CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES

RE: CITY OF WINNIPEG 2021 LOCAL STREET RENEWAL PROGRAM
ALLEY RECONSTRUCTION – BOUNDED BY ROCKWOOD STREET, DORCHESTER AVENUE, McMILLAN AVENUE, AND WILTON STREET

Please be advised that the alley bounded by Rockwood Street, Dorchester Avenue, McMillan Avenue and Wilton Street is scheduled to be reconstructed between the end of May 2021 and early November 2021. We are writing now to ensure you receive proper notice of impacts to your area. You will receive another notice with greater detail approximately one to two weeks before construction begins.

Construction start: Late May 2021

Duration: To be determined and detailed on next notice

Traffic implications:

- The alley will be closed to all traffic
- Residents with alley-facing garages or parking must park elsewhere during construction
- Emergency access will be maintained throughout
- Intersections will be maintained all times during construction
- We will provide pedestrian access to residences as much as possible; however temporary closures at individual approaches may be necessary for repairs
- We will contact you personally in advance if your property will be affected

As part of this project we will remove pavement and replace it with a new concrete and asphalt surface, and adjust manholes.

During construction the garbage and recycling collection will not be affected; you are asked to continue to place your bins out on collection day. The contractor will relocate the garbage and recycling as needed. Please put your house number on your collection bins so our crews can return them to the proper locations.

If you have accessibility concerns, special access requirements, or any other questions regarding this construction, please contact Grant Colvin of Dillon Consulting Limited at 204-223-8042.

Sincerely,

DILLON CONSULTING LIMITED
