CITY OF WINNIPEG CONSTRUCTION NOTICE

TO:       BUSINESSES / RESIDENTS
RE:       2021 PORTAGE AVENUE PAVEMENT RENEWALS – ST CHARLES STREET TO DAVID STREET

Please be advised that Portage Avenue road construction from St Charles Street to David Street will soon begin.

**Eastbound Portage Avenue Rehabilitation**
- **Construction start:** Week of August 3, 2021
- **Duration:** 12 weeks

**Westbound Portage Avenue Mill & Fill**
- **Construction start:** Week of September 7, 2021
- **Duration:** 5 weeks

**Impacted Streets and Intersections:**
Portage Avenue, St Charles Street, Isbister Street, Stewart Street, Buchanan Boulevard, Knox Street, and David Street

**Eastbound Portage Avenue** will undergo a pavement rehabilitation that includes milling existing asphalt, improving drainage, repairing concrete joints and slabs, replacing curb, renewing sidewalk as required, and installing a new asphalt overlay. One lane of traffic will be closed during construction, with one lane of thru traffic maintained at all times. A second thru lane will be maintained 7:00 to 9:00 a.m. on weekdays.

**Westbound Portage Avenue** will undergo an asphalt mill and fill that includes milling the existing asphalt pavement, minor joint, curb and sidewalk repairs, and a new asphalt overlay. One lane of traffic will be closed during construction where the road is three lanes wide, with one lane of thru traffic maintained at all times. A second thru lane will be maintained from 3:00 to 6:00 p.m. on weekdays. Where the roadway is wider than three lanes, two lanes of thru traffic will be maintained.

Access to sidewalks, side streets and private approaches will be maintained as much as possible. If access to a private approach cannot be maintained, the contractor will provide notification of the interruption and coordinate alternative parking and access options, as required.

**General notes**
- Garbage and recycling collection will continue to be picked up at regular times and locations.
- If you are a business with access, delivery or loading requirements that we have not been made aware of, please contact us to discuss your needs.
- We also ask those with any accessibility concerns, special events, known underground appurtenances, such as sprinklers or lighting cables within 6m of the Portage Avenue curb line, or questions or concerns regarding construction to contact Kelly Groff, P.Eng. at 204-259-1527 or Kelly.Groff@wsp.com.
- Additional information on this Regional Renewal project is available online at winnipeg.ca/publicworks/construction/projects/PortagePavementRenewal.stm

We appreciate your patience during construction and look forward to an improved Portage Avenue in 2021.

Sincerely,

WSP Canada Inc.
