CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents of Lakeside Drive

RE: 2nd Notice - 2020 Local Street Renewal Program and Asphalt Alley Local Improvements

As indicated in our previous notice, Lakeside Drive will be closed to vehicle traffic for road construction this summer. The Contractor, Borland Construction Inc., is scheduled to begin construction the week of August 6, 2020 and will take approximately 7 - 9 weeks to complete.

Construction start: August 6th, 2020
Duration: 7-9 weeks
Impacted streets and intersections: Lakeside Drive between Chancellor Drive and Augusta Drive

The work will involve rehabilitation of the existing roadway including concrete joint and slab repairs, installation of new curb, followed by the placement of a new asphalt pavement to improve drainage and rideability.

During construction the street will be local access only and parking prohibited. For the most part, you will have access to your driveway/approach during construction. If a short term blockage is required for construction, we will contact you in advance. Pedestrian access will be maintained throughout the construction period. Garbage and recycling services will continue as regularly scheduled. Please continue to put your garbage and recycling bins in the normal pickup location.

Please contact us at 204-977-8370 with any questions or accessibility requirements. We appreciate your patience during construction and look forward to the completion of a rehabilitated asphalt road for Lakeside Drive in 2020.

Sincerely,
Morrison Hershfield Limited

James Kennedy, P. Eng.
