CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES OF MANITOBA AVENUE

RE: CITY OF WINNIPEG
2020 LOCAL STREET RENEWAL PROGRAM
MANITOBA AVENUE FROM CHUDLEY STREET TO RAILWAY STREET

We wish to advise you that the above street renewal project has been approved for construction this summer as part of the City of Winnipeg’s 2020 Local Street Renewal Program.

We understand that now is a time of much uncertainty, but want to assure you we are proceeding on the assumption that construction season will continue amid the COVID-19 pandemic.

As restrictions around COVID-19 continue to evolve, we will continue to use alternate means of communication as necessary to ensure that any discussions we are unable to have in-person still occur. If you anticipate being away from your business and/or mailbox for an extended period of time, please contact us with an alternative address, phone number, and email at which we can reach you, leading up to and during construction.

Additionally, as the health and safety of both the public and our staff and contractors is paramount, we will be modifying our work plan as required, as per Manitoba Health recommendations for the industry.

With that in mind, information for this project is as follows:

Construction Start Date: Week of May 19TH, 2020, weather permitting
Duration: Approximately six to seven weeks, weather permitting

Parking & Pedestrian Access
Parking will be prohibited during construction. Pedestrian access to all business and residences will be maintained.

Scope of Work
The work will include milling of existing asphalt overlay, concrete pavement repairs, sewer repairs, adjustment of catch basins/catch pits and manholes, replacement of missing and damaged curbs, renewal of curb ramps, sidewalk renewals where required, installation of detectable warning surface tiles at intersections, boulevard restoration, and asphalt overlay.

Traffic Management & Winnipeg Transit Reroutes
- During construction, one lane of local traffic will be maintained at all times.
- For eastbound construction, eastbound buses will be rerouted to Pritchard Avenue within the construction limits (Pritchard Ave at Buller St and Leo Novak St intersections)
- For westbound construction, westbound buses will be rerouted to Magnus Avenue within the construction limits (Magnus Ave at Leo Novak St and Buller St intersections)
Garbage and Recycling
Garbage and Recycling will continue to be picked up at the regular times and location. The Contractor will relocate bins and replace them following collection if required.

Contractor
The Contractor responsible for the roadwork construction is Bituminex Paving Ltd., who can be reached at 204-237-6253.

Additional Information
We recognize that this project will cause some inconvenience and disruption and we thank you for your understanding and patience during construction.

Those with accessibility needs, moving requirements, underground appurtenances, such as sprinkler systems, lighting cables, etc. within six meters (20 feet) of the street curb line or questions about the project, are asked to contact Richard Weibel at 204-805-0104, during regular working hours.

Sincerely,

Richard Weibel, C.E.T.
