Certificate of Title:
No. 1081777/1

Roll Number:

The property is offered in an “as is, where is” condition, and it is the responsibility of the purchaser to do its own due diligence in this regard.

Planning:
The Purchaser will be required to make the appropriate Development Application (Development Application Subdivision Zoning - DASZ) for the purposes of, but not limited to, the extension of Oustic Avenue West, opening of new public lanes and subdivision of property as indicated on attached Misc. Plan 10071/7.

The Purchaser is to make a DASZ application to legally create a minimum of 2 buildable lots and to rezone the Subject City Property from R1-M to R1-S. A third lot option as shown on Misc. Plan 10071/6 may be a possibility subject to a successful DASZ application.

Front approaches are not permitted onto Moore Avenue or Oustic Avenue West.

For the development of any buildings, plans showing the location and design of proposed buildings shall be submitted to the Director of Planning, Property and Development for plan approval prior to the issuance of any building or development permits, and thereafter all to be constructed to the satisfaction of the Director of Planning, Property and Development.

Public Works:

Property For Sale

Vacant Lot Between 35 and 39 Moore Avenue

The Purchaser will be required to complete all related works including but not limited to constructing the curb, boulevard landscaping and land drainage sewer if required.

All Public Works including any Development Applications will need to be carried out to the satisfaction of the Director of Public Works at no expense whatsoever to the City of Winnipeg.

Services:

The Water and Waste Department advises there are no existing lot line connections servicing the land. When construction occurs, the Purchaser will be required to install new sewer/water service connection pipes for all lots approved in the Development Application at no expense whatsoever to the City and may be subject to approval.

The water service connection pipe for ‘Lot 1’ must be connected to the 300mm water main running down Oustic Ave West.

The Water and Waste Department has indicated that the 300 mm sewer main (ending at Lot 1) is required to be extended by the Purchaser to the most western limit of the Subject City Property at no expense whatsoever to the City. A Servicing Agreement with the City of Winnipeg would be required for the installation of the new sewer main. Additionally the condition of the end of the existing 300mm sewer main is such that approximately 1 meter of the existing sewer main may need to be replaced by the Purchaser in order to ensure a proper connection with the new required sewer main. This construction is to be completed at no expense whatsoever to the City.

The Purchaser shall grant all easements deemed necessary by the City to facilitate all required services/utilities. For further information, please contact: Marek Gajda, Services Development Engineer, Waste and Water Department, City of Winnipeg at 204-986-7626.

(4) That there are no representations, warranties, guarantees, conditions, collateral agreements, covenants and agreements affecting this Offer or the Lands except those expressly set forth herein; and

Should the Purchaser wish to change the grading of the property in anyway, the Purchaser shall first submit a lot grading plan to the City’s Water and Waste Department for the City’s consideration and approval or rejection.
19. The City’s Urban Planning division advised that no approaches fronting Oustic Avenue West or Moore Avenue will be permitted.

20. The City’s Water and Waste Department advises that there are no existing lot-line connections servicing the land. New sewer/water service connection pipes must be installed to service the lots as per Schedule “A”. Installation will be subject to the review and approval of the Water & Waste Department. Installation and costs of same are to be borne solely by the Purchaser at no expense whatsoever to the City.

21. The City’s Water and Waste Department advises that the 300 mm Combined Sewer Main ending at the eastern limit of proposed Lot 1 is to be extended to the western limit of the Lands, as set out on Misc Plan 10071/7. Installation and costs of same are to be borne solely by the Purchaser at no expense whatsoever to the City. If the sewer main extends into any part of Lot 1 then the purchaser shall grant all easements in favour of the City as required by the City for the encroachment of the sewer main.

22. The City’s Water and Waste Department advises that approximately 1 meter of existing 300 mm Combined Sewer Main which terminates at the eastern limit of proposed Lot 1 may need to be replaced to ensure proper connection with the extended sewer. Installation and costs of same are to be borne solely by the Purchaser at no expense whatsoever to the City.

23. The City’s Public Works Department advises that the purchaser shall pave in concrete the extension of Oustic Avenue West, in its entire width, to the western limit of the Lands and construct the proposed public lanes, as set out on Misc Plan 10071/7 in asphalt or concrete, as determined by and to the satisfaction of the Director of Public Works. The Purchaser shall provide an engineered drawing of the proposed extension of Oustic Avenue West to be reviewed and meet the approval of the Public Works Department. Construction and costs of same including any drawings are to be borne by the Purchaser at no expense whatsoever to the City.

24. The Purchaser is required to complete all related works including but not limited to constructing the curb, boulevard landscaping and land drainage sewer if required. Installation and costs of same are to be borne by the Purchaser at no expense whatsoever to the City.

25. The Purchaser must repair any damage made to the sodded boulevards abutting the Lands during construction as soon as practicable and maintain same and shall pay the cost thereof and shall also restore the boulevard to the proper grade.

26. The Purchaser shall connect Lot 1, as set out on Misc Plan 10071/7, to the 300 mm water main in front of Oustic, not to the 150 mm water main to the east of the property. If the existing water service is not adequately sized to meet the water demand of the Purchaser, the costs of any upgrade to the size of the water service shall be the Purchaser’s sole responsibility.

27. No current legal survey was made of the Lands to determine the nature and extent of any structure thereon or to determine if there are any encroachments from adjoining lands.

28. The Purchaser is hereby advised that soil conditions in Winnipeg are of the glacial till
variety which are composed of lacustrine clays with silt intrusions. The Purchaser shall be responsible for any increased costs of development due to this random stratification.

29. The City advises that there might be an existing basement in the lands. The removal of any existing concrete or debris and any costs connected therewith will be the responsibility of the Purchaser.

30. The City advises that there might be remnants of abandoned gas line in the lands. The removal of any abandoned gas line or debris and any costs connected therewith will be the responsibility of the Purchaser.

31. None of the provisions of this Offer will merge with the conveyance of the Lands.

32. The City will recognize the participation of a Registered Real Estate Broker in this transaction. The expected real estate commission payable will be ___ % of the Purchase Price, payable out of the sale proceeds. No commission is payable by the City on the sale of the Lands.

33. The Purchaser shall have the right to nominate, assign, transfer and convey its rights, obligations and interests under this Offer, in writing, to any person, firm or corporation, subject to the consent of the Director.

   (1) Any such nominee or assignee shall thereupon be bound to observe, keep and perform all of the covenants, obligations, terms and conditions of the Purchaser hereunder, and to enter into any and all documents contemplated herein as if such nominee or assignee had originally executed this Offer.

   (2) Any such nomination, assignment, transfer or conveyance shall not relieve the Purchaser of its obligation for the full observance and performance of the covenants, obligations, terms and conditions herein contained.

   (3) No nomination, assignment, transfer or conveyance shall be valid unless the Purchaser and the nominee or assignee deliver to the City a copy of an Assignment Agreement duly executed by the Purchaser and the nominee or assignee within ten (10) days following the execution of such Assignment Agreement, but in any event, prior to the Date of Closing, Possession and Adjustments. This Assignment Agreement shall include the following conditions:

      (a) A covenant of the nominee or assignee to assume all of the Purchaser's covenants, duties and obligations under this Offer and for the full observance and performance of the covenants, terms and conditions contained herein; and

      (b) If the nominee or assignee is a firm or corporation, the shareholders of the Purchaser shall be the majority shareholders of any such nominee or assignee.

34. Time shall be of the essence of this Offer.

35. The word “Purchaser” shall have a plural meaning in the event that more than one party is making this Offer, and the masculine shall mean the feminine or neuter as the case may be.
36. The parties hereto shall and will at all times and from time to time hereafter and upon every reasonable written request so to do, both before and after the Date of Closing, Possession and Adjustments, make, do, execute, deliver or cause to be made, done, executed and delivered any and all such further acts, deeds, assurances and things as may be required for more effectually implementing and carrying out the true intent and meaning of this Offer.

37. This Offer and any other agreement delivered in connection therewith, and any amendment thereto, may be executed by facsimile transmittal facilities, or electronic copy in a portable document format or such similar format and if so executed and so transmitted, will be for all purposes as effective as if the parties had delivered an executed original of this Offer, or such other agreement or amendment, as the case may be, and shall be deemed to be made when the receiving party confirms this Offer, or such agreement or amendment, as the case may be, to the requesting party by facsimile or by electronic copy in a portable document format or such similar format. A party sending a facsimile or electronic copy shall thereafter send or deliver the original document to the receiver of such facsimile or electronic copy.
