bargaining unit will be offered first opportunity.

ARTICLE 5 – ASSOCIATION REPRESENTATION

5.01 The Association shall name a Grievance Committee of not more than two (2) members who shall be employees of the City covered by this Agreement. The Association agrees to advise the City, in writing, of the names of the Committee members and the City shall be obliged to recognize only those persons of whom it has been so notified.

5.02 The Association shall designate, and the City shall recognize, four (4) members who are employees of the City covered by this Agreement and they shall constitute a Negotiation Committee. The function of such a Committee shall be to meet with City Representatives for the purpose of negotiating amendments or a renewal of this Collective Agreement.

5.03 It is agreed that the Association Committee members have regular duties to perform in connection with their Association function; for the purposes of negotiations, attending to and processing grievances. Reasonable time off from regular duty shall be provided for such functions without loss of pay.

ARTICLE 6 – GRIEVANCE PROCEDURE

6.01 An employee covered by this Agreement who considers that they have been unjustly dealt with shall have the right to use the following grievance procedure. In so doing, the parties agree, and it is understood, that it is always preferable that employer-employee differences be resolved directly between the employee and his supervisor. Where that is not possible, the problem solving and grievance procedure is intended to provide a process of resolution that is positive and constructive. The problem solving and grievance process outlined hereafter is an extension of that process and is intended to resolve differences in an expeditious manner so far as possible. In keeping with that intent, the parties agree to disclose and exchange all particulars and information, excluding internal privileged documents, respecting the matters of the issue, throughout the process and at all times as early as possible to promote settlement at the earliest possible stage.

STEP 1: Informal Resolution

An employee who believes that they have a grievance shall take the matter up with the Association, which may discuss the matter with the said employee's immediate Supervisor within fifteen (15) calendar days of the occurrence giving rise to the said grievance. The Grievor shall be entitled to be present at such discussion if they so desire.

The parties will approach the resolution of grievances in a problem-solving manner. For that purpose, any discussions and/or resolution of the grievance at this stage will be "without prejudice" to either party and will not be used and/or relied on by the parties at subsequent steps of the grievance process and/or at other grievance proceedings between the Association and the City. To that end, the Supervisor shall consult as they deem necessary and shall render their decision within seven (7) calendar days of such consultation.

It is understood that if the Supervisor is another member of the Association, then the matter shall be raised with the next higher officer who is not a member of the bargaining unit. The Chief shall not designate a member of the bargaining unit to hear grievances or disciplinary proceedings involving other members of the Association.

STEP 2: Referral to the Chief of Winnipeg Fire Paramedic Service

In the event that the Supervisor's decision is not satisfactory to the Association, the Association may refer the grievance, in writing, to the Chief within seven (7) calendar days of receiving the decision pursuant to the Step 1 Meeting.

The Chief or their designate, upon receiving the grievance from the Association, shall hear and consider representations of the Association within fifteen (15) calendar days or at the next

scheduled Labour Management Committee Meeting if agreed to by the parties (the "Step 2 Meeting"), and shall render a decision on the matter in writing to the Association within seven (7) calendar days of the Step 2 Meeting.

The decision of any person designated to hear a Step 2 grievance shall be deemed to be the decision of the Chief.

STEP 3: Referral to Mediation

Failing satisfactory resolution of the grievance the Association or City may request written agreement of the other party to refer the matter to grievance mediation by way of joint application under Section 129(1) of the Labour Relations Act. Such agreement will not be unreasonably withheld.

In the event mediation is accessed, the parties agree that:

a) after grievance mediation, the matter has not been resolved to the satisfaction of both parties; or

b) where a date for mediation cannot occur within sixty (60) calendar days of application, the grievance may be processed further either under Step 4-A or under Step 4-B.

STEP 4: Referral to Arbitration

Step 4-A

The parties agree that for the purposes of expediting the final resolution of grievances, they may rely on the following procedures, or on the expedited arbitration procedures of the Labour Relations Act.

a) Failing satisfactory settlement of the grievance, either party may, within forty (40) days from the date of the decision pursuant to the Hearing at Step 3 of Article 6, refer the grievance to arbitration. The party making such referral shall notify the other party by registered mail or by any other agreeable method.

b) Where arbitration is proceeded with on an expedited basis in accordance with this Article, the parties agree to the use of a single arbitrator who shall be selected by mutual consent. In the event the parties cannot agree on a single arbitrator within twenty (20) working days, the arbitration will revert to a three (3) person board in accordance with Article 8.

Step 4-B

Failing satisfactory settlement being reached in Step 3, the Association shall within forty (40) calendar days from the date of the decision pursuant to the Hearing at Step 3 of Article 6, refer the grievance to arbitration in accordance with Article 8.

6.02 The time limits specified within Article 6 are mandatory. A time limit may be varied by the mutual consent of the parties provided that the request to vary the time limit is made in writing to the other party within the time limit stipulated. Agreement to extend the time limits shall not be unreasonably withheld.

ARTICLE 7 – DISMISSAL AND SUSPENSION

7.01 The City may discharge or discipline any employee provided there is sufficient and just cause. A claim by an employee that they have been discharged or suspended without sufficient and just cause shall be treated as a grievance beginning at Step 2, and filed in accordance with Article 7.04. In all cases of discipline or discharge the Service shall provide reasons, in writing, for such discharge or suspension to the employee and the Association prior to the commencement of the suspension or discharge.

7.02 An employee, who has been suspended or dismissed while on duty, shall have the right to meet with an Association representative prior to leaving the Department's premises.

7.03 An employee may be held out of service with pay pending an investigation. Once the result of the investigation is shared with the employee and disciplinary action is contemplated, the employee may be held out of service without pay pending the City's decision on disciplinary action. The employee can meet with the Fire and Paramedic Chief or designate in the presence of an Association representative.

The Service shall take all reasonable steps to conduct the investigation expeditiously and to avoid any undue delays in completing such investigations.

7.04 A claim by an employee that they have been disciplined without sufficient and just cause shall be treated as a grievance beginning at Step 2 as follows:

a) Where a disciplinary penalty (excluding termination of employment) has been imposed on an employee and a grievance is filed, the grievance shall follow the process outlined in Article 6 beginning at Step 2.

b) Where the disciplinary penalty of termination of employment has been imposed on an employee, and a grievance is filed, the grievance shall be heard by the Chief Corporate Services Officer following the process outlined in Article 6 beginning at Step 2.

Such grievances may be settled:

a) by confirming management's actions; or

b) by reinstating the employee with full compensation for lost earnings and benefits; or

c) by any other arrangement which is just and equitable in the opinion of the parties, or single arbitrator, or board of arbitration.

7.05 If a period of thirty (30) months has passed since disciplinary action has been taken against an employee (i.e. contact report, suspension, etc.) and no further occurrence of this nature has been recorded, the employee will be allowed to present his reasons wishing removal of same, in writing, to the Chief or their designate. The Chief or their designate will provide a decision, in writing, within forty (40) calendar days.

ARTICLE 8 – ARBITRATION

8.01 The party who wishes to submit a matter to arbitration shall notify the other party of intentions to do so within the mandatory time limits so specified in Article 6.01 and subject to Article 6.02.

The parties at this stage may agree upon a single arbitrator where mutually acceptable, otherwise the party initiating the arbitration shall notify the other party of the name of its Nominee to a Board of Arbitration.

8.02 The party, when receiving a notice, shall, within five (5) working days thereafter, notify the other party of its Nominee to a Board of Arbitration.

8.03 The City and the Association Nominees shall, within five (5) working days of the last appointment, meet in an attempt to select a neutral Chairperson.

8.04 If the Association and the City Nominees are unable to reach an agreement on the selection of a Chairperson, within a further five (5) day work period, they will submit a request to the Minister of Labour for the Province of Manitoba to appoint a Chairperson.

8.05 The parties hereto shall each bear the costs of their own Nominee and fifty percent (50%) of the costs of the Chairperson.

8.06 The Arbitration Board or Single Arbitrator shall not be empowered to change, by its decision, any provisions of this Agreement or to set provisions of a new agreement.

8.07 After the Single Arbitrator has been agreed upon or an Arbitration Board has been formed, by the foregoing procedure, it shall meet and hear evidence of both sides and render its decision as soon as possible after completion of and taking of evidence, and its decision or the decision of the majority of the Board shall be final and binding upon the employee, the Association and the City.

ARTICLE 9 – STRIKES AND LOCK OUTS

9.01 In view of the orderly procedure established herein for the disposition of employee's complaints and grievances, the City agrees that there shall be no lock out and the Association agrees that there shall be no strike, slow down or other stoppage of work during the term of this Agreement.

ARTICLE 10 – SPECIFIC PERFORMANCE AND PRESENT WORKING CONDITIONS

10.01 The waiver of any of the provisions of this Agreement or the breach of any of its provisions by either party shall not constitute a precedent for any further waiver or for the enforcement of any breach.

ARTICLE 11 – PROBATION

11.01 A new employee engaged by the Winnipeg Fire Paramedic Service into a WFPSOA position, who comes from outside the Civic Service shall serve a probationary period of twelve (12) months. A Probationary Employee may be terminated at the discretion of the Chief provided such termination is not done in an arbitrary or discriminatory manner and only the question of whether it was done in an arbitrary or discriminatory manner may be grieved or arbitrated under this Collective Agreement.

11.02 Suitability Period

a) An employee promoted from within the Civic Service shall serve a six (6) month suitability period. An employee who is found unsuitable by the Service during the

suitability period may be returned to their former position at the discretion of the Service.

b) An employee promoted from within the bargaining unit shall serve a six (6) month suitability period. An employee who is found unsuitable by the Service during the suitability period will be returned to their former position. An employee within the first sixty (60) calendar days of their suitability period may request to be returned to their former position.

c) **During the suitability period set out in Article 11.02 (a) and (b) above, and where in the opinion of the Chief or Designate the circumstances so warrant, the City may extend the suitability period by an additional six (6) months. The City will notify the Association of its intention to extend the suitability period. The City will provide written notice to the Employee on the extension and a copy will be provided to the Association**

11.03 No employee covered by this Agreement shall be required to serve more than one (1) probationary period.

ARTICLE 12 – SENIORITY

12.01 Definitions

a) Classification Seniority

Shall be defined as the date on which an employee entered a classification and has held continuous employment in that classification.

b) Bargaining Unit Seniority

Shall be defined as the date, established as per Article 12.02, on which an employee became employed in a position that is covered by this Collective Agreement and has subsequently remained in that position or in other positions covered by the Agreement.

c) Departmental Seniority

Shall be defined as the date from which an employee has remained in continuous employment of the Winnipeg Fire Paramedic Service or its predecessor Departments.

d) Civic Seniority

Shall be defined as the date from which an employee has been in continuous employment with the City of Winnipeg.

12.02 Establishing a Seniority Date

An employee who is hired or awarded an initial permanent position shall acquire a seniority date after completing the probationary period as outlined in Article. 11.01 or the initial suitability period outlined in Article 11.02. After completing the specified period such an employee shall be regarded as a permanent employee and the Winnipeg Fire Paramedic Service shall calculate their seniority from the date of hire into the initial permanent position.

12.03 When two (2) or more employees are hired on the same day their position on the Seniority List shall be determined using the following sequence:

a) Department start date

b) Civic start date

c) The lower number when comparing the last three (3) digits of the employees' Social Insurance Numbers.

12.04 A Seniority List, prepared by the Department, shall be given to the Association Committee Chairperson showing for each employee listed thereon, their name, classification and seniority dates.

12.05 Such Seniority List will be brought up to date on August 1st of each year. Each employee will be permitted a period of thirty (30) days after posting of the lists in which to protest in writing to the Fire and Paramedic Chief or designate any omission or incorrect posting affecting their seniority.

12.06 An employee on vacation, leave of absence or sick leave at the time of the posting of the seniority lists may protest within fifteen (15) days after their return to work or thirty (30) days from date of posting, whichever is greater.

12.07 Employees who have resigned or who are discharged for cause shall forfeit all seniority rights.

12.08 A proper notation will be made on seniority lists showing employees on leave of absence, laid off or other positions where they retain their seniority rights under the provision of this Agreement.

12.09 Employees transferred to positions outside the bargaining unit within the Department shall retain their seniority status, but shall not accrue additional seniority in their former classification while employed outside the bargaining unit for a period not to exceed one (1) year. Such employee shall only be allowed to exercise their seniority provided their return to their former occupation does not create a layoff of the existing bargaining unit employees. An employee transferred out of the bargaining unit in excess of one (1) year shall lose all seniority.

12.10 For the purpose of identifying employees for a lay off (meaning herein and elsewhere in this Article lay off from employment or transfer due to lack of work) an employee shall exercise their seniority as follows:

a) The least senior employee in the classification shall be the first laid off or transferred.

b) An employee declared surplus in their classification may displace a less senior employee in another classification provided they are qualified to perform the work.

c) The Service shall provide thirty (30) working days advance notice in writing to the affected employee(s) and to the Association before proceeding with a layoff.

d) An employee given notice of lay off may elect not to exercise their rights defined in Paragraph (b). The employee will accept lay off and will retain their classification seniority.

12.11 If the Service increases the number of staff in positions covered by this Agreement while employees are on lay off, it shall recall the laid off employee with the greatest amount of seniority to fill the vacancy within the classification from which they were laid off or to a classification in which they are qualified.

An employee retaining seniority rights only in their classification as defined in Article 12.10(d) above shall only be recalled to that classification.

12.12 An employee who has exercised their seniority in the manner defined by Article 12.11 shall have the right to return to their former classification before a new employee is hired into it or any other employee is transferred into it. An employee who fails to exercise the aforementioned right shall lose all recall to their former classification in which they refused recall.

12.13 An employee laid off due to staff reductions shall, when laid off, file their address with the Department and thereafter keep the Department and the Association informed of any change of address. An employee must give notice within five (5) days that they will return to the Department after notice to return to an assignment has been received. An employee shall forfeit all seniority if they do not return to the Department within fourteen (14) days after notice unless a leave of absence is obtained. Notice shall be sent by registered mail to the last address filed with the Department with a copy to the Association.

ARTICLE 13 – JOB POSTING

13.01 When filling vacant or new positions within the bargaining unit, emphasis will be placed on skills, merit and ability as they relate to the position being filled. Where two (2) or more applicants are equal in skills, merit and ability then the most senior qualified applicant holding a permanent position within the bargaining unit will be appointed.

13.02 Except during a time when qualified employees are on lay off, or except as specified in Article 12.12, all vacancies within the bargaining unit shall be posted for ten (10) working days to allow qualified employees to make application for such jobs. For a posted position listed within Appendix 1, Group A, the most senior qualified applicant holding a permanent position in Appendix 1, Group A shall be awarded the posted position. This does not preclude the Service from concurrently posting the vacancy and considering applicants from within the Civic Service and/or external candidates.

13.03 Employees from other bargaining units or outside the civic service awarded bulletined positions shall be assigned to the job classification and minimum salary rate effective the date they assume responsibility and duties of the position. The Chief or designate may decide that a salary rate in excess of the minimum is warranted, provided the decision is not arbitrary or unreasonable.

Members who are awarded a position within the bargaining unit that does not constitute a promotion, shall be placed on the salary scale of that position at the step in the range, closest to their current hourly rate that does not represent a decrease in hourly rate, or to the maximum hourly rate, whichever is less. See Appendix 1.

In the case of a member promoted to another position within the bargaining unit, the member shall be placed on the salary scale of the higher position such that it represents an increase of at least five percent (5%) of their current hourly rate, or to the maximum step, whichever is less. See Appendix 1.

When an appointment to a permanent position is continuous with a period of temporary assignment to that position, that being that there is no interruption from the time of the temporary assignment to the time of the appointment to the permanent position, the time accumulated during the temporary assignment will be taken into account for the purposes of determining annual increments, and where applicable, to establish a seniority start date as per Article 12.02.

When a member from Group A is promoted to a position listed in Group B (as per Appendix 1), previous time acting will be considered for the purposes of determining annual increments where applicable. The maximum number of acting hours that can be recognized is either 2,184 or 2,080 hours (as determined by the hours of work for the Group B position), and the maximum benefit that can be realized is the top step of the applicable salary scale. Only acting hours accumulated after **July 21, 2022** will be recognized.

13.04 Copies of bulletins will be sent electronically furnished to the duly accredited Association Representatives.

13.05 When more than one (1) vacancy or new position exists at the same time, employees shall have the right to bid on any or all postings.

13.06 If, within a period of sixty (60) calendar days from the date of award, the employee who was awarded the vacancy exercises their right under Article 11.02(b), or is awarded another vacancy bulletin, a qualified applicant to the original bulletin may be selected without a further bulletin being issued.

13.07 An employee absent with permission from their assigned base shall be notified of any posting within the bargaining unit **upon submitting a request prior to the start of their leave of absence from the workplace.**

13.08 It will not be necessary to bulletin a position where it is mutually agreed between the City and the Association.

13.09 It shall not be necessary to bulletin a position which has been assigned a higher salary level as a result of reclassification to the benefit of the incumbent.

13.10 Where the City has elected to establish a list of qualified employees for a bulletined position, and a vacancy occurs for a similar position with the same qualifications, it may not be necessary to bulletin the position within a period of up to six (6) months from the date the list was established. The timeline may be extended beyond six (6) months where WFPSOA provides written agreement.

ARTICLE 14 – LEAVE OF ABSENCE

14.01 When the requirements of the Department will permit, employees will be allowed leave of absence without pay not exceeding ninety (90) days in any calendar year. Any request for leave of absence shall be submitted in writing with a copy sent to the duly accredited Association Representative who will be advised of the names of any employees on authorized leave. Employees shall give the Department as much notice as possible on any request for leave of absence. The Department shall notify the employee in writing with a copy to the Association within five (5) days of the employee's request whether or not their leave of absence will be granted.

14.02 Employees on leave of absence who engage in other employment will be considered terminated unless otherwise mutually arranged between the Department and the duly accredited Association Representative.

14.03 Any leave of absence in excess of ninety (90) days shall be subject to mutual agreement of the parties.

14.04 An employee returning after leave of absence will return to their former position provided it has not been abolished or a senior employee has not exercised their displacement rights hereon.

14.05 Maternity Leave

A pregnant employee may elect Maternity Leave under either Plan A or Plan B, subject to the express provisions relating to the job classification occupied by the pregnant employee.

These days are to be taken in the calendar year in which they are granted and cannot be accumulated. The time at which these days are to be taken will be at the discretion of the Chief or designate. If the number of months worked by an employee during the calendar year is less than twelve (12) months, then the five (5) days shall be reduced proportionately to the number of months worked, calculated to the nearest one-half (½) day.
