CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents of Farwell Bay

RE: 2020 Local Street Renewal Program and Asphalt Alley Local Improvements

As indicated in our previous notice, Ashland Avenue will be closed to vehicle traffic for road construction this summer. The Contractor, Borland Construction Inc., is scheduled to begin construction the week of July 6th, 2020 and will take approximately 12 – 15 weeks to complete.

Construction start: July 6th, 2020
Duration: Approximately 12 – 15 Weeks
Impacted streets and intersections: Farwell Bay from Donnelly Street to Donnelly Street

The work will involve reconstruction of the roadway within the City right-of-way, including excavation, removal of the existing roadway, and the construction of a new roadway structure with asphalt pavement. As per the previous letter from the City of Winnipeg, this project also includes construction of a new sidewalk on Farwell. Please note the limits have been changed (see back of notice for the revised locations). To construct the sidewalk, some trees will require trimming by an arborist, but no trees are anticipated to be cut down and removed.

During construction the street will be closed to vehicle traffic and parking prohibited. Pedestrian access will be maintained throughout the construction period. The construction will be split into two stages, Stage 1 is the closure and construction of the north and west legs, followed by Stage 2, with the closure and construction of the south leg. (see on attached figure). Garbage and recycling services will continue as regularly scheduled. Please continue to put your garbage and recycling bins in the normal pickup location.

Please contact us at 204-977-8370 with any questions or accessibility requirements. We appreciate your patience during construction and look forward to the completion of a new asphalt road for Farwell Bay in 2020.

Sincerely,
Morrison Hershfield Limited

James Kennedy, P. Eng.
Contract Administrator
