CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES

RE: CITY OF WINNIPEG
2021 LOCAL STREET RENEWAL PROGRAM
NATHANIEL STREET REHABILITATION – GRANT AVENUE TO LORETTE AVENUE

Please be advised that Nathaniel Street between Grant Avenue and Lorette Avenue is scheduled to be rehabilitated between the end of May 2021 and early November 2021. We are writing now to ensure you receive proper notice of impacts to your area. You will receive another notice with greater detail approximately one to two weeks before construction begins.

Construction start: Late May 2021

Duration: To be determined and will be detailed in next notice.

Traffic implications:

- One lane of northbound traffic on Nathaniel Street from Grant Avenue to Lorette Avenue will be maintained, though some turning movements may be restricted. Southbound travel will not be permitted on Nathaniel Street from Grant Avenue to Lorette Avenue during construction.
- Emergency access will be maintained
- Parking will be restricted on Nathaniel Street
- We will provide access to residences as much as possible; however temporary closures at individual approaches may be necessary for repairs
- We will contact you personally in advance if your property will be affected

This work will complete full-depth concrete repairs and install a new asphalt overlay, renew existing curbs and sidewalks as required, adjust drainage, and restore the boulevard.

During construction the garbage and recycling collection will not be affected; you are asked to continue to place your bins out on collection day. The contractor will relocate the garbage and recycling as needed. Please put your house number on your collection bins so our crews can return them to the proper locations.

If you have accessibility concerns, special access requirements, or any other questions regarding this construction, please contact Grant Colvin of Dillon Consulting Limited at 204-223-8042.

Sincerely,

DILLON CONSULTING LIMITED
