RE: CITY OF WINNIPEG
2021 LOCAL STREET RENEWAL PROGRAM
RILEY CRESCENT RECONSTRUCTION – WICKLOW STREET TO DOWKER AVENUE

Please be advised that Riley Crescent between Wicklow Street and Dowker Avenue is scheduled to be reconstructed between the end of May 2021 and early November 2021. We are writing now to ensure you receive proper notice of impacts to your area. You will receive another notice with greater detail approximately one to two weeks before construction begins.

Construction start: Late May 2021

Duration: To be determined and will be detailed in next notice.

Traffic implications:

- Riley Crescent will be closed to all traffic. During construction, on-street parking is available on the adjacent streets including Dowker Avenue west of Crowson Bay, Lyon Street north of Dowker Avenue, and on South Drive where permitted.
- Dowker Street is also scheduled for reconstruction between the end of May 2021 and early November 2021 and will be completed in two (2) phases. Construction works on Riley Crescent will not begin until the completion of Dowker Street Phase 1 – Crowson Bay to Wicklow Place.

As part of this work we will remove the existing pavement and replace it with a new asphalt surface, install new street lighting, adjust manholes, restore boulevards, and restore concrete curbs and gutters.

During construction the garbage and recycling collection will not be affected; you are asked to continue to place your bins out on collection day. The contractor will relocate the garbage and recycling as needed. Please put your house number on your collection bins so our crews can return them to the proper locations.

If you have accessibility concerns, special access requirements, or any other questions regarding this construction, please contact Grant Colvin of Dillon Consulting Limited at 204-223-8042.

Sincerely,
