## Verification of Criminal Record

---

There are two methods for verification of a criminal record: self-declaration or the submission of fingerprints.

Self-declaration is a process where adult charges and convictions pursuant to federal legislation including the *Criminal Code*, *Controlled Drugs and Substances Act*, *Immigration and Refugee Protection Act* (and its predecessor) are declared to the Service by the applicant on form P-612A Declaration of Criminal Record. Form P-612A Declaration of Criminal Record is not confirmed by fingerprints and is therefore not a certified criminal record check.

### **Applicants are NOT required to declare:**

- a. A conviction subject to a record suspension by the National Parole Board of Canada.
- b. A conviction under the *Youth Criminal Justice Act*.
- c. Absolute or Conditional Discharge.
- d. Charges pursuant to federal legislation, including the *Criminal Code*, *Controlled Drugs and Substances Act*, *Immigration and Refugee Protection Act* (and its predecessor), which did not result in a conviction.
- e. Any charge or conviction for a provincial or municipal offence.
- f. Any charge or conviction dealt with outside of Canada.

The Service will confirm if the information matches a criminal record contained within the RCMP National Repository of Criminal Records. If the Service is not satisfied that the applicant's declared criminal record information is a match to a criminal record held at the RCMP National Repository, fingerprints will be required.

Where there are no fingerprints in the RCMP National Repository of Criminal Records confirmation of identity will be made pursuant to the identification required on page 1 of this policy.

## Requirement for Fingerprints

---

### **Police Record Check**

If the Service is not satisfied that the self-declaration is a match to a criminal record held at the RCMP National Repository of Criminal Records, fingerprints must be submitted to the RCMP for a certified criminal record check.

To obtain a certified criminal record check by the RCMP fingerprints are required.

### **Police Vulnerable Sector Check**

If the Service is not satisfied that the self-declaration is a match to a criminal record held at the RCMP National Repository of Criminal Records, fingerprints must be submitted to the RCMP for a certified criminal record check.

Police Vulnerable Sector Check applicants may be required to submit fingerprints to verify the existence of any sex offences with a record suspension contained within the RCMP National Repository of Criminal Records.

To obtain a certified criminal record check by the RCMP fingerprints are required.

## **Release of Completed Police Record Check**

---

### **Police Record Check**

The Service will provide the results of the police record check on Form P-612 Police Record Check/Police Vulnerable Sector Check; Form P-612B Police Record Check/Police Vulnerable Sector Check Results; Form P-612A Declaration of Criminal Record; RCMP C-480 Document and Certified Criminal Record Check to the applicant only.

### **Police Vulnerable Sector Check**

The Service will complete a Vulnerable Sector Check based on the applicant's name, gender, and date of birth. This information will be disclosed on Form P-612 Police Record Check/Police Vulnerable Sector Check; Form P-612B Police Record Check/Police Vulnerable Sector Check Results; Form P-612A Declaration of Criminal Record; RCMP C-480 Document and Certified Criminal Record Check to the applicant only.

If the search for the Vulnerable Sector Check is inconclusive a fingerprint-based search will be required. If the RCMP confirms that the applicant has a sex offence with a record suspension, the information will be forwarded to the Minister of Public Safety to authorize disclosure of all or part of the information contained in the file. When the information is authorized for disclosure by the Minister of Public Safety, the criminal record associated with the applicant's fingerprints will be returned to the Service and the Vulnerable Sector Check will include the sexual offence with the record suspension information. At this point, the Service will be required to obtain the applicant's consent in writing on form P-612C Consent to Disclosure of Record (VS) for disclosure of the record(s). When the applicant has signed the form giving consent to release the record(s) the Service must forward the information directly to the requesting agency (employer or volunteer agency). This information will be disclosed on RCMP C-480 Document and Certified Criminal Record Check.

If the applicant chooses not to disclose their record(s) the Service will advise the requesting agency that the Service was unable to complete the Police Vulnerable Sector Check.
