CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents / Businesses

**RE: 2020 Street Renewal Program
Kirkfield Street from McBey Avenue to first alley north of McBey Avenue**

Work on Kirkfield Street from McBey Avenue to first alley north of McBey Avenue will soon begin.

Construction start: June 1, 2020
Approximate duration: 8 weeks

Work will include: sidewalk repairs as required, utility and underground infrastructure repairs and adjustments, reconstruction of the street with concrete curb and asphalt pavement.

Construction Staging and Traffic Management

The street will be closed to all traffic. If you require access during construction, please contact WSP and we will accommodate as best as possible.

Parking and Emergency/Pedestrian

Street parking will be prohibited during construction. Drivers will be required to park their vehicles on a nearby street or alley as properties allow. Emergency and pedestrian access will be maintained, although sidewalk access may be disrupted temporarily at times due to sidewalk repairs/renewals.

Garbage and Recycling

Garbage and recycling will continue to be picked up at the regular times and locations. Please ensure that your house number is clearly marked on both your garbage and recycling bin. If garbage pick-up is on the front street, the contractor will be responsible for relocating your bins to an area where they can be accessed by the collection trucks and returned before the end of the day.

Anyone with accessibility needs, moving requirements, planned special events, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within six metres (20 feet) of the street curb line or any other questions should contact Richard Hawkins from WSP Canada Group Limited at (204) 477-7608, during regular working hours or by email at info.wpg@wsp.com.

The general contractor for this project will be JC Paving Ltd. They can be contacted in case of construction emergency at (204) 989-4700.

We appreciate your patience during construction.

Sincerely,
WSP Canada Group Limited
