CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: BUSINESSES

RE: 2021 Sargent Avenue Pavement Renewals

Please be advised that Sargent Avenue from St. James Street to Empress Street is scheduled to begin construction in Summer 2021.

Construction start: August 2021
Duration: 10 weeks
Impacted streets and intersections: Sargent Avenue between St. James Street and Empress Street

Work on Sargent Avenue will include:
- full excavation of the existing roadway in both directions;
- construction of a new concrete pavement structure and approaches,
- reconstruction of the sidewalks; and
- re-grading of the boulevards.

It is anticipated construction will start in August, 2021, and a second notice will be delivered 1-2 weeks prior to the commencement of the work. At this time, the work is expected to be completed by mid-October.

During construction, Sargent Avenue will be converted to a one-way street (westbound first for approximately five weeks, then eastbound for approximately five weeks). Access to businesses will be maintained along with both pedestrian access and one-way bus service. Opposite-direction vehicles will be rerouted down either Ellice Avenue or Wellington Avenue.

We recognize this project will cause some inconvenience and apologize for the disruption.

If you have any information regarding access that may be required off Sargent Avenue, such as large truck access, hours of operation and ability to close approaches to expedite construction as well as accessibility needs, please call us at 204-977-8370.

We appreciate your patience during construction and look forward to the new roadway in 2021.

Sincerely,
Morrison Hershfield Limited

James Kennedy, P. Eng.
Contract Administrator
