2026 MUNICIPAL COUNCIL and SCHOOL BOARDS ELECTION OFFICIAL RESULTS

Message from the Senior Election Officer

On October 28, 2026, an election was held for the offices of Mayor and City Councillors, as well as for School Trustees in six School Divisions in the City of Winnipeg. The 2026 election included 41 total races: one for Mayor, 15 for City Councillor and 25 for School Trustee.

In accordance with The City of Winnipeg Charter, elected officials sit for a four-year term and on October 28, 2026, the 17th Council of The City of Winnipeg was elected for the 2026-2030 term. The overall voter turnout for the 2026 Municipal and School Boards Election was 37.9%, with 202,649 voters casting ballots.

The following is the official list of elected representatives who will serve on the 17th Council of The City of Winnipeg, commencing with inauguration on November 3, 2026, as well as the list of School Trustees for the six school divisions in The City of Winnipeg.

S. Armbruster
Senior Election Official

Overview of the voting process in 2026

Acclamations

Seven races were acclaimed prior to Election Day, as only the minimum number of candidates to fill all positions in these races were nominated. The acclaimed races were:

Office of School Trustee:	Pembina Trails School Division – Ward 2
	St. James-Assiniboia School Division – West Ward
	Winnipeg School Division – Wards 1, 3, 5, 6 and 7

Advance Voting

Eligible voters turned out in record numbers to take advantage of advance voting opportunities across the city, which took place between October 5-23, 2026. Below is a breakdown of the different types of advance voting opportunities that were offered:

City Hall – 1,292 voters from October 5-23
Malls & Universities – 20,398 voters from October 6-18
Community Advance (15 community locations; one per Council Ward) – 21,666 voters from October 19 - 22

Advance voting opportunities were also convened in 144 seniors' residences, personal care homes, developmental centres and hospitals from October 5-23. A total of 6,989 voters took advantage of these opportunities. Finally, the Sealed Envelope Ballot option (vote by mail) was utilized by 422 voters.

In total, 50,767 voters cast their ballot in advance of Election Day, which marks a 21.2% increase from the 41,895 electors who voted in advance in 2022, when the previous advance voting record was set.

Election Day

After the record setting turnout during the advance voting period, 151,882 Winnipeggers voted on Election Day. Total turnout for the 2026 election was 37.9% with a total of 202,649 ballots cast in the various races.

In accordance with the provisions of *The City of Winnipeg Charter, The Municipal Councils and School Boards Elections Act* and the *Vote-Counting Machines By-law No. 150/2005*, the City of Winnipeg utilized automated voting to accept ballots and tabulate the results of the 2026 Municipal and School Boards Election. As in previous elections, the system allowed for voter intentions to be captured accurately and efficiently and provided results shortly after the close of the polls.

The system also simplified and streamlined the process for Winnipeggers, who received a single composite ballot containing the candidates' names for all races they were eligible to vote for, including the Office of Mayor, Offices of Councillor and Offices of School Trustee. Additionally, if a voter chose not to vote in one or more races, or opted to undervote in a specific race, it did not affect the tabulation of the other races in which they did make a mark.

Poll Pads were once again used at all advance voting locations and for the first time, were used at all 184 voting locations in the 15 Council wards on Election Day. This technology enabled voters to vote anywhere at any poll in advance and as well as vote at any location within their Council ward on election day. The use of poll pads enabled elections officials to quickly locate a voter's entry on the voters list by scanning their voter's notice, or the bar code on the back of their driver's licenses or enhanced identification cards. Voters without scannable ID were found in the system by manually entering their information. In all instances, the voter's name was struck off in real time once they received their ballot.

At the close of voting on election day, the memory pack from each automated voting machine was safely and securely transported to the City of Winnipeg election headquarters for results tabulation. Results from advance and election day polls were posted online as soon as they were processed, with all City of Winnipeg results reported by 9:42 p.m. that evening.
