CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents / Businesses

RE: 2019 Alley Renewals
Borebank Street / Campbell Street alley (The alley block bounded by Borebank Street, Campbell Street, Kingsway and Academy Road)

Phase 2 work on the alley block bounded by Borebank Street, Campbell Street, Kingsway and Academy Road will soon begin.

Phase 2 Scheduled Construction start: Wednesday August 12, 2020
Phase 2 Duration: Six weeks (weather permitting)

Phase 2 addresses - #174 to #216 Borebank Street, #167 to #211 Campbell Street and #466 Academy Road

PHASE 2 will include installation of land drainage sewer, excavation of the existing lane, and placement of sub-base and base course material followed by an asphalt pavement surface. This work will be followed by driveway/approach restorations and boulevard grading where required.

During PHASE 2 construction, the alley will be closed to all phase 2 traffic (#174 to #216 Borebank Street and #167 to #211 Campbell Street and #466 Academy Road). Residents are asked to park elsewhere during the construction period.

Please note, regular garbage pickup and recycling days will not change, however garbage and recycling for ALL alley residents should be placed on the front street for pickup for the duration of the construction project. Due to the potential of parked cars, we are asking the effected residents on Campbell Street to place their garbage and recycling bins on the Eastern Boulevard (across the street) for the duration of construction. Collection of both services will resume in the alley once the entire alley is reopened to vehicular and pedestrian traffic.

Some tree pruning may be completed to provide clearance for construction equipment. If you have flower beds/gardens or any miscellaneous items within proximity to the alley, please remove them to prevent damage. Additionally, if you have any underground appurtenances, such as sprinkler systems, lighting cables, etc. within 1.0 meter (3 feet) of the existing lane, please notify Mr. Andrew Boboski of WSP Canada Group Limited at 204-477-7608 or by email at info.wpg@wsp.com, during regular working hours.

The general contractor, Wintec Building Services Inc., can be contacted in case of construction emergency at (204) 958-5728.

We appreciate your patience during construction.

Sincerely,

WSP Canada Group Limited
