CITY OF WINNIPEG CONSTRUCTION NOTICE

RE: 2021 Sargent Avenue Pavement Renewals
NOTICE OF CONSTRUCTION – Second Notice

Please be advised that Sargent Avenue from St. James Street to Empress Street is scheduled to begin road construction the week of August 3, 2021, after the completion of the watermain renewal (by others).

Construction start: Week of August 3, 2021
Duration: 10 weeks

Work on Sargent Avenue will include:
- Full excavation of the existing roadway in both directions;
- Construction of a new concrete pavement structure and approaches;
- Milling and overlaying of asphalt in Empress/Sargent intersection
- New street lighting and traffic signals
- Sidewalk reconstruction
- Boulevard regrading

During construction, Sargent Avenue will be converted to a one-way street (westbound first for approximately five weeks, then eastbound for approximately five weeks). Access to businesses will be maintained along with both pedestrian access and one-way bus service. Opposite-direction vehicles will be rerouted down either Ellice Avenue or Wellington Avenue.

Please contact us at 204-977-8370 with any special considerations or accommodations needed for large truck access, hours of operation, or accessibility needs.

We appreciate your patience during construction and look forward to the rehabilitated roadway in 2021.

Sincerely,
Morrison Hershfield Limited

James Kennedy, P. Eng.
