   (3) In the event that the purchase is not completed by reason of default of the Purchaser, the deposit and any interest earned thereon shall be forfeited immediately to the City and the City may exercise whatever other remedies are available to the City at law.

6. The Purchaser will obtain possession of the Lands at the Purchaser's own expense, which includes, without limiting the generality of the foregoing, obtaining their own Surveyor’s Building Location Certificates, Surveyor’s Staking Certificates, and Zoning Memorandum and in connection therewith acknowledges and is aware that the City does not provide Declarations as of Possession.

7. The Purchaser will accept title to the Lands subject to all exceptions, reservations and encumbrances expressed or implied in the City's title.

8. The sale of the Lands to the Purchaser shall be subject to the provisions of the By-laws of The City of Winnipeg and all amendments thereto. Furthermore, the Purchaser acknowledges and understands that its proposed use and development of the Lands may require applications for re-zoning, variances or conditional uses, amendments to OurWinnipeg, which applications and resulting land dedication charges (if any) are to be at the sole cost and responsibility of the Purchaser. Nothing in this Offer shall be
construed as placing any duty or obligation upon the City to grant such rezoning, variance or conditional use orders and/or amendments to OurWinnipeg when the Purchaser's application for same is made to the City.

9. The Purchaser will not file any caveat or other encumbrance against the Lands before the transfer of the Lands to the Purchaser.

10. The Purchaser agrees that the City may register and maintain a caveat against the Lands to ensure the performance of the covenants on the part of the Purchaser herein set forth and the Purchaser agrees to grant and does hereby grant to the City an interest in the Lands according to the tenor of this Offer.

11. In consideration of the sale of the Lands by the City to the Purchaser, the Purchaser covenants and agrees as follows:

   (1) This Offer shall run with the Lands and shall bind the Purchaser and its successors and assigns.

   (2) The Purchaser shall pay the applicable Land Titles Office registration fees and Land Transfer Tax in respect thereto.

12. The Purchaser acknowledges and agrees that:

   (1) The sale of the Lands shall be subject to any easement which may be required by a public utility, including, but not limited to, The Manitoba Hydro-Electric Board, Bell MTS Inc., Centra Gas (Manitoba) Inc., Shaw Cablesystems Limited, or the City, and/or any of their respective successors and/or other utilities for the maintenance of existing and future facilities together with the right to enter upon the Lands at any time, with or without equipment, for said purposes and subject to the Purchaser covenanting not to erect or cause to be erected upon the easement area any building or structure without the prior written consent of the public utility or the City requiring such easement.

   (2) Any removal or relocation of a public utility as a result this transaction will be at the expense of the Purchaser. Information on electrical and gas service to new subdivisions can be obtained from the local Manitoba Hydro District Office.

   (3) The Purchaser, at its own expense, shall be responsible to prepare and provide any Easement Plan that may be required to effect registration of an Easement Agreement in the Winnipeg Land Titles Office.

   (4) The Purchaser acknowledges that the City may grant the easement before the Transfer of Land issues.

13. The Purchaser acknowledges and agrees that:

   (1) The City has made no representation, warranties or guarantees of any nature or kind whatsoever as to the quality, condition or suitability of the Lands for any use or purpose, nor as to any environmental conditions which may exist.

   (2) The Purchaser will rely solely upon its own investigations in determining the degree of contamination, if any, existing on and within the Lands and the extent of
contamination, if any.

(3) The Purchaser shall indemnify and save harmless the City from and against all claims, costs and damages arising from or in any way connected with the existence of contaminants of any kind in or on the Lands.

(4) It is understood and agreed that the terms, conditions and covenants contained in this Clause shall not merge, but shall survive closing.

14. Environmental Site Assessment:

(1) The Purchaser acknowledges and agrees that the City has not conducted or caused to be conducted an Environmental Site Assessment on the Lands.

(2) In the event the Purchaser, at its sole cost, conducts or causes to be conducted an environmental site assessment and/or soil testing of the Lands, the Purchaser shall:

   (a) Ensure that all work done in connection with such environmental site assessment and/or soil testing is completed no later than ninety (90) days from the Date of Approval;

   (b) Maintain the Lands in safe condition at all times during the conduct of any work done in pursuance of this Clause;

   (c) Restore the Lands to the same condition as prior to its entering in or upon same in pursuance of this Clause;

   (d) Indemnify and save harmless the City from and against all damages and claims arising out of or in any way attributable to the conduct of any such environmental site assessment and/or soil testing; and

   (e) Provide copies of any such environmental site assessment and/or report concerning soil testing of the said Lands to the City for its own use, at no cost to the City, no later than ninety (90) days from the Date of Approval, but in any event prior to the Date of Closing, Possession and Adjustments.

(3) In the event it is determined that, as a result of the environmental site assessment and/or soil testing conducted under Sub-clause (2), contamination levels exceed provincial environmental standards for the intended use of the Lands and documentation to that effect is produced to the City within ninety (90) days following the Date of Approval, but in any event prior to the Date of Closing, Possession and Adjustments, the City, at its sole option, shall be entitled to:

   (a) Take remedial action to bring the contamination levels to within the provincial environmental standards; or

   (b) Cancel the sale and return all monies paid in respect of the proposed sale by the Purchaser to that date, provided that the Purchaser shall have first satisfied all conditions of this Clause.
If the City has not been advised of any non-compliance of the Lands with provincial environmental standards within ninety (90) days from the Date of Approval, or in any event, before the Date of Closing, Possession and Adjustments, the Purchaser agrees to complete its purchase as herein contemplated and to indemnify the City against any and all claims arising from, or in any way connected with, the existence of contaminants of any kind on the Lands.

It is understood and agreed that the terms, conditions and covenants contained in this Clause shall not merge, but shall survive closing.

15. The Purchaser is hereby advised that some components of the building contains various forms of asbestos. Subject to Clause 16, an Asbestos Inventory Control Report prepared by the City has been attached as Schedule “B” for informational purposes. It is the responsibility of the Purchaser to conduct its own due diligence in this regard.

16. Notwithstanding any other terms, conditions or provisions in this Offer, the Purchaser acknowledges and agrees that:

(1) In submitting this Offer, the Purchaser relies entirely upon its own knowledge and personal inspection, examination or investigation of the Lands, the title thereto, the permitted encumbrances, any tenancies and all other matters material to the Purchase and the proposed use of the Lands and also relies solely upon the advice of its own consultants, independent of any representation made by or on behalf of the City or any agent of the City;

(2) Any information supplied to the Purchaser by the City or its agents or representatives is and was supplied without any representation or warranty, and that the responsibility for verification of any such information shall be the responsibility of the Purchaser. Any error or discrepancy in the description or in the dimensions of the Lands as contained herein shall not entitle the Purchaser to any compensation in respect thereof nor shall it entitle the Purchaser to the cancellation of this Offer;

(3) The Purchaser is purchasing the Lands on an “as is”, “where is” basis and that the Lands are deemed to be taken by the Purchaser at the Purchaser’s own risk with all faults and imperfections whatsoever. The Purchaser agrees with the City that the application of “Buyer Beware” shall apply to this Offer in the strictest meaning;

(4) That there are no representations, warranties, guarantees, conditions, collateral agreements, covenants and agreements affecting this Offer or the Lands except those expressly set forth herein; and

19. The City's Water and Waste Department advises that there are existing lot-line connections servicing the Lands. The Purchaser must satisfy itself as to the existence of the sewer and/or water lot-lines and their suitability for re-use.

(1) If existing lot-line connections are available and can be re-used, the Purchaser must adhere to the requirements set forth in the Sewer By-law 92/2010 and Water By-law 107/2015;

(2) If the existing water service is not adequately sized to meet the water demand of the Purchaser, the costs of any upgrade to the size of the water service shall be the Purchaser’s sole responsibility.

20. No current legal survey was made of the Lands to determine the nature and extent of any structure thereon or to determine if there are any encroachments from adjoining lands.

22. None of the provisions of this Offer will merge with the conveyance of the Lands.

23. The City will recognize the participation of a Registered Real Estate Broker in this transaction. The expected real estate commission payable will be ___% of the Purchase Price, payable out of the sale proceeds.

24. The Purchaser shall have the right to nominate, assign, transfer and convey its rights, obligations and interests under this Offer, in writing, to any person, firm or
corporation, subject to the consent of the Director.

(1) Any such nominee or assignee shall thereupon be bound to observe, keep and perform all of the covenants, obligations, terms and conditions of the Purchaser hereunder, and to enter into any and all documents contemplated herein as if such nominee or assignee had originally executed this Offer.

(2) Any such nomination, assignment, transfer or conveyance shall not relieve the Purchaser of its obligation for the full observance and performance of the covenants, obligations, terms and conditions herein contained.

(3) No nomination, assignment, transfer or conveyance shall be valid unless the Purchaser and the nominee or assignee deliver to the City a copy of an Assignment Agreement duly executed by the Purchaser and the nominee or assignee within ten (10) days following the execution of such Assignment Agreement, but in any event, prior to the Date of Closing, Possession and Adjustments. This Assignment Agreement shall include the following conditions:

(a) A covenant of the nominee or assignee to assume all of the Purchaser’s covenants, duties and obligations under this Offer and for the full observance and performance of the covenants, terms and conditions contained herein; and

(b) If the nominee or assignee is a firm or corporation, the shareholders of the Purchaser shall be the majority shareholders of any such nominee or assignee.
