CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES

RE: CITY OF WINNIPEG
2021 LOCAL STREET RENEWAL PROGRAM
GROSVENOR AVENUE REHABILITATION – ASH STREET TO LINDSAY STREET

Please be advised that Grosvenor Avenue between Ash Street and Lindsay Street is scheduled to be rehabilitated between the end of May 2021 and early November 2021. We are writing now to ensure you receive proper notice of impacts to your area. You will receive another notice with greater detail approximately one to two weeks before construction begins.

Construction start: Late May 2021

Duration: To be determined and will be detailed in next notice.

Traffic implications:

- One lane of westbound traffic on Grosvenor from Ash Street to Lindsay Street will be maintained at all times, though some turning movements may be restricted. Eastbound traffic will not be permitted on Grosvenor from Ash Street to Lindsay Street during construction.
- Access to westbound Transit will not be affected. Eastbound Transit service will be rerouted to an adjacent street. Further details will be provided with the next notice.
- Emergency access will remain
- We will provide access to residences as much as possible; however temporary closures at individual approaches may be necessary for repairs
- We will contact you personally in advance if your property will be affected

As part of this work we will complete full-depth concrete repairs and place a new asphalt overlay, renew existing curbs and sidewalks, adjust drainage, and restore the boulevard.

During construction the garbage and recycling collection will not be affected; you are asked to continue to place your bins out on collection day. The contractor will relocate the garbage and recycling as needed. Residents are asked to put their house numbers on their collection bins so our crews can return them to the proper locations.

If you have accessibility concerns, special access requirements, or any other questions regarding this construction, please contact Grant Colvin of Dillon Consulting Limited at 204-223-8042.

Sincerely,

DILLON CONSULTING LIMITED
